FADE IN:

INT. THE COMMAND ROOM - DAY

DORIAN paces around in front of his desk.

DORIAN

I really don't like the way I left things with Anita. Maybe I should go apologize...yeah that's definitely the thing to do.

Dorian walks toward the door. ALEXANDRA enters.

ALEXANDRA

Captain, where are you going?

DORIAN

I got into a small fight with Dr. Falco earlier so I'm going to apologize. Is she in the tech room?

ALEXANDRA

No, she's gone for a walk. I think she went to cool down after that fight of yours. It sounded pretty heated.

DORIAN

You heard that?

ALEXANDRA

Yeah, I've never heard you get that mad before. I'd expect you to yell at Dex like that, but not Dr. Falco. What's up?

DORIAN

Let's just say that Rustrax appearing has opened up an old wound or two.

ALEXANDRA

So what exactly happened?

DORIAN

Alexandra, you're starting to cut a little too deep, and frankly what happened between me and Rustrax, really isn't any of your business. I don't want to hear any more questions about it, and that's an order.

ALEXANDRA

Yes sir.

Scout walks in badly damaged and carrying a metal orb in his mouth.

DORIAN

What happened Scout?

Scout lets out a groan before falling down and going offline. The orb falls out of Scout's mouth and bounces on the floor a couple of times. A holographic projection of RUSTRAX appears.

RUSTRAX

Unlike my last message to you Kruger, this is prerecorded. I want to see you in the quarry on the outskirts of town in three hours. Come alone and do NOT send one of your pathetic Rangers in your place. This goes double for that moronic brother of yours. And to get you moving a little faster you might want to take a look at my hostage.

ANITA appears in the message unconscious and sitting in a chair. Anita is also tied up with an explosive device.

DORIAN

ANITA!

RUSTRAX

Remember you have three hours, which I might add is the time on the detonator that's tied to your dear friend. See you then.

The message ends.

ALEXANDRA

What do you want to do?

DORIAN

I have no choice but to go with his demands. For the time being take Scout to the tech room and have Patrick fix him.

ALEXANDRA

What about Dex, John, and Julie?

DORIAN

Just make sure that Dex is studying for his test while no activity is going on. As for John, and Julie well they can do whatever. The same goes for you. However the five of you will be called should something occur in the city. Got that?

ALEXANDRA

Roger.

Alexandra rushes out of the command room.

FADE OUT.

FADE IN:

INT. THE TRAILER OF A SEMI TRUCK - DAY

Anita wakes. Rustrax stands before her.

RUSTRAX

Ah, Dr. Falco so good of you to join me.

ANITA

What do you want with me?

RUSTRAX

Nothing other than you're now an element of my ultimate revenge against Dorian Kruger.

ANITA

Why?

RUSTRAX

The last time I met with him I only attacked him physically, this time around I'm going to go a little psychological. And you're the perfect candidate to make that happen.

ANITA

Why are you taking your revenge?

RUSTRAX

Too many years ago Kruger left me scarred, deformed, and within only an inch of my life. I think now's the time to pay that back. Only I'm going to leave him with less than an inch of his life. Oh, if I had only known about that Earthling's family all those years ago.

ANITA

What do you mean?

RUSTRAX

Years ago Kruger's father risked it all to prevent an alien from committing a heinous crime, but he did not survive.

ANITA

How do you know this?

RUSTRAX

I was that alien. And before you ask,  
yes Kruger does know about this.

ANITA

You're not going to get away with this.

RUSTRAX

Spare me the clichéd dialogue Dr.  
Falco, it gets old. Besides there's  
nothing that Kruger can do, he's mostly  
Anubian now, and I think we both know  
that genetically speaking only humans  
can handle the morphing process.  
There's nothing that he can do now.  
He'll be destroyed with you when that  
bomb goes off, and the city itself will  
be destroyed when the final tower is  
planted. So I suggest that you enjoy  
being back here, because in less than  
three hours you won't be.

FADE OUT.

FADE IN:

INT. THE TECH ROOM - DAY

PATRICK works on fixing Scout. Alexandra paces around in the room while drinking a cup of coffee.

