"POWER RANGERS SPACE POLICE DEPARTMENT: EPISODE 22 - V FOR VIGILANTE"

FADE IN:

EXT. A QUARRY - DAY

MR. XIANG stands around with two Spikedroids standing beside him. A black SUV drives into the quarry, and parks near Mr. Xiang. A man dressed in a black suit steps out of the SUV holding a briefcase in his right hand. The man walks up to Mr. Xiang.

MR. XIANG

You're late.

MAN

Xiang please, I'm sure someone of your stature will appreciate waiting for goods as fine as what I have. Now there is one formality.

Mr. Xiang pulls out a couple wads of cash and hands them to the man. In exchange the man hands Mr. Xiang the briefcase. Mr. Xiang opens up the briefcase and a medium-sized red jar is contained within it.

MR. XIANG

At last, I finally have the Demon's Spice.

MAN

I'm sure you're usual clientele will eat everything you cook with it right up.

MR. XIANG

Darkwing was right when he said I could trust you.

MAN

Then what's with the goons?

MR. XIANG

Just some added security should you try to double-cross me. But then again, even I don't trust Darkwing.

MAN

I see. Either way it was nice doing business with you, and should you need more of that you have my cell number.

The man gets back into the SUV and drives off. Mr. Xiang starts to walk off and the Spikedroids follow him.

VOICE

You're going to pay for what you're about to do to your customers Xiang.

MR. XIANG

Who said that?

VOICE

Behind you.

Mr. Xiang turns around, and V is standing on an upper ledge. V jumps down to Mr. Xiang's level.

MR. XIANG

Aren't you the one that the papers have been calling some kind of vigilante?

V

I am no vigilante. I merely clean up whatever messes that may slip through the SPD's hands. As for you, it is time that you meet justice.

V draws his sword. He charges at the Spikedroids and quickly destroys them.

MR. XIANG

Hey, hey, hey! What's with the sword?

Mr. Xiang starts to run away. V follows him.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

JOHN, and ALEXANDRA sit at the center console doing some work. DEX, and PATRICK walk in.

DEX
Where is everybody?

JOHN
Well, Rick's still on that stake out of the gold depository.

PATRICK
What about Julie?

ALEXANDRA
She probably won't be back until after she gets back from her family reunion tonight. But even then it depends on when her flight's getting in.

DEX
And Dorian?

ALEXANDRA
He's...somewhere.

DORIAN walks in reading the latest edition of the Diotech City News. The article he is reading is clearly not pleasing him.

JOHN
What's wrong Captain?

DORIAN
See for yourself.

Dorian folds up the paper and partially throws it onto the center console. The headline reads "V BRINGS IN ANOTHER CRIMINAL".

DEX
Who's this V?

DORIAN
Some self-appointed nut job that thinks he's doing us a favor, by trying to bring in some of the small time criminals that we haven't really been paying attention to.

PATRICK

And you're not happy that a vigilante is running around.

DORIAN

Exactly.

DEX

Maybe we should just let him do everything. It'll help us out in the long run.

DORIAN

I'm not going to have vigilantism in my town. Besides it's illegal to take the law into your own hands. And this guy's also been put on the wanted list. So if you see him arrest him.

JOHN

Don't worry Captain, we will.

The alarm goes off. John and Alexandra stand up, and everyone faces the screen behind Dorian's desk. The screen is displaying Mr. Xiang being chased by V on a beach.

DORIAN

Looks like we'll be able to bring in two criminals at once.

ALEXANDRA

I've heard of that guy who's being chased. He's only known as "Mr. Xiang", and he's wanted for selling tainted food, as well as numerous extortion charges.

DORIAN

Well what are the four of you waiting for? Get going!

DEX, JOHN, PATRICK, AND ALEXANDRA

Roger!

Dex, John, Patrick, and Alexandra leave the command room.

FADE OUT.

FADE IN:

EXT. A BEACH - DAY

V corners Mr. Xiang near the edge of a cliff.

V

Now it is time for you to meet justice.

MR. XIANG

You're not going to do anything crazy, are you? After all you don't have the authority to delete me.

V

Who said that I was going to delete you?

Dex, John, Patrick, and Alexandra run up to the area.

JOHN

S.P.D. freeze!

V turns around to see Dex, John, Patrick, and Alexandra.

