"POWER RANGERS SPACE POLICE DEPARTMENT: EPISODE 24: STORM'S
EYE"

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DAY

The sounds of alarm systems can be heard going off alongside the sounds of sirens, as JOHN on the Squad Cycle, and RICK on the Ops Cycle lead DEX and ALEXANDRA in Night Chaser and PATRICK and JULIE in Night Beat through the streets and up to the Diatech City Museum. Everyone parks their vehicle and the Rangers meet up near the entrance, where IODA STORM is walking out carrying a few suitcases. John takes out his side arm and aims it at Ioda Storm.

JOHN

Freeze!

IODA STORM

As you wish officer.

Ioda Storm sets the suitcases down as the ring around his eye starts to spin around creating an ice storm that is aimed at the Rangers. Dex, John, Patrick, Alexandra, and Julie take out their morphers, and Rick gets into position with his.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
AND RICK

Emergency, SPD!

All six Rangers morph quickly, and dodge Ioda Storm's attack. Dex then draws both of his Blasters. John, Patrick, Alexandra, and Julie draw their D-Batons. All six Rangers charge at Ioda Storm. Dex fires a few shots at him. John and Patrick strike Ioda Storm simultaneously with their Batons. Alexandra rushes in and slashes at Ioda Storm with her Baton, soon followed by a quick slash from Julie with her Baton. Rick flips out the throttle on his morpher.

RICK

Electro Blast!

Rick revs the throttle until the meter is at its maximum, and puts it back into place. He then places his left hand onto the ground, and a bolt of electricity travels on the ground, hitting Ioda Storm. Ioda Storm takes the hit and flies back, crashing on the ground. Ioda Storm gets back to his feet. The Rangers regroup.

IODA STORM

I didn't expect this planet's Rangers
to be so good.

DEX

Well believe it.

JOHN

Quiet down rookie.

PATRICK

Guys can we just finish him off, and
bust him?

ALEXANDRA

That's what I was wondering.

The Rangers start to charge, but the ring around Ioda
Storm's eye starts to spin. Rick stops.

RICK

What the-?

Ioda Storm unleashes a high-powered tornado from his ring,
and it hits all of the Rangers, and they all fall to the
ground. As the Rangers get back to their feet, Ioda Storm
starts to spin around in a red energy tornado. Ioda Storm
travels over to each of the Rangers, hitting them, and
knocking them down again. Ioda Storm stops spinning and
faces the Rangers again.

IODA STORM

Time to finish you off.

Ioda Storm's ring starts to spin around, but it stops
abruptly.

IODA STORM.

Great.

Ioda Storm picks up the suitcases again and takes off in a
red energy tornado. The Rangers get back to their feet.

DEX

What was that?

JOHN

I don't know rookie, but we better
report back to Captain Kruger.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

DORIAN sits behind his desk, and ANITA is beside it. Patrick is sitting casually at the central console shuffling a deck of playing cards. Dex, John, Alexandra, Julie, and Rick are pacing around the room.

DORIAN

Well I just got the confirmation from Commander Falco.

JOHN

And?

Anita walks over to the central console and presses a few buttons. A holographic projection of Ioda Storm is displayed.

ANITA

His name is Ioda Storm. He's wanted on several accounts of destruction, as well as being a notorious jewel thief.

JULIE

What was that power he had?

ANITA

Ioda Storm is able to create different kinds of weather-based attacks from the ring around his eye. However if he uses too much, he won't have power for another thirty hours.

RICK

He'll be using that time to hide somewhere, and case his next heist.

DEX

But what would a jewel thief who uses weather attacks want?

PATRICK

What else? Ice.

DEX

Ice?

John rolls his eyes.

JOHN

And here I thought you were becoming a better cop.

Patrick stops shuffling the cards. He then holds up the top card and shows it to Dex.

PATRICK

Tell me Dex, what's this suit?

Dex sees that the card Patrick is holding up is the ace of diamonds.

DEX

Diamonds...okay I get it now.

DORIAN

What exactly are you trying to get at Patrick?

PATRICK

There's a diamond expo in a couple of days. I'm sure Ioda Storm will use that time to see what he could do.

JULIE

But where would he be hiding in the mean time?

ALEXANDRA

His file says that he has a former partner who's in prison. Maybe we could talk to him?