PATRICK

Looks like he's just about fixed.

ALEXANDRA

That's good.

PATRICK

Not only was I able to fix him, I also gave him a small power boost.

ALEXANDRA

Why?

PATRICK

Why not? Besides it's not like I don't know what I'm doing. I did help build Scout after all.

ALEXANDRA

I know it just seems like a small power boost is a little unnecessary.

PATRICK

You'll love it when you see how easily the criminals go down.

Patrick continues to fiddle with a few wires. JULIE comes in.

JULIE

How's it going with Scout?

PATRICK

Just a second...

Patrick connects two wires together, and Scout goes back online. Scout gives an enthusiastic bark.

PATRICK

There. Fixed.

JULIE

What happened?

ALEXANDRA

You know that Rustrax guy Captain Kruger was talking about earlier?

JULIE

Yeah?

PATRICK

He must have done this. He also captured Dr. Falco.

JULIE

What are Captain Kruger's orders?

ALEXANDRA

Nothing for the time being. Rustrax wants Kruger alone, despite his form. I'd also say that judging from his reaction to some of the questions I asked, there's more to this thing with Rustrax than Captain Kruger wants us to know.

JULIE

What do you think it is?

PATRICK

Could be anything, but Kruger did give the order to not ask questions, so it must be very personal.

FADE OUT.

FADE IN:

INT. THE LIBRARY - DAY

DEX sits at a desk and does some studying. Eventually he closes his books and slouches in his chair. JOHN walks in.

JOHN

How's it going rookie?

DEX

All right I guess.

JOHN

Think you're going to pass?

DEX

I don't know. Frankly I kinda want to get this test over with.

JOHN

I'll tell you this much, the first promotion test is always the hardest. After that everything gets a little easier if you know what you're doing of course.

DEX

How'd you do on your Sergeant test?

JOHN

I passed didn't I?

DEX

No I meant did it take you more than one time to pass?

JOHN

I failed the first time around, but rumor has it that Captain Kruger did too.

DEX

He did.

JOHN

How do you know?

DEX

Dr. Falco told me. Either way it looks like you won't be able to call me "rookie" anymore.

JOHN

No, no, no, I don't care what your rank is; you're still not as experienced as me, which to me still makes you a rookie. And that goes for your Ranger color as well.

DEX

But Patrick, Alexandra and Julie aren't as experienced as you, yet you call them by name.

JOHN

They're different.

DEX

How are they different?

The alarm goes off.

DORIAN OVER THE PA SYSTEM

All Rangers report to the command room immediately.

Dex gets up and he rushes out of the library with John.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

Dorian stands before his desk. The Rangers are lined up in front of him.

DORIAN

Seismic scans indicate that the robot that placed the towers is about to strike again. I want all of you to stand by in the Megazord in the direct center of the other towers. Any questions?

John sticks his hand up.

DORIAN

John.

JOHN

About Rustrax...

DORIAN

I will handle Rustrax. His challenge was aimed at me, and I have to answer his demands.

DEX

Wait a minute, you always told me to neither negotiate, nor give into a criminal's demands, why are you doing it now?

DORIAN

A life is at stake.

PATRICK

Dr. Falco may be at stake sir, but we're a team and that includes you.

DORIAN

I appreciate the fact that you consider me apart of your group, but I am still your Captain, and the most superior officer in this room, and if I give you an order I expect you to follow it. Understood?

PATRICK

Yes sir.

ALEXANDRA

But sir, Patrick has a point. You may be our leader overall, but as officers of the S.P.D. we're all a team.

JULIE

So let us help you with this.

DORIAN

I have given the five of you an order, and I want it carried out now!

DEX

Maybe you're not the great cop I always thought you were. You once asked me if I was willing to risk it all, but it appears that you need to realize that sometimes risking it all requires help.

Dorian grabs onto Dex's shoulders, turns him around and slams him against the desk.

DORIAN

I gave you an order. Is that understood?

DEX

Yes sir.

DORIAN

Are you going to follow that order?

DEX

Yes sir.

Dorian lets go of Dex.

DORIAN

Now all of you move out!