V

Good the S.P.D. is here. I will let them deal with you.

PATRICK

You're not going anywhere V.

V

V?

DEX

For vigilante.

V

I am no vigilante.

ALEXANDRA

You're taking the law into your own hands, that's the definition of a vigilante.

V

I am merely trying to help, and I have done so by exposing this dangerous criminal.

PATRICK

I thought you only handled the smaller stuff we don't normally get to.

V

That was a tiresome and thankless job. So I decided to move up. Now if you don't mind.

JOHN

Hold it!

Dex, John, Patrick, and Alexandra try to run at V, but he disappears. They then turn to Mr. Xiang.

DEX

Well, we might as well take him in while he's here.

JOHN

Agreed.

Dex, John, Patrick, and Alexandra all take out their morphers.

DEX, JOHN, PATRICK, AND ALEXANDRA
Emergency, SPD!

Dex, John, Patrick, and Alexandra all morph. Mr. Xiang sees what is in front of him.

MR. XIANG

There's no way I'm going to be brought in.

Mr. Xiang pokes himself with both of his thumbs. This causes some green energy bolts to go over his body. A green light flashes in his eyes for a second, and Mr. Xiang's body becomes a little rubbery and he bounces from the beach, and turns into a ball of green energy. The ball lands in downtown Diotech City, where Mr. Xiang takes on a gigantic size.

INT. THE COMMAND ROOM - DAY

Dorian watches Mr. Xiang grow to gigantic size on the screen behind his desk. ANITA rushes in.

ANITA

Dorian, you'll be happy to know that I've taken the liberty of slightly reprogramming P-Zord 5 for your own use.

DORIAN

Good. I was hoping you'd do that just in case something like this happened before Julie got back.

Dorian takes out his morpher.

DORIAN

Emergency, SPD!

Dorian morphs. He then goes over to the jump tubes and jumps in.

EXT. THE BEACH - DAY

Dex, John, Patrick, and Alexandra see what's happened.

ALEXANDRA

Oh great.

Alexandra takes out her morpher and opens it to phone mode.

ALEXANDRA

We need the Zords.

The Patrol Zords make their way toward the Rangers.

DEX

What are we going to do without Julie?

PATRICK

Yeah, we need five people to pilot the Megazord.

DORIAN THROUGH THE COMMUNICATOR

Don't worry about it.

Dex, John, Patrick, and Alexandra look up at P-Zord 5. Dorian pilots P-Zord 5 from within.

DORIAN

Just get into your Zords.

JOHN

But how?

DORIAN

Dr. Falco reprogrammed P-Zord 5 for my use while Julie's away. Now let's finish this guy!

On the beach Dex, John, Patrick, and Alexandra all jump up and into their respective Zords.

DORIAN, DEX, JOHN, PATRICK, AND
ALEXANDRA
Megazord formation!

The Patrol Zords combine.

DORIAN, DEX, JOHN, PATRICK, AND
ALEXANDRA
Patrol Megazord, online!

The Patrol Megazord aims the Signal Blaster at Mr. Xiang.

ALEXANDRA
Let's make a little splash.

The Patrol Megazord fires a jet of water from the Signal Blaster at Mr. Xiang. The jet causes Mr. Xiang to fall down. Inside of P-Zord 4 Alexandra takes out her morpher.

ALEXANDRA
Mr. Xiang for selling tainted food as well as numerous charges for extortion, and needless destruction...JUDGMENT!

Alexandra opens her morpher to judge mode. The one-minute judgment cycle works its way to an "X" verdict.

DORIAN, DEX, JOHN, PATRICK, AND
ALEXANDRA
Delete approved.

Five!
DORIAN

Four!
ALEXANDRA

Three!
PATRICK

Two!
JOHN

One!
DEX

DORIAN, DEX, JOHN, PATRICK, AND
ALEXANDRA
FIRE!

The Patrol Megazord fires numerous shots at Mr. Xiang. Mr. Xiang takes the shots, and falls down and explodes.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - EVENING

Dorian, Dex, John, Patrick, and Alexandra (now all unmorphed) enter the room. RICK is leaning against the center console.

DORIAN

I take it the stake out was a failure.

RICK

All I was able to find was the guard, and that's about it. But it might be a good idea to keep staking it out just in case.

