INT. THE TECH ROOM - DAY

ANITA sits in front of a computer terminal doing some work. Schematics for the Patrol and Mars Racer Megazords appear on the screen in front of her. DORIAN walks in.

DORIAN

How's it going?

ANITA

You do realize that the Mars Racer Megazord is a piece of technology I don't have much experience with, right?

DORIAN

How different could the two Megazords be? They're both S.P.D. tech.

ANITA

And that's where you're wrong. The Mars Racer Megazord is Special Ops tech, which, as far as I can tell, differs ever so slightly from normal S.P.D. tech. Also whose bright idea was it to combine the two Megazords?

DORIAN

The same person who had the bright idea about turning S.P.D. H.Q. into a Megazord, you should know him.

ANITA

I should've known that this was my father's idea. Did he give you any reasons as to why he wants this done?

DORIAN

Please Anita, you of all people should know that all your father ever does is hand out orders, and expects them to be followed without question.

ANITA

I know. It's just that this is starting to frustrate me a little.

DORIAN

Tell you what, while your father would prefer this to be up and running A.S.A.P. he didn't give an actual deadline as to when he wants it done.

ANITA

So what are you saying?

DORIAN

Take a little break if you want. And if your father asks about it, I'll just cover for you.

ANITA

All right. Although now that I think about it you haven't covered for me since we were cadets.

DORIAN

Well it's not like you've really done anything that I had to cover for you.

ANITA

I'll give you that. Anyway, I think I'm going to go out for while, maybe go to the cafe down the street for some tea. Would you-?

DORIAN

I'm waist deep in paper work right now, and it's mostly collateral damage wavers from when the Rangers are fighting giant robots with their Megazords.

ANITA

Another time then.

Anita gets up, grabs her purse and leaves the tech room. Dorian follows soon after.

FADE OUT.

INT. A PRACTICE RANGE WITHIN S.P.D. H.Q. - DAY

DEX, PATRICK, RICK, JULIE, ALEXANDRA, and JOHN (in that order from left to right) all have their side arms out, and are practicing their shots. John hits the bull's eye of his target on every shot. Dex occasionally hits the bull's eye, but is mostly hitting the ring around the bull's eye. Patrick, Alexandra, and Rick are having the same luck as Dex. Julie is actually missing quite a few shots. Dex, and Patrick stop firing, and look at their readouts. Dex's readout says "187/200". Patrick's says "176/200".

DEX

I must be having an off day.

PATRICK

You're not the only one.

Alexandra stops firing, and her readout says "171/200". Julie pauses for a moment, and looks at the score.

JULIE

Not bad Alexandra.

ALEXANDRA

I keep getting better every time.

Julie fires a few more shots, some of which completely miss the target. Rick notices.

RICK

What's up with your aim Julie?

Julie looks down at her score, which says "67/200".

JULIE

Nothing really, this is actually my best score yet.

ALEXNADRA

Don't you usually get between thirty and forty?

Patrick walks up behind Julie.

PATRICK

You're getting better Julie.

John continues to fire at the target until finally stopping. John's readout says "200/200". Rick walks over to John.

RICK

So what Captain Kruger said about you being the best shot is true.

JOHN

It's nothing that hours of training can't accomplish.

RICK

You sound a little too modest.

JOHN

There's nothing to brag about. Now if you don't mind, I'm going on patrol.

John puts his side arm away and leaves the range. Rick follows him.

FADE OUT.

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DAY

John is riding on the Squad Cycle. Rick is right beside him as he rides on the Ops Cycle. They are both wearing their helmets as they ride.

RICK

Do you hate me, or something?

JOHN

What do you mean?

RICK

Back in the range you sounded a little annoyed by what I was saying, so do you hate me?

JOHN

Well at the moment you're not exactly making me a fan of yours.

RICK

Other than what I'm asking you now, do you hate me?

JOHN

In all honesty Rick, I do. A little. But I don't like you in the same sense that I don't like the rookie.

RICK

And what's wrong with Dex?

JOHN

He's not that great of a cop, he's only the Red Ranger because of his DNA, and frankly he doesn't deserve it. Just like I really don't think that you deserve your gold badge.

RICK

I see what this is now. You're jealous that someone who's younger than you is Special Ops. Just like you hate the fact that someone of Dex's rank is technically the leader of the Rangers.