The Rangers leave the command room and walk through the halls of H.Q.

DEX

What's gotten into him?

ALEXANDRA

This thing with Rustrax must be personal.

JULIE

What should we do?

JOHN

The only thing we really can do right  
now, follow his orders.

The Rangers continue to walk through the halls.

FADE OUT.

FADE IN:

INT. DORIAN'S QUARTERS - DAY

Dorian looks at a picture of his father that is on his nightstand.

DORIAN

Dad, I'm trying my best right now, but it seems like I'm not strong enough.

Dorian picks up the picture.

DORIAN

You always told me to keep my emotions in check in situations like these, but this time I can't seem to. This case is way too personal. I...I just wish you were here right now.

Dorian puts down the picture. He leaves his quarters and starts to walk through the halls of H.Q. He eventually comes across the tech room and enters. Scout is resting in his doghouse. Dorian looks over to the formula that is still simmering.

DORIAN

I'm sorry Anita for trying to rush you on that.

A beeping sound is heard. Dorian looks over at the computer terminal. The words "simmering complete" appear on the screen.

DORIAN

So it should be done now?

Dorian walks over to where the test tube is resting.

DORIAN

Should I?

Dorian picks up the tube with his right hand. He stares at it for a few seconds.

DORIAN

I'm sure if Anita were here right now she'd want me to try it out. But why is there this feeling of doubt? (pause) Probably because of all the times it didn't work.

Dorian starts to stare at the tube again.

DORIAN

But there's only one way to find out if  
it works or not.

Dorian looks over at a clock on the wall.

DORIAN

There's not much time until the  
detonator goes off. Well here goes  
nothing.

Dorian drinks the formula. Once entirely ingested he starts  
to feel great pain and drops the test tube on the floor.  
The tube shatters, and Dorian falls to his left. He starts  
to writhe in pain for a few seconds until his body stops.

FADE OUT.

FADE IN:

EXT. DOWNTOWN DIATECH CITY - DAY

The Patrol Megazord stands guard holding the Signal Blaster. It points the Blaster at the ground.

DEX

Okay I think if we finish this fast enough we could be able to help out Captain Kruger.

PATRICK

Sure.

JULIE

I'm with you.

JOHN

Agreed.

ALEXANDRA

Definitely.

The ground starts to shake as the main tower drills its way up through the ground.

JOHN

Here comes the main tower.

The robot comes up through the ground. Once up the robot walks over to the tower.

PATRICK

Fire!

The Megazord fires police tape at the robot from the Blaster. The tape wraps around the robot and the Megazord forces it to move away from the tower. The Megazord then stands in front of the tower as the robot stops moving while still wrapped in tape.

DEX

Let's do it!

The Megazord puts the Blaster away, and draws the Justice Sword.

JULIE

Okay, let's keep it away from the tower.

The Megazord walks over to the robot and slashes at it with the sword. The robot takes all of the slashes moving back ever so slightly with each hit. The robot eventually backs into a building.

ALEXANDRA

Good we've got him where we want him.  
So let's get him!

The Megazord draws the Blaster again with its right hand and holds the Mega Cuffs with its left hand. It aims the Blaster at the robot. The Megazord starts to walk over to the robot, but the robot releases a drill-like tentacle, which hits the Megazord knocking the Cuffs out of its hands. The tentacle goes back and is launched at the Megazord again. The robot then breaks free of the tape, and then gives the Megazord an uppercut with its right hand. The Megazord falls to the ground face down. The robot turns to the main tower and starts to walk over to it.

PATRICK

It's headed back to the main tower.

DEX

We don't have any time to just lie  
around.

The Megazord turns around and aims one of P-Zord 2's gyros flipped up at the robot.

JOHN

Take this!

The gyro fires numerous shots at the robot. The robot turns around and faces the Megazord as it gets back to its feet holding the Sword.

DEX

Okay let's finish this right here,  
right now!

The Megazord charges at the robot.

FADE OUT.

FADE IN:

INT. A ROOM IN THE ANUBIAN S.P.D. H.Q. - EVENING

Young Dorian lies on a bed unconscious. A few Anubian officers tend to him.