DORIAN

I was thinking the same thing. I'm sure that Goldstinger guy Commander Falco mentioned may make an appearance. If his rap sheet is any indication it'll be inevitable.

JULIE (dressed in civilian clothes) walks into the room.

JULIE

Hey everyone.

DORIAN

Good to have you back Julie.

ALEXANDRA

So how was the family reunion?

JULIE

All right, and I also found out something interesting about my family history.

DEX

What?

JULIE

Apparently I'm descended from a famous samurai.

ALEXANDRA

Really?

JULIE

Well it's a very distant relation, but still it's something.

PATRICK

Wait a minute.

DORIAN

What's wrong Patrick?

PATRICK

I just realized that V looks like a samurai.

Patrick goes over to one of the side computer terminals, and starts to punch in some information.

JULIE

Who's V?

DORIAN

A vigilante. That's all you need to know.

Information pops up on the screen in front of Patrick.

PATRICK

There!

JOHN

What'd you find out?

PATRICK

Well for starters our friend V is from the planet Warrex, and the Warriars are a race of samurai-like aliens. Also there are two registered Warriars on Earth, in the database.

DEX

Does it say what V's real name is?

PATRICK

No it doesn't. It just lists that there are two Warriars.

The alarm goes off.

DORIAN

Well, the six of you know what to do.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
AND RICK

Roger!

FADE OUT.

FADE IN:

EXT. THE DIATECH CITY GOLD DEPOSITORY - NIGHT

V makes his way up to the guard.

V

Where is Goldstinger?

GUARD

I don't know who you're talking about.

V

Then you are helping him with his plot.

V draws his sword. He slowly brings it toward the guard. Sirens can be heard in the distance as Night Beat, Night Chaser, and the Squad and Ops Cycles drive up to the depository. Dex, Patrick, Alexandra, and Julie (now in her uniform) get out of the cars, and John and Rick get off of their cycles. The six of them run up to V.

JOHN

Hold it right there, V!

DEX

You're not going to harm that guard.

V

This man is aiding a known thief by the name of Goldstinger.

RICK

We know about Goldstinger, but how is the guard helping him?

V

He refuses to give me his whereabouts.

ALEXANDRA

Did you ever think that maybe he doesn't know where Goldstinger is?

V

It does not matter.

PATRICK

Okay, this has gone on long enough. You're under arrest.

V

For what, I have only tried to assist the law.

JULIE

But it's illegal to take the law into
your own hands.

V

If that is the way you want it, then so
be it.

V charges at the Rangers. Dex, John, Patrick, Alexandra,
and Julie take out their morphers. Rick gets into position
with his.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
RICK

Emergency!

All six Rangers morph in a flash of light. John, Patrick,
Alexandra, and Julie draw their D-Batons. Dex draws both of
his Magnum Blasters, and fires a few shots at V. V however,
uses his sword to swat the shots. John thrusts his D-Baton
at V, but V manages to get a quick slash in on John. V then
goes onto slash Patrick, but Patrick manages to block the
attack for a second until V finally breaks the hold and
gives Patrick a quick slash. V then sets his sights on
Rick. Rick pulls out the throttle on his morpher out, and
revs it until the meter is full.

RICK

Flame Throw!

Rick extends his left hand and a burst of fire comes out of
his left hand, but V manages to dodge the attack. Alexandra
comes in with her D-Baton, but V gives her a quick slash,
which knocks her to the ground. Dex, John, Patrick, and
Rick all move in on V, but he manages to give them all a
hard slash with one swipe. Dex, John, Patrick, and Rick all
fall to the ground. V then turns to Julie.

V

And now for you.

JULIE

You may look like a samurai, but
there's no honor in what you're doing.

V

There is plenty of honor, in what I am
doing. (partial murmur) Remember,
remember, the twenty-fourth of
September.

V continues to murmur "remember, remember, the twenty-fourth of September" while he and Julie charge at each other. Once they both get near each other they exchange blows with their weapons, and seem fairly evenly matched.

V

You are pretty good with that weapon for a little girl.

JULIE

Well I've had plenty of fencing experience.

Julie and V continue to exchange blows with their weapons. Eventually V leaves a partial opening on him, and Julie quickly strikes. V falls back a little.

V

You have won this round Pink Ranger.

V quickly runs off. Julie powers down quickly.