JOHN

It has nothing to do with jealousy.

RICK

But it wasn't my fault that I was orphaned at a young age, and raised by Commander Falco himself. Besides all of those years of training he gave me personally would've eventually put me into Special Ops.

JOHN

Fine. Whatever.

Screams can be heard in the distance. John, and Rick turn the sirens on their Cycles on, and ride up to a plaza, where LACERTA is rampaging. John and Rick park their Cycles, take off their helmets, and get off the Cycles. They then confront Lacerta.

JOHN

Freeze, SPD!

John takes out his morpher and flashes his badge.

LACERTA

The perfect time to test this!

RICK

What?

John puts his morpher away as Lacerta charges at him and Rick, and tries to swipe at them with his arms, but they both dodge the attack and regroup.

JOHN

What's the deal with this guy?

RICK

He's from Draco, but the Draconians are usually a little on the scrawny side.

JOHN

Then how'd he get so buff?

RICK

Given what looks like a sudden gain in muscle mass, he must've took some Troseid.

JOHN

Troseid?

RICK

And here I thought you were a better cop than Dex. Troseid is an illegal elixir that's being going around.

Lacerta charges at the two of them again. John takes out his morpher. Rick gets into position with his.

JOHN AND RICK

Emergency, SPD!

John and Rick both morph. John takes out his Knuckle Grip and D-Baton and combines them. John aims the Snipe Blaster at Lacerta, and manages to get in a couple of shots on him. Lacerta turns to Rick and starts to charge at him. Rick flips out the throttle on his morpher and revs it, until the meter is full.

RICK

Electro Blast!

Rick places his left hand on the ground and some electricity makes its way over to Lacerta. The attack does not do much damage to Lacerta, and he continues to charge at Rick. Rick takes out and revs the throttle again.

RICK

Power Grab!

Rick extends his left hand out, and grabs onto Lacerta when he approaches Rick. Lacerta tries to move a little, but Rick holds him in place. John takes out his morpher and opens it in phone mode. He dials a number.

JOHN

John here, Rick and I need a little bit of back up.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

Dorian sits at his desk. Dex, John, Patrick, Julie, and Rick are sitting around the center console. Anita and Alexandra walk into the room.

ANITA

I just did an analysis on his blood,
and the Troseid is starting to wear
off.

JULIE

Why would something like that wear off?

PATRICK

From what I've read the effects of
Troseid are only temporary.

ANITA

That's right Patrick.

DORIAN

How'd reading his mind go?

ALEXANDRA

Apparently he took the Troseid to
compete against some guy named Nytso,
in a club somewhere.

DORIAN

Which club?

ALEXANDRA

Don Re's.

DORIAN

(excitedly) Yes!

DEX

What?

DORIAN

Don Re is one of the few criminals who
have been able to get away with what
they've been doing in this town. I've
been trying to bust him for years, and
now I've finally got something I can
use against him.

JOHN

No offence Captain Kruger, but how could you, of all people, not be able to bust someone like Don Re?

DORIAN

None of the evidence that any of the Diatech City S.P.D. officers have ever found was strong enough for any kind of a conviction. I know this probably doesn't reflect well on my abilities as Captain, but sometimes there are just some people who tend to slip through your fingers.

JULIE

Don't worry Captain; I don't think any less of you.

DORIAN

Thank you Julie. Now as far as further investigating goes, it's probably best that we send a couple of people undercover to scope out Re's club.

DEX

Let me go Captain.

DORIAN

I appreciate the initiative Dex, but you look a little too much like me. You'd be found out in a second. John, I want you and Rick to go.

JOHN

Why Rick?

DORIAN

The two of you were the ones who found the Draconian, so it's only fitting that the two of you do the follow up. Is that understood John?

JOHN

Yes Captain.

DORIAN

Good. Now the two of you need to go change.

FADE OUT.

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DAY

John (wearing a pair of black leather pants, a blue button up shirt, and a black sport jacket), and Rick (wearing a white suit, a white dress shirt, and a navy tie) walk up to a door on the side of a building. The door has a slot in it. Rick knocks on the door, and a bouncer opens up the slot.

BOUNCER

Password?

RICK

Only on Earth.