ANUBIAN OFFICER 1  
He fought with such ferocity.

ANUBIAN OFFICER 2  
Yes. I would say he might have made the underworld's grim tyrant shake after that fight today.

ANUBIAN OFFICER 3  
It was almost as if he was the guard dog of the underworld.

ANUBIAN OFFICER 1  
Agreed.

Commander FALCO walks in.

FALCO  
How is young Kruger?

ANUBIAN OFFICER 2  
He is fine, but unconscious.

ANUBIAN OFFICER 3  
He fought a spectacular battle today. However it appears that his helmet was damaged.

ANUBIAN OFFICER 2  
If you would not mind sir, we would like to repair with a few modifications.

FALCO  
Modifications?

ANUBIAN OFFICER 1  
Today he fought as if he were the guard dog of the underworld; we would like his new helmet to reflect this.

FALCO  
That is a very apt comparison. You may proceed. Is there anything else you would like to do?

ANUBIAN OFFICER 3

I also appears that his sword was partially damaged in the battle. We would like to bestow upon him an Anubian Sword, the highest honor of our planet.

FALCO

I do not see why this honor has anything to do with the S.P.D.

ANUBIAN OFFICER 3

We would like him to use the sword in battle, and we also want to etch S.P.D. insignia onto the handle.

FALCO

You may proceed with that too. While you are at it, I want you to make a couple of other changes.

ANUBIAN OFFICER 1

What are these changes sir?

FALCO

Not only did he fight like the guard dog of the underworld, he returned that criminal's tyranny one hundred fold. Add a stripe to his suit to reflect this.

ANUBIAN OFFICER 1

Yes sir. What is the other change you would like made?

Falco reaches into one of his pockets.

FALCO

Replace his current badge with this.

Falco pulls out a copper S.P.D. badge that has a triangular pattern above it, and hands it to the first Anubian officer. Falco looks over at young Dorian.

FALCO

Well Kruger, you will no longer be a sergeant. Your battle today is more than enough grounds for your new promotion.

DISSOLVE TO:

INT. THE TECH ROOM - DAY

Dorian continues to lie on the ground. After a few moments he wakes.

DORIAN

Oh my head.

Dorian starts to rub his temples a little. He then moves onto rubbing his eyes, and then moves his hands down to his nose.

DORIAN

Wait a minute. This feels like...

Dorian gets up, and searches for a mirror. He eventually finds one and when he looks into it he sees his normal human face.

DORIAN

I'm human again?

Dorian sets the mirror down.

DORIAN

Okay, don't get too excited. This might not last.

Dorian searches the tech room and finds a hand held DNA scanner. He scans himself, and goes over to the computer terminal. Dorian places the scanner port into the terminal. The screen brings up the data from the scanner.

DORIAN

Let's see all signs say that everything's normal. It also appears that the mutation has completely reversed itself. So I guess it's true, I'M HUMAN AGAIN!!!

Dorian rejoices, but the joy is short lived after he looks over at the clock.

DORIAN

Only an hour and a half left. I guess there's only one thing to do. Wait a minute; Rustrax is probably expecting me to be mutated. Well I suppose I'll just have to give him that, in a manner of speaking.

Dorian looks down at a ring-like holographic projector.

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

Rustrax stands waiting. He watches a clock that is ticking down fifty minutes.

RUSTRAX

It appears that Kruger doesn't value his friend. No matter, he still has fifty minutes before she goes sky high.

Dorian appears wearing the projector around his neck. The projector is making him look like he has been fully mutated into an Anubian. Rustrax notices Dorian's arrival. Dorian stands nine feet away from Rustrax.

RUSTRAX

So you've come and it appears that you've mutated even more.

DORIAN

The process sped up a little in the time that you gave me.

RUSTRAX

Excellent. I would say that it'd be a shame to defeat you so easily, but you really know how to push my buttons so it'll be a pleasure just to get rid of you.

DORIAN

Let's just get this over with.

RUSTRAX

For once we agree. You made me lose everything I once had.