JULIE

Wait!

Julie starts to chase after V. Dex, John, Patrick, Alexandra, and Rick get back to their feet and power down.

DEX

Where's Julie going?

PATRICK

No idea, but what was with that "remember, remember, the twenty-fourth of September" thing?

JOHN

Let's head back to H.Q. and see what Captain Kruger has to say.

Dex, and Alexandra get into Night Chaser. Patrick gets into Night Beat. Both cars drive off. John, and Rick get onto their Cycles and ride off.

FADE OUT.

FADE IN:

EXT. A PARK - NIGHT

V stops running and finds a bench. Julie (now unmorphed) soon follows him, and walks up to him.

V

Are you here to arrest me?

JULIE

I just want to talk.

V

About what?

JULIE

I don't know what it's like on your planet, but on Earth samurai are honorable warriors with the greater good of the people in mind.

V

It is the same on mine.

JULIE

But you can't just go around and bother people like you did. There's something about what you did with that guard that almost seems like a mockery of justice.

V

A mockery of justice? If you knew what I have been through you tell me what you would have done.

INT. THE COMMAND ROOM - NIGHT

Patrick (unmorphed) sits in front of a computer terminal. A news article is displayed in front of him. Alexandra (now unmorphed) comes up behind him.

ALEXANDRA

What'd you find?

PATRICK

It appears that our friend V has been through some heartache.

ALEXANDRA

What kind of heartache?

PATRICK

You know how I said that there were two registered Warriars on Earth?

ALEXANDRA

Yeah.

PATRICK

Well it appears that we need to update the database a little. There's only one.

ALEXANDRA

What happened to the other one?

PATRICK

Well it appears that the other Warrior was V's wife, and she was lost at the hands of some vicious criminals who we eventually deleted.

ALEXANDRA

So his vigilantism stems from that?

PATRICK

Pretty much. Besides that kind of thing would make anyone, not just a billionaire, want to do what V's doing.

ALEXANDRA

What about what V was saying about the twenty-fourth of September?

PATRICK

That's when V lost his wife.

EXT. A PARK - NIGHT

Julie still stands in front of V, who is still on the bench.

JULIE

I see, but you should have called the S.P.D. about all of this.

V

The S.P.D. was not fast enough to respond to my cry for help. However unlike vigilantes I am trying to help the S.P.D. not do its job.

JULIE

But by definition you're a vigilante. I don't want to do this but...

Julie takes out her morpher and puts the mode selector on "judge".

JULIE
For vigilantism-

V
How about I make you a deal?

JULIE
What kind of a deal?

V
I noticed that you are fairly good with a sword, if you can best me in combat, I will allow you to judge me.

JULIE
And what about the outcome?

V
I will take whatever punishment I deserve as mandated by the Galactic High Court. Are we in agreement?

JULIE
Fine.

V
Good. I will see you on the battlefield.

V gets up and leaves. Julie's morpher rings, and she opens it in phone mode.

DORIAN THROUGH THE COMMUNICATOR
Julie, where are you?

JULIE
I followed V after he was done at the depository, and we had a little talk.

DORIAN THROUGH THE COMMUNICATOR
You didn't arrest him?

JULIE
I was about to judge him, but he gave me an ultimatum. I'll explain when I get back to H.Q.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - NIGHT

Dorian sits at his desk as Julie stands before it.

DORIAN

About this ultimatum that V gave you.

JULIE

He said that if I can beat him combat he'd let me judge him. He also said he'd take any punishment that the Galactic High Court gave him.

DORIAN

I see.

JULIE

So what do you want to do about this?

DORIAN

There's probably only one thing you can do.

JULIE

Are you actually saying that I should do it?

DORIAN

Julie we need to get V off of the streets before his sense of justice turns into something more dangerous. We've all ready seen that happening tonight with the guard at the gold depository. And there's no telling how long it'll be before he decides to start deleting people on his own. I don't think I need to tell you what *that* is.

JULIE

No sir. But when are we going to do this?

DORIAN

We'll just have to wait and see. The six of you will be checking out the gold depository again tomorrow, and there's something telling me that he'll be around for that.

JULIE

And if he's there?

DORIAN

Then I think you know what you have to do.

JULIE

But what if he gets an "X" verdict?