The door opens.

INT. DON RE'S CLUB - DAY

Numerous humans and mixed aliens are sitting around the area where NYTSO and another alien are having their fight. The alien tries to get a punch in on Nytso, but Nytso quickly gives the alien a punch, and it falls to the ground. The crowd surrounding the area counts to ten, and a referee comes out to the "ring". He walks up to Nytso, and raises his right arm.

REFEREE

The winner and remaining champion,
Nytso!

The crowd cheers, as John and Rick walk up to a table and sit down. The referee lowers Nytso's arm, and turns to the crowd.

REFEREE

Is there anyone in the audience who
dares to challenge the champ?

Rick gets up, takes off his jacket, undoes his tie, takes off his shirt, and tosses it all onto his chair.

RICK

Let's do it.

INT. A ROOM WITHIN THE CLUB - DAY

DON RE sits in a chair before a few screens that show the main part of the club. A few of Don Re's goons are monitoring the screens. A scanning program loads up and scans Rick. The program brings up Rick's vitals, and his status as S.P.D. Special Ops.

GOON 1

This guy's Special Ops boss.

DON RE

While it'd be interesting to see someone from Special Ops fight against Nytso, if he were to win he'd find out what we're up to.

GOON 2

What do you want to do?

DON RE

Ask him to leave, politely of course.

GOON 1

Yes boss.

INT. THE MAIN PART OF THE CLUB - DAY

The two goons walk up to Rick.

GOON 1

I'm sorry but we can't have someone from the S.P.D. fighting in the club. So if you wouldn't mind, could you please leave?

RICK

(INNER)

If they found me out, maybe they did the same with John.

RICK

Sure.

Rick goes back to his chair, and puts his shirt back on. John grabs onto one of Rick's arms.

JOHN

What did you think you were trying to do? You told me you were just out looking for a good time, and you're actually a cop? Get out of my face!

Rick grabs his tie and jacket, and the goons start to escort Rick out of the club.

RICK
(INNER)

Good thinking John.

The goons take Rick out of the club. John gets up, takes off his jacket and goes into the ring.

JOHN

You and me Nytso.

A bell rings and John and Nytso take fighting stances. They circle around each other to size each other up.

NYTSO

You know if you lose, there'll be nothing for you to boast about.

JOHN

We'll see about that.

John comes up to Nytso and tries to get a few quick jabs in on Nytso with his right fist. Nytso dodges the attacks, and tries to jab at John. John dodges the attacks, and the two of them continue to dodge each other's attacks, until John ducks under an arm swipe that Nytso tries, only to have Nytso strike him with the back of his right fist. John falls back from the attack a little. John charges at Nytso, but Nytso quickly kicks him, and hits John on the back. John falls to the ground. While John is down, Nytso kicks him a couple of times, which causes John to roll over to a table where a couple of spectators are sitting.

SPECTATOR

There's no way a human can defeat Nysto. Just give it up.

John gets back to his feet, and Nytso quickly comes in on John and gives him a quick kick. John takes the attack and falls back slightly. Nytso tries a couple arm swipes on John, but he ducks under them. John tries to strike Nytso with both of his fists, but Nytso dodges the attacks, and knees John in the gut. Nytso then gives John a hard punch that knocks John back to the ground.

NYTSO

Don't tell me you've had it all ready.
But if you really want to defeat me,
why not take some Troseid?

JOHN

I wouldn't be a real man or fighter if
I took that stuff.

NYTSO

(partially laughing) Well then kiss the
sky for me.

Nytso charges at John, and he quickly rolls under the incoming attack that Nytso is trying to do. Just as John gets back to his feet, Nysto gives him a quick kick, followed by two hard punches. John goes flying back, and hits a support column within the club. Nytso walks up to John, and as John is down, Nytso stomps on his right hand a couple of times, followed by a couple of kicks.

FADE OUT.

FADE IN:

INT. THE INFIRMARY AT S.P.D. H.Q. - DAY

John lies in one of the beds sleeping. He has his shirt off, and bandages wrapped around his right hand and wrist, and torso.

INT. THE COMMAND ROOM - DAY

Dorian sits at his desk. Dex, Patrick, Alexandra, Julie, and Rick are gathered around the center console.