DORIAN

Good idea Alexandra, but too many officers in the past have tried to get information out of Storm's former partner, while investigating him. From what I've heard he's a little difficult to deal with.

ALEXANDRA

Those officers don't have the touch that I do.

DORIAN

I completely forgot about that. Rick I want you to take Alexandra to the remote prison that's orbiting Edenoi.

RICK

Yes sir.

DORIAN

The Cyclezord should be enough to get you there, right?

RICK

I got to here from KO-35 in the Cyclezord, and that's a longer trip.

DORIAN

Very well. The two of you have your assignment.

ALEXANDRA AND RICK

Roger!

Alexandra and Rick leave the command room.

DORIAN

And Patrick...

PATRICK

Yes sir?

DORIAN

The command room isn't a casino. Next time leave the cards for one of the lounges.

FADE OUT.

FADE IN:

EXT. SPACE, EDENOI'S ORBIT - TIME UNKNOWN

The Mars Cyclezord flies through space toward the green planet of Edenoi.

INT. THE EDENOI PRISON - DAY

A security guard leads Alexandra and Rick through the prison.

GUARD

Let's see he's in cell block 38. This way please.

The guard leads Alexandra and Rick past numerous cells, until finally stopping at the cell that DOYLE is in. Doyle is sitting on his bed looking at an upside down book. Despite the book being upside down, the title on the cover reads "THE ADVENTURES OF SHERLOCK HOLMES".

ALEXANDRA

Excuse me, Doyle?

Doyle puts down the book, and gets up. He takes a look at Alexandra.

DOYLE

And who is this beauty that has come to see me?

Alexandra takes out her morpher and flashes Doyle her badge.

ALEXANDRA

I'm Detective Alexandra Holmes, of Earth Branch.

DOYLE

How appropriate. Holmes is meeting Doyle.

Doyle looks over at Rick for a second.

DOYLE

Who's he, Watson?

RICK

Detective Rick Selleck, from Special Ops.

ALEXANDRA

I've come to ask you about your old partner in crime, Ioda Storm.

DOYLE

I don't know any Ioda Storm.

ALEXANDRA

Your file says that the two of you used to be some fairly big thieves a few years ago.

DOYLE

I could give you a little information, but there's something I'd like first.

RICK

Alexandra, don't-

ALEXANDRA

What?

DOYLE

Would you mind holding my hand?

A smile goes over Alexandra's face, and she takes off her right hand glove. She reaches her ungloved hand out to the hand that Doyle now has sticking out of the cell, and takes it.

RICK

What do you see?

ALEXANDRA

Nothing, it's as if his mind is a complete blank.

RICK

Or he doesn't have a single thought in his head.

DOYLE

I have plenty of thoughts.

Alexandra lets go of Doyle's hand, and puts her glove back on.

RICK

This is getting us nowhere.

DOYLE

You know I *could* be a big help.

ALEXANDRA

How?

DOYLE

I could help you find places that Ioda would go.

RICK

I thought you said that you didn't know him.

DOYLE

I say a lot of things. What do you say? But I'll only do it if I can be alone with Alexandra.

RICK

I don't think Alexandra is going to-

ALEXANDRA

I'll do it.

RICK

What?

ALEXANDRA

He's the only lead we've got right now, and there's no telling what kind of damage Storm could do when his powers are back.

RICK

Are you absolutely sure?

ALEXANDRA

I'm positive.

RICK

(reluctantly) Fine.

FADE OUT.

FADE IN:

EXT. SPACE - TIME UNKNOWN

The Mars Cyclezord flies through space toward Earth.

INT. A PARKING GARAGE IN S.P.D. H.Q. - DAY

Alexandra and Doyle (who now has a metal collar around his neck) walk up to Night Chaser. Alexandra gets into the driver's seat, while Doyle climbs into the front passenger's seat. As they both put their seat belts on, Rick sits up in the back seat. Doyle turns his head and notices Rick.

DOYLE

What are you doing in here? I said I wanted to be alone with Alexandra.

RICK

I'm sorry but I don't exactly trust you, nor do I really like this situation.

ALEXANDRA

Both of you stop. We have an investigation that we need to do.

Alexandra starts up the car, and takes off out of the garage. Night Chaser turns onto a different street.