DORIAN

You've had no problems deleting criminals in the past, what's with the change of mind?

JULIE

I don't know, I think it's just that he actually seemed a little sincere with what he said. Not to mention what he told me.

DORIAN

Julie, you forget that sometimes as an officer you have to make difficult decisions that you may not necessarily want to do, especially if those decisions stemmed from orders. But believe me when I say that there have been plenty of times in the past where I didn't want to carry out the orders that were given to me.

JULIE

I know sir.

DORIAN

Just relax for the rest of the night, and maybe you might feel a little better about this in the morning.

FADE OUT.

FADE IN:

INT. THE DIATECH CITY GOLD DEPOSITORY - DAY

There is a hole in the wall with a gigantic drill sticking out of it as numerous Mechadroids push wheelbarrows full of gold bricks. The depository guard is tied up against one of the building support beams. GOLDSTINGER walks up to the area.

GOLDSTINGER

Excellent. Everything's falling into place.

DEPOSITORY GUARD

You won't get away with this.

GOLDSTINGER

Please I'm well prepared for anything the SPD might throw my way.

DEPOSITORY GUARD

What about that vigilante that's been running around?

GOLDSTINGER

That nut job won't be going far with me. Face it, the gold will be mine, and the depository will be empty.

VOICE

Not going to happen.

Goldstinger turns around to see Rick (morphed).

GOLDSTINGER

Where are the other idiots?

RICK

I've been on stakeout with this place.

GOLDSTINGER

Well all of your work will be for not.

RICK

Let's just see about that.

Rick jumps up and does a front flip in the air. Goldstinger snaps his fingers and several orange colored blasts come seemingly from out of nowhere. The blasts hit Rick and he falls to the ground hard and powers down. Three Spikedroids step out of the shadows.

GOLDSTINGER

Looks like we've got ourselves another
hostage. I think you know what to do.

The Spikedroids nod, walk over to Rick, and pick him up.

EXT. THE GOLD DEPOSITORY - DAY

Night Beat, Night Chaser, and the Squad Cycle drive up to the area and park. John gets off of the Cycle, and Dex, Patrick, Alexandra, and Julie get out of the cars. John takes out his morpher and opens it to phone mode.

JOHN

Rick, come in.

No answer.

JOHN

Rick, come in.

Again there is no answer.

JOHN

Rick, come in.

PATRICK

Looks like he's not answering.

ALEXANDRA

Something must've happened to him.

DEX

We might as well go in and see what's
up.

Dex, John, Patrick, and Alexandra start to run toward the depository. Julie pauses for a moment as she sees V in the distance. Alexandra turns around.

ALEXANDRA

Julie, c'mon.

JULIE

I'm coming.

Julie runs toward the others. V watches Julie as she makes her way to the depository.

INT. THE DEPOSITORY - DAY

The Mechadroids continue to haul the gold. The Spikedroids oversee the guard who is still tied up, and the newly tied up Rick.

GOLDSTINGER
Excellent, almost finished.

Dex, John, Patrick, Alexandra, and Julie appear.

JOHN
Hold it right there!

GOLDSTINGER
Why do you Rangers always manage to show up right when us criminals are about to succeed?

PATRICK
What can we say? It's what we do.

GOLDSTINGER
Get them!

The Mechadroids stop pushing the wheelbarrows, and start to run toward Dex, John, Patrick, Alexandra, and Julie. Dex, John, Patrick, Alexandra, and Julie take out their morphers.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE
Emergency, SPD!

Dex, John, Patrick, Alexandra, and Julie all morph. Dex draws his Magnum Blasters walks toward the Mechadroids, and starts firing at them. The Mechadroids take the hits and fall down.

DEX
You might as well give up now
Goldstinger you won't get away.

A couple Mechadroids come toward Dex, but he hits one with one of his Blasters, and kicks it. He then fires a few shots at them. Another Mechadroid comes up behind him, but he quickly turns around and fires at it. In his own area John draws his D-Baton, as Mechadroids surround him. The Mechadroids charge at him and he slashes at them with his Baton. John kicks a Mechadroid and a few more surround him.

JOHN
You've been wanted of other crimes like this, Goldstinger. You're finally going down.

The Mechadroids charge and he quickly slashes at them taking them out. In his own area Patrick draws his D-Baton as Mechadroids surround him. A couple Mechadroids try to charge, but Patrick slashes at them, and takes out the Mechadroids behind him. More Mechadroids surround him.