DORIAN

Don't give me that. You destroyed millions to get all of that. Your kind has no place within the universe.

RUSTRAX

Such impudence Kruger, I'll return everything you gave me, and then some. I will watch you suffer, before giving you the final blow. Do you have anything to say before we do this?

DORIAN

I hate to break it to you, but this won't be as easy as you think.

Dorian takes off the projector and throws it to the ground. The hologram disappears.

RUSTRAX

WHAT?! You're human again?

DORIAN

You better believe it.

RUSTRAX

It doesn't really matter because if you really want to get to me, you'll have to defeat them!

A platoon of 100 Mechadroids appears. On a cliff DARKWING watches over this.

DARKWING

Even though he may be human again, he won't make it.

On the ground Dorian sizes up the Mechadroids.

DORIAN

It looks like it's about a hundred. How appropriate.

Dorian takes out his morpher.

DORIAN

Emergency, SPD!

Dorian morphs into the Captain Ranger.

DORIAN

Repaying evil one hundred fold. The guard dog of the underworld...Captain Ranger!

Dorian draws his Sword.

DORIAN

Anubian Sword, power up!

Dorian powers up the sword. He holds his sword.

DORIAN

There are some who consider me to be the best swordsman in the S.P.D. It's fitting that you'll have a taste of my power.

The Mechadroids start to charge at Dorian. Dorian, charges at the Mechadroids. Dorian starts out by slashing at numerous Mechadroids, which brings the total count down to 80. He then moves onto slash at even more Mechadroids bringing the count down to 65. Dorian tries to slash at more, but the Mechadroids block his Sword. The Mechadroids push against Dorian's sword, but Dorian manages to break free of the hold and slash at even more Mechadroids bringing the count down to 49. A Mechadroid charges at Dorian, but he kicks it and it goes down. Dorian kicks another Mechadroid and it goes down, and then starts to slash at the Mechadroids again. Dorian's slashes bring the count down to 43. Dorian gets upright again, and then starts to slash at even more Mechadroids, which brings the count down to 30. Dorian jumps up as the Mechadroids explode. When Dorian lands he charges at the remaining Mechadroids and the Mechadroids surround him. The Mechadroids attack and Dorian starts to slash at them until the count is brought down to 0. The Mechadroids slowly fall to the ground, and when they hit the ground they explode.

EXT. DOWNTOWN DIATECH CITY - DAY

The Patrol Megazord continues to fight the robot. The robot tries to punch the Megazord, but the Megazord blocks the attack with its Sword. The robot then starts to push the Megazord back.

JOHN

C'mon guys!

The Megazord starts to hold its own against the robot. The Megazord breaks free of the robot's grasp.

DEX

We're not going to lose!

The Megazord slashes at the robot with its sword, and the robot falls back a little. The robot then fires numerous projectiles at the Megazord.

DEX

We're not going to lose, because...

DEX, JOHN, AND PATRICK

We are, we are...

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE

The Power Rangers!

The Megazord starts to walk toward the robot while still getting hit with the projectiles.

ALL FIVE RANGERS

We won't let criminals do as they  
please!

EXT. THE QUARRY - DAY

Rustrax jumps at Dorian to attack. Dorian dodges the attack. Dorian tries to slash at Rustrax, but Rustrax knocks Dorian's sword, and hits Dorian. Dorian falls back a little. Rustrax tries to attack Dorian again, but Dorian dodges, and counters any attack that Rustrax gives him. Dorian holds his sword against Rustrax. Rustrax eventually breaks free of the hold. Rustrax tries to attack Dorian, but the attack is no good. Dorian then slashes at Rustrax twice. Rustrax falls back. When Rustrax tries to come at Dorian again, Dorian holds the end of his sword in Rustrax's face.

DORIAN

Rustrax, you better enjoy what you've  
got now, because this time I will  
delete you permanently.

RUSTRAX

Then I suppose you're not interested in  
saving your friend.

Rustrax presses a button on a control device. A large hole opens up on the semi truck that Anita is being kept in. Anita looks out through the hole. Dorian turns his attention to the truck.

DORIAN

Anita!