ALEXANDRA

So where would Storm be hiding?

DOYLE

I'll tell you after we're done this first date of ours.

ALEXANDRA

What?

DOYLE

Everything we're doing right now is our first date. That's why I wanted to be alone.

RICK

I knew we couldn't trust this guy.

DOYLE

So what do you say? Maybe go see a romantic comedy? Or how about a boxing match? That'd actually be a bold move.

RICK

Okay that's it; you're going back to prison. Alexandra, back me up on this.

Alexandra does not pay attention to Rick, and continues to drive.

RICK

Alexandra.

DOYLE

Alexandra!

Alexandra slams on the brakes, and parks the car. She then gets out and starts to walk away. Doyle rolls down his window and sticks his head out.

DOYLE

Where are you going?

Alexandra continues to walk away from the car, but is now holding her morpher in phone mode. The screen displays "46m" in the upper right hand corner. As Alexandra continues to walk, the display changes to "47m", then "48m", then "49m", until ultimately reaching "50m". Back in the car Doyle's collar activates giving him a shock. Doyle falls back into his seat.

DOYLE

What was that?

RICK

A failsafe device we use for people in your situation. Should you decide to run away, that collar will give you a shock if you get fifty meters away from us.

Alexandra walks back to the car, and gets in.

ALEXANDRA

Now as I was saying, where would Storm be?

DOYLE

Well he likes things that spin.

RICK

And that's supposed to tell us?

ALEXANDRA

Well there's a Laundromat up ahead.

Alexandra starts the car again and drives up a couple of blocks. She parks the car, and she, Rick, and Doyle get out and walk into the Laundromat. They split up, but Doyle gets distracted by a load of laundry in a dryer.

DOYLE

Around, and around, and around, and around...

Doyle starts moving his head as the clothes in the dryer spin around. Rick and Alexandra come over to Doyle and pull him out of the Laundromat.

RICK

Okay so that was a bust. What now?

ALEXANDRA

I don't know.

Alexandra turns her head around, and sees a flyer for a carnival, printed on a yellow sheet of paper, taped to a telephone pole. She walks over to the flyer and pulls it down.

RICK

What's that?

ALEXANDRA

Our next lead.

Alexandra, Rick, and Doyle get back in the car and drive off.

FADE OUT.

FADE IN:

EXT. DOWNTOWN DIATECH CITY - DAY

Night Chaser drives up to the carnival that is occurring in the downtown area. Alexandra stops, and parks the car, and she, Rick, and Doyle get out. Doyle runs off a little.

RICK

Are you sure about this?

ALEXANDRA

I thought I told you, Doyle's the only lead we have for finding Storm right now.

RICK

But do you really expect to find something that spins here?

ALEXANDRA

Let's see there's a merry-go-round, a Ferris wheel, a cheap spinning ride like the tea cups at Disneyland, and a cheap roller coaster with spinning cars. You tell me.

RICK

Fine.

Alexandra and Rick run up to Doyle, who is now at a cotton candy vendor preparing a stick. Doyle's head is moving in the same way that it did when he was watching the clothes in the dryer at the Laundromat.

DOYLE

Around, and around, and around...

Rick rolls his eyes and lets out an annoyed grunt. Alexandra grabs onto Doyle and pulls him away from the cotton candy vendor. Doyle runs off again, this time to a snow cone vendor who is using an old-fashioned ice-shaving machine. Doyle watches the machine as it spins, and again Alexandra pulls Doyle away.

RICK

This is getting us nowhere.

ALEXANDRA

Give it time.

Alexandra, Rick, and Doyle walk toward the rides. They walk past one ride in particular that is something of a roller coaster that has individual spinning cars. A man sitting in one of the cars appears to be enjoying the spinning a little too much. Two girls in Catholic school uniforms walk past the ride, and notice the man.

GIRL 1

That guy's here again?

GIRL 2

I know. It's kinda creepy. He's been here for like the past couple of days.

The ride stops, and the ride's attendant lets the man out of the car.

ATTENDANT

Okay ride's over.

MAN

No, one more time!

The man looks to his left and sees Doyle.

MAN

Oh no, what's he doing here?

The man gets out of the car and starts to run away. Doyle starts to chase after him. Alexandra and Rick start to chase after Doyle. The man runs through various locations until finally coming to a somewhat closed off courtyard between a few buildings.