PATRICK

Not a bad plan to drill your way into here, but you'll be arrested soon anyway so it doesn't matter.

Patrick takes out the other Mechadroids. In her own area Mechadroids surround Alexandra as she draws her D-Baton. A few Mechadroids charge, but she slashes at them. A few more Mechadroids surround her.

ALEXANDRA

Why is it that you criminals always have to use these guys?

The Mechadroids try to strike, but Alexandra quickly slashes at them and takes them out. In her own area Julie draws her D-Baton as Mechadroids surround her. Julie uses her D-Baton as a fencing foil to strike the Mechadroids and take them out.

JULIE

As soon as we're done with you I can move onto something that's a little more important.

Julie strikes the remaining Mechadroids. They take the hits and fall to the ground defeated. Dex, John, Patrick, Alexandra, and Julie regroup and confront Goldstinger. Julie quickly goes over to the guard, unties him, and goes back to the others.

DEX

Now for you.

Alexandra looks around.

ALEXANDRA

Wasn't Rick here a minute ago?

GOLDSTINGER

Blast! That Special Ops guy must've escaped.

JULIE

Either way you're going down.

Dex, John, Patrick, Alexandra, and Julie all charge at Goldstinger. Dex strikes him a few times with his Blasters. John, and Patrick give him simultaneous strikes with their D-Batons. Alexandra and Julie take out their Knuckle Grips and combine them with their D-Batons, and fire a few lasers at Goldstinger. Goldstinger falls back a little.

GOLDSTINGER

You won't get away with this.

Goldstinger takes out a control device and presses the button on it. The drill that was in the wall starts to spin and Goldstinger takes off. Dex, John, Patrick, Alexandra, and Julie try to run after him, but some of the ceiling falls in front of them.

JULIE

This way!

EXT. THE GOLD DEPOSITORY - DAY

Goldstinger's robot rises from the ground as Dex, John, Patrick, Alexandra, and Julie make it out of the depository with the guard. Sirens can be heard as the Mars Cyclezord makes its way toward the robot. The robot turns to the Cyclezord's direction and the Cyclezord raises its front wheel and strikes the robot as it nears the robot. The robot falls to the ground. Julie takes out her morpher in phone mode.

JULIE

Rick, what's going on?

RICK

Nothing much I was just able to free myself from the rope Goldstinger used to tie me, and take out the orange guys. Anyway let's get him! Cyclezord transform!

The Cyclezord transforms.

RICK

Mars Racer Megazord, online! Arm Blades!

The Arm Blades extend from the Mars Racer Megazord's arms. The robot gets back to its feet and faces the Mars Racer Megazord.

GOLDSTINGER

Take this!

The drill on the robot's head starts to spin, and the robot charges at the Mars Racer Megazord, and the Mars Racer Megazord does the same with the robot, and slashes at it a couple of times. On the ground Julie takes out her morpher and opens it to phone mode.

JULIE

Dr. Falco we need the Zords.

EXT. S.P.D. H.Q. - DAY

The side of the building opens up and the Patrol Zords drive out of it. Dex, John, Patrick, Alexandra, and Julie quickly get into their respective Zords.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE

Megazord formation!

The Patrol Zords combine.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE

Patrol Megazord, online!

The robot fires a blast at the Mars Racer Megazord. The Mars Racer Megazord takes the hit and falls back a little. The Patrol Megazord steps in front of the Mars Racer Megazord and faces the robot.

GOLDSTINGER

I'm not going to let you guys ruin my chance of becoming the richest person in the galaxy.

The robot charges at the two Megazords. The Patrol Megazord draws the Justice Sword and charges at the robot. The Mars Racer Megazord follows the Patrol Megazord. Both Megazord try to attack the robot, but the robot blocks the attacks and quickly hits the Patrol Megazord. The Mars Racer Megazord tries to slash at the robot, but it dodges the attack. Both Megazords strike the robot, and it falls back. The robot fires a blast that hits the ground and causes an explosion. The Patrol Megazord jumps up with its Sword drawn back. The Patrol Megazord unleashes a high-powered slash on the robot. The robot takes the hit, and its head drill gets cut off. The Patrol Megazord extends its left arm with P-Zord 5's screen flipped up. Inside of P-Zord 5 Julie takes out her morpher.