JULIE

It's gotta be tough for John. It's been three weeks and he's only now recovering.

ALEXANDRA

No kidding. But at least with all of the scrapes, scratches, and muscle aches he doesn't have any broken bones.

DEX

I'm a little more worried that his ego got bruised.

PATRICK

That's gotta be one of the most intelligent things you've ever said, but still what makes you say that?

DEX

You know how stubborn he can be. He still calls me "rookie" even though I'm now a sergeant. Not to mention that I've always gotten a vibe from him that he thinks he's better than me.

PATRICK

Well John can be a little too proud sometimes, I'll give you that.

RICK

If it's any consolation Dex, I get the same feeling.

ALEXANDRA

The one thing I still don't understand is how everything in Don Re's club works.

DORIAN

From what my sources say, Don Re supposedly uses a dummy corporation to distribute the Troseid to a network of affiliates that then distribute the product elsewhere.

PATRICK

But why haven't you been able to get him for the illegal fights and gambling that he does?

DORIAN

We've never had sufficient enough evidence to gain a warrant to check his club, and the Galactic High Court wouldn't exactly smile on us just busting into the club on our own. Hopefully everything that's been going on will be enough to finally bust him.

ALEXANDRA

It almost sounds like Don Re is your Capone.

DORIAN

But unlike Capone, we can't even get Re on tax evasion. Either way, I think it might be a good idea to see how John's doing.

INT. THE INFIRMARY - DAY

John is now awake, but lying in bed. Anita walks into the infirmary.

ANITA

How you holding up?

JOHN

Let's see, I'm sore all over, I'm a little stiff, and my ego's bruised. You tell me.

ANITA

At least you look like you're getting better, and I'd say you might be ready to resume active duty again. But then again I'm a scientist, not a medical doctor.

John sits up.

JOHN

Actually there's something else I want to do.

ANITA

What?

JOHN

A rematch with Nytso.

ANITA

I know you're you didn't take a blow to the head so there shouldn't be a concussion, but are you crazy or something?

JOHN

I've spent the past three weeks lying in this bed thinking about that fight. I know his weakness, and all I need to do is a bit of training.

ANITA

You'll have to talk to Captain Kruger about this.

JOHN

Can't you persuade him somehow?

ANITA

I'm sorry John, but this just sounds too risky to me.

FADE OUT.

FADE IN:

INT. A GYMNASIUM WITHIN S.P.D. H.Q. - DAY

John (dressed in blue track pants and a white t-shirt with S.P.D. insignia on it) stands in a boxing ring, facing Dorian (dressed in a black track suit). Dorian also has a pair of hook and jab pads over his hands. John and Dorian start to do the training as Dex, Patrick, Alexandra, Julie, and Rick watch from the side of the gym.

RICK

I can't believe Captain Kruger actually agreed to this.

DEX

Dorian can be just as stubborn as John sometimes. Besides Dorian also knows what John's been going through.

PATRICK

I bet he does.

Dex, Patrick, Alexandra, Julie, and Rick continue to watch John and Dorian doing their in-ring training.

DISSOLVE TO:

INT. A WEIGHT ROOM WITHIN S.P.D. H.Q. - DAY

John lies on a bench as he punch presses a barbell numerous times. Dorian watches John.

DISSOLVE TO:

INT. THE GYMNASIUM - DAY

John and Dorian do some more training within the boxing ring.

DISSOLVE TO:

INT. THE TECH ROOM - DAY

Anita sits in front of the computer terminal doing some work. The schematics for the Patrol and Mars Racer Megazords are displayed on screen. Eventually she stops doing her work and raises her arms in excitement.

ANITA

Yes!

DISSOLVE TO:

INT. THE WEIGHT ROOM - DAY

John stands holding dumbbells in his hands. He does a few reps with the both of them.

DISSOLVE TO:

EXT. DIATECH CITY NEAR A RIVER - DAY

John practices his moves along the riverbank.

DISSOLVE TO:

INT. THE WEIGHT ROOM - DAY

John does a few more reps on the bench press. After a while John puts the barbell back up and sits up on the bench. Dorian (dressed normally) walks into the room, and up to John.

JOHN

I'm ready Captain.

DORIAN

Good. You've been training hard, and it should pay off.

FADE OUT.