MAN

What's he doing here?

Doyle walks up to the man.

DOYLE

So you thought you could hide from me?

MAN

Maybe.

DOYLE

Why'd you break out? The cops have said that you've committed some major crimes.

MAN

That may be true, but I've never hurt anyone.

DOYLE

Don't give me that, from what I've been told you've caused a lot of destruction on numerous planets. Is this true?

MAN

So what if it is?

The man reveals his true form as Ioda Storm.

IODA STORM

You're the one who led me to all of this.

DOYLE

We had a code of honor, or have you forgotten that?

IODA STORM

That code of honor never got us the big scores that I've been getting lately. Just let me do what I want, okay?

Ioda Storm starts to fire a few blasts at Doyle. Doyle blocks the blasts by creating force fields in front of him.

IODA STORM

Why won't you leave me alone?

Ioda Storm fires a small tornado at Doyle, which knocks him back. Ioda Storm starts to laugh a little. A few shots are fired at Ioda Storm as Alexandra and Rick, with his side arm out, rush up to Doyle.

IODA STORM

Great, the cops are here.

Ioda Storm takes off.

RICK

I'm going after him.

Rick morphs quickly and chases after Ioda Storm. Doyle notices Alexandra.

DOYLE

Great you're back!

Alexandra notices a wound on Doyle's right hand.

ALEXANDRA

Are you okay?

DOYLE

Well, I'm (pause) going to drop the act.

ALEXANDRA

What act?

DOYLE

I've been faking this whole mindless thing the whole time.

ALEXANDRA

Why?

DOYLE

I was planning on escaping you guys, so I could convince him to go back to prison.

ALEXANDRA

What exactly happened between you two?

DOYLE

I've been trying to convince myself that this wasn't his fault, and everything he's done was by impulse, but that's not the case.

ALEXANDRA

Did you put a force field around your mind?

DOYLE

Yes. That's why you couldn't read my thoughts when we were at the prison.

ALEXANDRA

So what happened?

DOYLE

When we were together, we had a code of honor as thieves to never hurt anyone. As I'm sure you know there are plenty of people in the galaxy who'd fill their pockets with vast riches using vicious methods. Those were the people we stole from.

DISSOLVE TO:

EXT. AN UNKNOWN PLANET - NIGHT

Several cat-like aliens sit around a fire trying to keep warm. Doyle (in a black suit) and Ioda Storm walk up to them carrying various things.

DOYLE
(V/O)

And everything we stole we gave to orphans who were in need.

Doyle and Ioda Storm give the orphans the items.

INT. A VAULT - NIGHT

The door on a safe blows open, and Ioda Storm walks up to it and empties it out.

DOLYLE
(V/O)

He was in charge of destruction...

EXT. A BANK ON ANOTHER PLANET - NIGHT

Doyle creates a force field around the bank.

DOYLE
(V/O)

While I used my force fields to prevent any major damage from happening.

A few police officers pound on the force field, but nothing happens.

OFFICER

Open up!

EXT. A RIVER BANK ON ANOTHER PLANET - NIGHT

Ioda Storm punches and kicks a police officer.

DOYLE
(V/O)

But Ioda broke our rule about harming people.

Ioda Storm fires a blast at the officer, and Doyle runs up to him. Two police cruisers can be seen flying in the sky overhead.

DOYLE

What did you do? He's almost-

IODA STORM

I had to, or else we won't get a bigger score.

One of the cruisers flashes its floodlight onto Doyle and Ioda Storm.

IODA STORM

The cops! We've got to run.

Ioda Storm starts to run, but Doyle stops him.

DOYLE

No, you're going to pay for what you've done. You're staying with me, and we're both going to jail.

DOYLE

(V/O)

He was supposed to serve three hundred years, but that changed when he broke out.

DISSOLVE TO:

EXT. THE COURTYARD - DAY

Alexandra wraps a bandage around Doyle's right hand.

DOYLE

And his breaking out is only adding to his problems. I know what the S.P.D. does with especially heinous criminals, and please believe Alexandra that I don't want to see Ioda get deleted.

ALEXANDRA

But that's not up to me. It's up to the Galactic High Court. I only carry out the verdict.