Rustrax sees the opportunity Dorian has left him, and attacks Dorian with his left hand. Dorian falls down. Anita sees this.

ANITA

Dorian!

Dorian rolls on the ground and then gets back to his feet. Rustrax comes up behind Dorian and starts slashing at him. Dorian counters, but Rustrax overpowers him a little. Dorian holds onto his right shoulder with his left hand. Anita watches.

RUSTRAX

You're running out of time Kruger.

Rustrax attacks Dorian, eventually gets behind him, and grabs onto him.

RUSTRAX

You're ignoring your friend. How cold of you Kruger.

Dorian breaks free of Rustrax's grasp. Rustrax slashes at Dorian a couple of times, which causes Dorian to fall down. Rustrax comes a little closer to Dorian. Dorian tries to get to his feet.

RUSTRAX

There isn't a thing you can do now. Now feel the bitter taste of my revenge.

Rustrax launches missiles from the tubes on his back. When the missiles hit the ground they cause Dorian to fall to a lower level. Darkwing watches.

DARKWING

Goodbye Kruger.

Darkwing turns his back and walks away. Rustrax comes at Dorian again. He tries to attack Dorian, but Dorian dodges every attack. Anita watches Dorian fight Rustrax through the hole. She looks down and sees that the detonator's time is almost up.

ANITA

Dorian, hurry!

Rustrax has managed to get Dorian on the ground. He steps on Dorian, and holds his foot there.

RUSTRAX

Do you even want to save her, because if you wanted to, you would have done it by now!

Rustrax slams his foot on Dorian again.

EXT. DOWNTOWN DIATECH CITY - DAY

The Megazord continues to face the robot, and take its shots.

EXT. THE QUARRY - DAY

Rustrax kicks Dorian into some concrete tubing.

RUSTRAX

It surprises me that your Rangers  
haven't shown up yet.

Rustrax charges at Dorian, just as Dorian gets back to his feet. Rustrax slams Dorian against one of the tubes.

RUSTRAX

Face it Kruger, you're helpless now.

Rustrax throws Dorian. Dorian lands on the ground. Rustrax then starts to laugh a little.

RUSTRAX

This can't be all that you are now. Get  
back up and fight!

DORIAN

As you wish Rustrax.

RUSTRAX

What?

Dorian gets back to his feet.

DORIAN

If you want to see me fight like I used  
to, then I'll just have to give you  
that.

RUSTRAX

That's a laugh.

DORIAN

Fine. Then just defeat me with one  
shot. You can do that, can't you?

RUSTRAX

If that's what you want, that's just  
what I'll have to give you.

Dorian holds up his sword. Rustrax converts his left hand into a blaster. Rustrax aims at Dorian.

EXT. DOWNTOWN DIATECH CITY - DAY

The Megazord props itself up with its Sword.

DEX

We can't lose!

Dex, John, Patrick, Alexandra, and Julie let out a great groan.

EXT. THE QUARRY - DAY

Dorian starts to charge at Rustrax while holding his Sword in his left hand.

DORIAN  
Anita, hold still!

Anita hears this and does not move. As Dorian continues toward Rustrax, Rustrax fires a single laser from his blaster arm. The laser slowly makes its way toward Dorian, but before it can hit Dorian, Dorian stops it, and holds his Sword against the laser blast to stop it in its path. Dorian then flings the laser at the truck, and the laser hits the detonator that is around Anita. The detonator falls off, and stops its timer. Rustrax sees this.

RUSTRAX  
What?! Curse you Kruger!

EXT. DOWNTOWN DIATECH CITY - DAY

The Megazord slashes at the robot. The robot falls back a little, and starts the drill on its head. The robot moves toward the Megazord. The Megazord puts both its hands on its sword and aims the sword at the robot's drill. The drill breaks as it hits the Sword. The robot falls back.

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE  
It's over!

The Megazord launches a high-powered slash at the robot. The slash hits the robot and it falls down and explodes.

EXT. THE QUARRY - DAY

Dorian runs away from an explosion Rustrax caused. He charges at Rustrax and starts to slash at him with much ferocity. Every attack Rustrax tries, is no good as Dorian continues to hit Rustrax.