FADE IN:

INT. DON RE'S CLUB - DAY

Numerous people place their bets as they watch two aliens in martial arts uniforms fighting in the ring area. John walks into the club wearing black leather pants, a white tank top, and black leather fingerless gloves.

INT. DON RE'S ROOM WITHIN THE CLUB - DAY

Don Re sits in his chair. Nytso is off to the side. One of Don Red's goons walks in and up to him.

GOON 1

Boss that John guy returned, and he's requested a rematch with Nytso.

DON RE

Looks like someone doesn't know when to quit.

Don Re turns to Nytso.

DON RE

How'd you like to fight that John guy again?

NYTSO

Why not? I could use a good laugh.

DON RE

Excellent. I think I'll actually go down to the main area and watch this one first hand.

INT. THE MAIN PART OF THE CLUB - DAY

John stands in the ring area. Dex, Patrick, Alexandra, and Julie are off to the side to watch. Dex is wearing black pants, with a red shirt, a black sport jacket and a fake goatee. Patrick has a pair of jeans on with a green club shirt. Alexandra is wearing a yellow button up shirt with a white skirt. Julie is wearing a black skirt, and a pink silk shirt. Nytso walks out to the ring area.

NYTSO

You should have told me you had a death wish.

JOHN

We'll see about that.

The referee walks out to the ring area carrying a microphone.

REFEREE

Ladies and gentlemen, we present you with a special fight today. In one corner our reigning champ Nytso.

The crowd cheers.

REFEREE

In the other corner, a human who thinks he can best Nytso, John.

The crowd boos John for the most part except, Dex, Patrick, Alexandra, and Julie who are cheering for him. Rick, wearing a white dress, a long brunette wig, and white heels walks into the club, and up to Dex, Patrick, Alexandra, and Julie. Rick is also carrying a pink purse. Julie notices him.

JULIE

Hey that's my purse.

ALEXANDRA

Don't you think you're overdoing it?

RICK

This is exactly the kind of thing I used to do in my private eye days. Besides they recognized me last time I was in here. C'mon Dex help me out on this one.

DEX

He's right. Why do you think I'm wearing this ridiculous fake goatee?

REFEREE

Ladies and gentlemen, I'm proud to announce that we have a special spectator with us this afternoon. Please help me welcome the king of the underground ring himself, Don Re!

Don Re walks out and sits down in a special seat.

REFEREE

Let's commence preparations for rumbling!

A bell rings, and John and Nytso walk up to each other.

NYTSO

If you think last time was hard, you haven't seen anything yet.

John and Nytso take fighting stances and start to circle around each other. Nytso charges at John, and tries to swipe at him with his left arm, but John ducks underneath the attack. John tries to punch Nytso, but Nytso blocks the attack. Nysto tries kicking John, but John blocks that attack. Nytso goes on to swipe at John again, but John ducks underneath. Nytso tries to jab John, but he blocks, and in turn gets a good right jab in on Nytso, followed by a good left hook. Nytso tries punching John, but John dodges, and gets a quick punch in on Nytso. John then gets a couple of good punches in on Nytso, that cause Nytso to fall back a little.

JOHN

You obviously don't know your own weakness.

NYTSO

Why you!

Nytso charges, and tries to strike John, but John ducks underneath the attack, and gives Nytso a good couple of punches. Don Re watches with interest, and the other Rangers cheer John on. Nytso tries another punch, but John ducks underneath that, and gives Nytso another good punch, followed by a hard uppercut. Nytso flies back a little and falls onto a table. Nytso gets to his feet, and pulls out a vial of a red liquid. Nytso goes onto drink the liquid.

RICK

He's taking Troseid.

With the Troseid ingested, spikes come out Nytso's forearms, shins, shoulders, and neck. The crowd can be heard chanting "Nytso" a few times. Nytso charges at John. Nytso tries to swipe at John, but John ducks under the attack. Nytso tries to punch John with his right fist, but John blocks. Nytso gives John a quick punch with his left fist, and then gives John another punch with his right fist. The punch knocks John down. John gets back to his feet as Nytso tries to swipe at him again, but John ducks underneath it. Nytso gives John a couple of punches that knock him to the ground again. John gets up, and it is revealed that his shirt has been ripped. Nytso rushes John, and tries to swipe at him, but John ducks under the attack. Nytso tries another swipe, but John dodges that. John tries to punch Nytso, but Nytso blocks the attacks. Dex pays close attention to the fight.