JULIE

Goldstinger, for numerous robberies in gold depositories and banks through out the galaxy, holding people hostage, including an S.P.D. officer, as well as creating unnecessary wanton destruction...JUDGMENT!

Julie opens her morpher to judge mode. The one-minute judgment cycle works its way to an "X" verdict.

JULIE AND RICK

Delete approved.

RICK

Visor down!

The Mars Racer Megazord's visor flips down and its legs combine. The Mars Racer Megazord gets onto its front side and drives toward the robot. After a while the Mars Racer Megazord jumps up and starts to spin.

RICK

Cyclone Slash!

The Mars Racer Megazord performs the Cyclone Slash attack on the robot. The robot takes the attack and falls down and explodes, taking Goldstinger with it.

FADE OUT.

FADE IN:

EXT. THE GOLD DEPOSITORY - DAY

Dex, John, Patrick, Alexandra, Julie, and Rick (all still morphed) walk toward their vehicles.

JULIE

Now for V.

Julie sees V across the street. Julie starts to walk toward him, but Dorian (morphed) comes in quickly and stops her.

JULIE

Captain.

Dorian draws his Sword and hands it to Julie.

DORIAN

Take my sword and show V what a true samurai is like.

Julie takes out her D-Baton and places the Anubian Sword in the holster instead. She then quickly runs over to V.

JULIE

This ends right now V.

V

Very well.

V and Julie draw their swords. Julie powers up the Anubian Sword and prepares for V to strike. V charges at Julie, and tries to slash at her, but she blocks the attack with her sword. Julie and V go on to clash swords against each other's.

V

You are better than I had anticipated.

JULIE

This isn't even my sword.

V brings his sword up and tries to do a vertical slash on Julie, but Julie blocks the attack with her sword, pushes V's sword back and quickly slashes at him. Julie goes on to slash a V a few times. V falls back.

V

For not having your own sword you certainly know how to use someone else's.

V charges at Julie again, and tries to strike her, but she blocks his attack with her sword. Once again Julie pushes V back and slashes at him a few times. However, this time he falls down as well.

JULIE

This ends now V.

Julie takes out her morpher, and holds it out.

JULIE

For threatening civilians, and taking
the law into your own hands...JUDGMENT!

Julie opens her morpher to judge mode. The one-minute judgment cycle works its way to an "0" verdict.

JULIE

Thank goodness.

V

What is going on?

JULIE

V, you're under arrest.

V

Very well, you bested me in combat, and
as such I will live up to my end of our
bargain and go peacefully.

Julie puts her morpher away and takes out the handcuffs from her belt buckle. She walks over to V and places them on his wrists.

FADE OUT.

FADE IN:

INT. A LOUNGE WITHIN S.P.D. H.Q. - DAY

Julie (now unmorphed) sits on a couch watching TV. Dorian (also unmorphed) walks into the lounge and up to Julie.

DORIAN

So how are you making out?

JULIE

Fine I guess.

DORIAN

Julie, I know you didn't want to arrest him, but he did break the law. Besides it could've been worse.

JULIE

How could it have been worse?

DORIAN

An "X" verdict could've been registered.

JULIE

I didn't think of it that way.

DORIAN

But if it'll cheer you up, I just got word from the people who were processing V, and he mentioned that he now sees the error of his ways. He also said that he'd like to thank the officer who arrested him for helping him see that. You've made a difference in his life Julie.

JULIE

What's his sentence?

DORIAN

He's just going to spend a few years prison, with time off for good behavior. And parole is more than likely. So there's a chance that you'll see him again.

JULIE

That's good to know.

DORIAN

But?

JULIE

What makes you think there's a "but"?

DORIAN

You just had that kind of a look. But is there something else that you want to say?

JULIE

Not really, but it's just that is was kinda hard for me to judge him when I did.

DORIAN

Julie, I'll tell you this right here, right now. Sometimes this job can be a tiring and thankless task. It's not easy being a cop, but when someone like V comes along and actually thanks his arresting officer for doing what he or she did, then that can make all the difference in the world. Like I said, you've made a difference in someone's life. But for now just take the rest of the day off. I think you deserve it.

Dorian walks out of the lounge.