DOYLE

Then please be the one to judge him. Like I said, I don't want to see him deleted, but if it has to come to that, then so be it.

ALEXANDRA

I'll see what I can do, but I'm not going to make any promises.

DOYLE

Thanks.

Alexandra's morpher rings, and she takes it out in phone mode.

DORIAN THROUGH THE COMMUNICATOR

Alexandra, Rick's found Storm, regroup with him and the others immediately.

ALEXANDRA

Roger.

Alexandra ends the call, and presses a few buttons on phone mode. She then closes her morpher.

ALEXANDRA

I shut off the collar. Just wait here.

DOYLE

How do you know you can trust me? I might run off.

ALEXANDRA

I know you're not like that.

DOYLE

Then let me help. I'm the one who got Ioda into all of this.

ALEXANDRA

Thanks, but you've been enough help. Just wait here.

Alexandra puts her morpher's mode selector on change, and presses the top button. She morphs quickly, and runs off.

FADE OUT.

FADE IN:

EXT. A PLAZA IN DIATECH CITY - DAY

A few Mechadroids come at Dex (morphed), but he punches one, elbows another, and flips another one over. John (morphed) does a straight kick on a Mechadroid hitting, and back kicks another Mechadroid that is coming up behind him. John then does a roundhouse punch on a Mechadroid, followed by elbowing a Mechadroid that is coming up behind him. Julie (morphed) strikes a Mechadroid with her right arm, followed by a simultaneous punch and kick on two Mechadroids, and then starts to do a series of roundhouse kicks on a few Mechadroids. Patrick (morphed) back flips from a few Mechadroids, and then gives a Mechadroid in front of him a roundhouse kick. He then gives another Mechadroid a quick kick, and then trips another Mechadroid. Rick (still morphed) takes on Ioda Storm. Rick ducks under an attack from Ioda Storm. Ioda Storm tries to punch Rick, but Rick punches Ioda Storm's fist, before giving Ioda Storm a hard punch from his left fist. Ioda Storm falls back a little. Rick flips out the throttle on his morpher.

RICK
Throttle Morpher...

Rick revs the throttle, until the meter is at its maximum.

RICK
Hyper Punch!

Rick unleashes a barrage of super-fast punches on Ioda Storm. Ioda Storm takes the hits, and falls down. Dex, John, Patrick, and Julie come up behind Rick. Alexandra (still morphed) appears.

ALEXANDRA
Sorry I'm late.

RICK
Don't worry. We're almost done.

IODA STORM
I hate to break it to you...

Ioda Storm gets back to his feet.

IODA STORM
But I'm fully recovered from that attack of yours, Mars Ranger. This time there's now screwing around, and you'll all be blown away.

Ioda Storm starts to spin around into a red energy tornado. Ioda Storm goes over to the Rangers, hitting all of them. The Rangers fall to the ground. Ioda Storm stops spinning and faces the Rangers as they get back to their feet.

DEX

He's stronger than before.

RICK

It's like he focused all of his power into one attack.

The ring around Ioda Storm's eye starts to spin creating a high-powered tornado. The tornado hits the Rangers knocking them down to a lower level, and they all fall to the ground unmorphed.

JOHN

That attack must've brought the suits to their limit.

ALEXANDRA

We've got to do something.

Ioda Storm appears before the Rangers.

IODA STORM

Time to finish you.

Ioda Storm starts to do an attack, but a force field goes over him preventing the attack. Alexandra looks over to see Doyle standing near Rick.

DOYLE

You're in one of my force fields Ioda. You can't move, for now.

RICK

Doyle?

Doyle bends over and grabs Rick's side arm. Doyle straightens up and aims the side arm at Ioda Storm.

ALEXANDRA

No!

Doyle fires. Alexandra gets up, and takes the shot in her right shoulder.

DOYLE

Alexandra!

Alexandra falls to the ground.

RICK

Alexandra!

DOYLE

Get out of the way!

Alexandra stands up again, and Doyle aims the side arm again.

DOYLE

Move!

ALEXANDRA

I can't let you do what you're about to do. Because if you do it, then you'll be no better than what Storm has become.

DOYLE

How do you know what I was planning, you couldn't read my mind.

ALEXANDRA

I can tell by looking at you. You're not such a bad guy. Everything you ever stole you gave away to those in need. You always did the right thing.