DEX

He's only that strong because of that stuff he took. Coward.

John and Nytso continue to fight, with Nytso winning. Nytso gives John a few hits that knock him back and down by where Dex, Patrick, Alexandra, Julie, and Rick are sitting.

JULIE

(worried) John!

Nytso walks over to John. John gets back to his feet, and rushes Nytso, but Nytso grabs onto him. Nytso tosses John across the ring.

RICK

John.

Rick starts to walk over to John, but Dex stops him.

DEX

Rick, don't.

RICK

But John will-

DEX

He'll be fine. Remember he's that stubborn.

John gets back to his feet.

DEX

I once heard from Dorian, that John wasn't always the good shot that he is. It took a lot of practice to get that way. I think he even did a little practice while he was still injured. John will definitely win.

John and Nytso start to circle each other a little. Nytso charges, and tries to swipe at John. John ducks under the attack, and gives Nytso a quick punch. John then gives Nytso an uppercut, which knocks him back.

JOHN

I thought I told you, you don't know your own weakness. And your weakness is that you've only got one good punch.

John rips off his shirt, and Nytso charges at him. Nytso tries to punch John, but John dodges it, and gives Nytso a quick uppercut. Nytso tries to attack John again, but ducks and starts to give Nytso a series of punches.

JOHN

Also I failed to mention that I'm as stubborn as they come.

John gives Nytso a hard punch to the gut followed by a hard uppercut. The uppercut causes Nytso to fall the ground. Nytso does not move.

EVERYONE IN THE CLUB

One! Two! Three! Four! Five! Six!
Seven! Eight! Nine! Ten!

The bell rings, and the referee walks up to John. John raises his left fist in victory.

REFEREE

The new champion, John!

Don Re rises from his seat and walks over to John.

DON RE

Congratulations. You've done what no one else could, and defeated Nytso. Your future could be bright as a fighter. So what do you say, will you join me?

JOHN

No. I'm assuming that you'd want me to take Troseid, and I won't. There's no honor in taking something to boost your performance when you're perfectly capable of doing it normally. Oh and by the way, I all ready have a job. You're under arrest.

DON RE

What?

John takes out his morpher.

JOHN

Emergency, SPD!

John morphs.

DON RE

Get him!

A few of Don Re's goons appear and turn into Spikedroids. John quickly punches and kicks the Spikedroids taking them out.

DON RE
You'll pay for this.

John takes out his morpher with the mode selector on judge.

JOHN
There's nowhere to go. There are five
other Rangers here.

DON RE
That's what you think.

Don Re flings his cape over himself, and a mist is released that causes him to disappear. Dex, Patrick, Alexandra, Julie, and Rick (all morphed) come up behind John.

JOHN
We need to get him.

INT. A GIANT ROBOT COCKPIT - DAY

Don Re sits down in the cockpit, and grabs the controls.

EXT. DOWNTOWN DIATECH CITY - DAY

A giant robot comes up from out of the ground. The Patrol Zords make their way toward the robot.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE
Megazord formation!

The Patrol Zords combine.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE
Patrol Megazord, online!

The Mars Cyclezord makes its way to the area, and transforms.

RICK
Mars Racer Megazord, online!

The Patrol and Mars Racer Megazords face Don Re's robot.

DEX
I'd like to see you run in that thing.

The Patrol Megazord charges at the robot, but the robot side teleports to another part of the city.

DEX
What the-?

The Patrol Megazord turns around and tries to hit the robot, but again the robot side teleports. The Patrol Megazord turns around and the robot strikes it a couple of times.

DON RE

As you can see, there's nothing that matches the speed of my robot.

DEX

We'll bring it down somehow.

RICK

Allow me. Visor down!

The visor on the Mars Racer Megazord flips down, and its legs combine. The Mars Racer Megazord drives toward the robot, jumps up and starts to spin.

RICK

Cyclone Slash!

The Mars Racer Megazord performs the Cyclone Slash attack, but the robot teleports again. Once the Mars Racer Megazord gets back to its feet, the robot fires a blast at the Mars Racer Megazord that makes contact. The Patrol Megazord turns to the Mars Racer Megazord.