DORIAN  
This is for turning me into that thing.

Dorian slashes Rustrax again.

DORIAN  
This is for what you did to my father.

Dorian slashes at Rustrax again.

DORIAN  
This is for capturing Anita.

Dorian gives Rustrax a vertical slash.

DORIAN

And this is because you anger me.

RUSTRAX

Why you!

Rustrax charges at Dorian, but Dorian slashes at Rustrax. Rustrax falls to the ground. The other Rangers come into the quarry.

DORIAN

My Rangers are here.

JOHN

Captain?

DEX

But how?

PATRICK

It can't be.

ALEXANDRA

Maybe it is.

Dorian pulls out his morpher. Rustrax gets back up. Dorian holds out his morpher.

DORIAN

Rustrax, for the destruction of numerous planets, your tyranny on Anubis, destroying a Diatech City police officer's life, and robbing an S.P.D. officer of his humanity,  
JUDGMENT!

Dorian opens his morpher to judge mode. The one-minute judgment cycle works its way to an "X" verdict.

DORIAN

Delete approved. Anubian Sword...

Dorian holds his Sword up vertically, and waves it around clockwise (from his perspective) in a circular motion, and brings it back. Dorian starts to slide toward Rustrax. When he approaches Rustrax he slashes at him.

DORIAN

FULL POWER!

Rustrax takes the attack and falls down and explodes. Anita watches from the truck. The flames of the explosion clear as Dorian puts his sword away. The other Rangers come up behind Dorian.

DORIAN

And with that, this case is now complete. I've finally done what I set out to do all those years ago.

DEX

Amazing.

JULIE

It sure was.

Alexandra nods.

JOHN

Spectacular.

PATRICK

Wait a minute, where's Dr. Falco?

Dex, John, Patrick, Alexandra, and Julie start to look around, until they see Dorian, carrying Anita in his arms.

DORIAN

You okay?

ANITA

Just fine. I see that new formula did the trick.

DORIAN

I just want to apolo-

ANITA

Dorian, what you just did for me is enough of an apology.

FADE OUT.

FADE IN:

INT. DORIAN'S QUARTERS - DAY

Dorian looks at the picture of his father.

DORIAN  
Well dad, I finally did it, after all  
these years he's finally gone, and I  
think you can be at peace.

A knocking is heard at the door.

DORIAN  
It's open.

An officer comes in carrying a large manila envelope.

OFFICER  
Captain Kruger, I have the results of  
your brother's test.

The officer hands the envelope to Dorian. Dorian opens it.

DORIAN  
Excellent. You're dismissed.

The officer salutes Dorian and leaves. Dorian takes out his  
morpher and opens it to phone mode.

DORIAN  
Dex, I want to see you in the main  
lounge in fifteen minutes.

Dorian ends the call. He then dials another number.

DORIAN  
Patrick did you get everything?

PATRICK OVER THE COMMUNICATOR  
Yes Captain.

DORIAN  
Good, I think you and the others know  
what to do now.

INT. THE MAIN LOUNGE - DAY

Dex stands around as the only person in the lounge. Dorian  
walks in carrying the envelope. He walks over to Dex. Dex  
salutes.

DORIAN

At ease.

DEX

What did you want to see me about?

Dorian holds up the envelope.

DORIAN

In this envelope are your test results.

DEX

And?

DORIAN

I have only one thing to say about them.

DEX

What?

DORIAN

Welcome aboard, Sergeant Kruger.

John, and Anita walk into the lounge. Alexandra and Julie wheel in a cart with a punch bowl and a cake that says "Congratulations Dex". Patrick walks in carrying a white box. Everyone takes a glass of punch.

DORIAN

I would just like to propose a toast to our new sergeant.

DEX

No, no, to our new six Ranger team.

DORIAN

While we may now be six Rangers strong, don't rely on the Captain Ranger too much.

Alexandra looks over at the box Patrick is holding.

ALEXANDRA

What is that?

PATRICK

I figure we might as well eat this one too.

Patrick opens the box and it is another cake that reads "Better Luck Next Time".