DOYLE

Get back!

ALEXANDRA

Now I'm asking you, are you going to do the right thing and not do what you're planning?

Alexandra makes her way over to Doyle, and places both of her hands on the side arm. She slowly takes it away from Doyle. Doyle falls to his knees and starts to cry a little.

DOYLE

I'm sorry.

Ioda Storm lets out a sound of pain as red bolts of energy go over his body.

DOYLE

The force field!

Dex, John, Patrick, and Julie get to their feet.

IODA STORM

That was pathetic Doyle! I was able to break your force field while you wasted your time with that cop.

More bolts of energy go over Ioda Storm as the force field around him breaks and a giant tornado causes him to grow to gigantic size. Ioda Storm tries to squash Doyle with one of his feet. Doyle and Alexandra get out of the way and she takes out her morpher in phone mode.

ALEXANDRA

Dr. Falco, the Zords!

ANITA THROUGH THE COMMUNICATOR

Got it!

The Patrol Zords, and Mars Cyclezord make their way to the area. Dex, John, Patrick, Alexandra, Julie, and Rick run toward them.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
AND RICK

Emergency!

Dex, John, Patrick, Alexandra, Julie, and Rick all morph quickly and get into their respective Zords. The Patrol Zords combine quickly and get onto the Cyclezord.

IODA STORM

Do you really think that pathetic bike can defeat me?

Ioda Storm fires a few shots from his eye, which get dodged. On the ground Doyle watches everything.

DOYLE

Stop it!

The Patrol Megazord continues to ride toward Ioda Storm.

ALEXANDRA

Signal Blaster!

The Patrol Megazord fires a few shots from the Signal Blaster, all of which hit Ioda Storm.

ALEXANDRA

Let's finish him off.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
AND RICK

Mars Patrol formation!

The Patrol Megazord combines with the Cyclezord.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
AND RICK

Mars Patrol Megazord, online!

Ioda Storm and the Mars Patrol Megazord charge at each other. The Mars Patrol Megazord tries to punch Ioda Storm, but Ioda Storm ducks under the attack. The Mars Patrol Megazord turns around, and manages to punch Ioda Storm, followed by simultaneous punches. Ioda Storm falls to the ground.

ALEXANDRA

Ioda Storm, for the theft of numerous
jewels, harming innocent people, and
causing massive destruction...JUDGMENT!

A judgment cycle starts up, until finally registering an
"X" verdict.

ALEXANDRA

Delete approved. Mega Punch!

The hyper jets on the Mars Patrol Megazord flip out, and
start to take off.

IODA STORM

What the-?

The Mars Patrol Megazord makes its way over to Ioda Storm,
and gives him numerous punches at a super sonic speed.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,
AND RICK

Mega Punch!

Ioda Storm takes the hits, and goes flying back. Once Ioda
Storm hits the ground he explodes.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - EVENING

The Rangers sit around the center console and Dorian stands in front of them.

DORIAN

Excellent work as always Rangers;
especially you Alexandra.

ALEXANDRA

Thanks Captain, but what happened to
Doyle?

DORIAN

He's agreed to go back to prison to
fulfill the rest of his sentence. And
you'll also be happy to know that his
help in this case is going to count
toward good behavior.

ALEXANDRA

And I'm sure with more of that, he'll
be out in no time.

JOHN

Still I can't believe you actually
worked with a criminal.

ALEXANDRA

He wasn't that bad John. Besides he was
the only lead we had. I'm sure you
would've done the same in my position.

JOHN

Probably.

DORIAN

Although Doyle did have one request
before he was brought back to prison.

ALEXANDRA

I think I know what it is, but what'd
he want?

DORIAN

He said something about maybe you and
him going on the first date that you
were supposed to be on today.

ALEXANDRA

Why did I know that was going to be it?

JULIE

Well you are psychic.

RICK

But I thought that was part of his
mindless act.

ALEXANDRA

That's what I thought too. Maybe he was
serious.

DORIAN

Actually Doyle wants to know a response
sometime soon.

ALEXANDRA

Tell him I'll have to think about it.

JULIE

Besides there's someone else you're
interested in anyway.

PATRICK

Really? Who is it?

JULIE

Wouldn't you like to know?

END