DEX

Rick, double team!

RICK

All right.

The two Megazords jump up and try to land flying punches on the robot, but the robot teleports just in the nick of time, causing the Megazords to hit each other.

RICK

Hey, get out of the way!

DEX

Like you're a fine one to talk.

JOHN

The robot's speed is putting us at a disadvantage.

RICK

I know just the trick.

The Mars Racer Megazord transforms back into the Cyclezord, and the Patrol Megazord gets on.

JOHN
Signal Blaster fire!

The Patrol Megazord draws the Signal Blast, and tries to fire at the robot, but the robot dodges the attack.

JULIE
He dodged it again.

DON RE
Too slow!

The robot fires a blast, but the Patrol Megazord dodges the attack.

PATRICK
He's too fast.

ALEXANDRA
There's no way we'll win at this rate.

ANITA THROUGH THE COMMUNICATOR
Think again. I just finished the modifications to combine the two Megazords.

RICK
We can do that?

JULIE
Really?

DEX
Let's do it!

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
AND RICK
Mars Patrol formation!

The Patrol Megazord combines with the Cyclezord.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
AND RICK
Mars Patrol Megazord, online!

JULIE
This looks like it might just do the trick.

ALEXANDRA
We should've known that Dr. Falco would've done something like this.

JOHN
Okay let's do it!

DON RE
Not so fast!

The robot prepares to fire.

JOHN
Hyper jets on!

The hyper jets flip out, and the Mars Patrol Megazord jumps over the blast.

DON RE
Where'd it go?

The robot turns around. The Mars Patrol Megazord charges using its jets to very quickly get a quick punch in on the robot. The Mars Patrol Megazord then gives the robot a quick punch, which knocks the robot down. Inside of P-Zord 2 John takes out his morpher.

JOHN
Don Re, for overseeing illegal gambling, selling Trosied, promoting illegal fights, and unnecessary destruction...JUDGMENT!

John opens his morpher to judge mode. The judgment cycle starts to work. Outside the sign on P-Zord 5 is flipped up and is flashing an "X" and an "O". The judgment cycle stops on an "X" verdict.

Delete approved. Mega Punch!

The hyper jets on the Mars Patrol Megazord flip out, and it starts to move toward the robot. Once near the robot, the Mars Patrol Megazord starts to punch it numerous times at an incredible speed. The robot falls down and explodes taking Don Re with it.

FADE OUT.

INT. THE COMMAND ROOM - DAY

Dex, John, Patrick, Alexandra, Julie, and Rick (now in their uniforms) stand before Dorian who is sitting at his desk.

DORIAN

Excellent work Rangers! Thanks to you we were finally able to bust Don Re, and raid his club. We've been able to arrest hundreds so far, and there could be hundreds more. And before I forget, excellent work in that fight, John.

JOHN

Thank you sir.

RICK

Yeah, that was amazing.

DEX

I told you he'd win. He's that stubborn.

JOHN

Could you knock that off rookie?

DEX

And he continues to prove my point.

JOHN

Do you want to settle this rookie?

DORIAN

John, Dex, please don't fight in the command room. Besides Dex you should know that after today's fight John could take you down like it was nothing.

DEX

Yes sir.

DORIAN

But for now John, take the rest of the day off. You more than deserved it.

JOHN

Thank you sir.

DORIAN

As for the rest of you, well there's some paperwork I'd like you to do.

PATRICK

What kind of paperwork?

DORIAN

I want the five of you to finish off filling out the collateral damage waivers from your Megazord battles. I've been up to my waist with them. And as far as I'm concerned since you had your hand in causing the damage, it's only natural that you fill out the paperwork for it.

A stunned look goes over the faces of Dex, Patrick, Alexandra, Julie, and Rick. John leaves the command room just as Anita walks in.

ANITA

Ready to go Dorian?

DORIAN

Always am.

PATRICK

Wait a minute, where are you going?

DORIAN

Just for a cup of coffee with Dr. Falco, at that cafe down the street. I'll be back in about an hour.

DEX

Is that why you're having us do that paperwork?

DORIAN

More or less.

ANITA

Besides it's always good to have someone cover for you every now and again.
