"POWER RANGERS SPACE POLICE DEPARTMENT: EPISODE 26 - THE  
PRINCESS AND THE PINK RANGER"

FADE IN:

EXT. DARKWING'S ALLEY - NIGHT

DARKWING stands in the alley as the three holograms of his biggest clients, the figures in red, blue, and black cloaks, appear before him.

DARKWING

Another holo-conference?

FIGURE IN BLUE

This is merely a check up after our previous discussion.

FIGURE IN RED

Not to mention your disappointing performance as of late.

DARKWING

I'm only an arms dealer. It's not my fault that a bunch of moronic criminals can't use what I provide for them.

FIGURE IN BLACK

But what if it's your arms that have caused these criminals to be caught by SPD? After all they just deleted Reflectus, not to mention that they also got the Zodiacs too.

DARKWING

All of the equipment I provide is thoroughly tested. Even that duplicate of the Zodiacs' robot that I sold to Replicus was tested like that, AND built to the exact specs of the original. The three of you all seem to forget that not only is this team of Rangers on Earth two Krugers strong, they now have a Special Ops officer with them. They've grown even stronger than our last conference, and I've got a feeling that they'll only get stronger.

FIGURE IN BLUE

How much stronger do you think they will get?

DARKWING

If they ever get their hands on the SPD's S.W.A.T. technology, my life won't exactly get any easier. But I couldn't see that happening anytime soon.

FIGURE IN RED

Never say "never" Darkwing.

DARKWING

Is there really any point to tonight's conference, or am I going to have to end this right now.

FIGURE IN BLACK

Fine this conference is over.

FIGURE IN BLUE

But if I know Kruger, he will be relentless if he ever finds out about your little operation.

DARKWING

Then I'll deal with it when the time comes. Good-bye.

The holograms disappear.

DARKWING

I swear. My alliance with them is going to cost me in the long run.

An order projection shows on the glass of Darkwing's atmospheric protector.

DARKWING

Dwalos, eh? Well give me the cash and you'll get what you want.

FADE OUT.

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DAY

A girl in a formal dress runs throughout the city. She pauses for a minute, seeing a woman in a gray suit, with a red scarf around her neck looking around.

GIRL

She is on to me.

The girl starts to run again, all the while looking behind herself to see if the woman is still following her.

GIRL

Need to get away.

The girl continues to evade the woman, eventually making her way into a parking garage. As the girl runs through the garage, a van pulls into a parking spot. A young boy opens one of the sliding doors on the side of the van, but accidentally drops a skateboard onto the ground. The skateboard rolls away from the boy, and the girl steps on it. The force of the girl stepping on the skateboard causes it to take her to the edge of the level she is on. The girl crashes onto the end of the level, going over the railing. As the girl falls to the ground, she screams. However DEX (morphed) jumps up and grabs her. Dex and the girl land, and ALEXANDRA comes up to them.

ALEXANDRA

Everything all right?

DEX

You okay?

GIRL

I'm fine.

The girl keeps her head tilted down not showing her face to either Dex or Alexandra. Dex powers down quickly.

ALEXANDRA

That was a close one.

DEX

At least I was able catch her in time.

ALEXANDRA

So what do you think her story is?

DEX

No idea.

The girl looks up at the both of them, and Dex and Alexandra notice her face.

DEX  
Julie?

GIRL  
Who is Julie?

ALEXANDRA  
Okay Julie, we don't know what kind of game you're trying to play here, but end it before Captain Kruger does.

GIRL  
I am not this Julie you speak of.

DEX  
Right, it's probably all part of the act, right?

ALEXANDRA  
Probably.

Dex notices a crystal on the girl's forehead.

DEX  
And what's with that thing on your forehead?

ALEXANDRA  
She's probably just committed to what she's doing. Right Julie?

The Night Beat squad car drives up to where Dex, Alexandra, and the girl are. PATRICK and JULIE get out of the car and walk over to them. Neither Dex nor Alexandra notice Patrick or Julie.

JULIE  
What's going on guys?

DEX  
We're just trying to figure out what you're up to Julie...

Dex turns around to see Julie and Patrick. He looks over at the girl again.

DEX  
What the-?

PATRICK  
So what's going on here?

ALEXANDRA

No idea. All that happened is that Dex caught this girl from falling off of a level in the parking garage, and that she looks exactly like you Julie.

Julie walks up to the girl and notices her forehead crystal.

JULIE

She can't look exactly like me; she has that crystal in her forehead.

PATRICK.

I think we better get back to H.Q.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

The girl sits in one of the chairs. Dex, JOHN, Patrick, Alexandra, Julie, and RICK are all off to the side as DORIAN paces around. Dorian looks at the girl for a moment, and then looks at Julie.

DORIAN

The likeness is uncanny.

DEX

But how could she look exactly like Julie?

ANITA walks in.

ANITA

Well it is said that everyone in the universe has someone who's his or her exact double. So maybe this person here is Julie's.

JOHN

But the most important question is who is she, and why's she here?

DORIAN

And you're right John. (to the girl)  
Now would you mind helping us out?

GIRL

I'm Princess Mika of the planet Mouke.

JOHN

A princess? Well that certainly is different from Julie.

Rick walks over to a computer terminal and hits a few keys. A page starts to print out.

RICK

Here we go, the Mouke have secretly come here to perform the royal family's traditional ceremony.

DEX

Okay, then why's she here right now?

MIKA

Well...it is...because...several things...

DEX  
(frustrated) Just spill it!

MIKA  
I am sorry...it is just that...I am  
scared. So I ran.

JULIE  
Is there someone after you?

JOHN  
Julie!

PATRICK  
Well there could be plenty of people  
who'd want to see the princess of a  
planet taken out.

DORIAN  
The only real question is who exactly.  
That is of course if there's someone  
after the princess. Is there?

MIKA  
Ah...yes.

JULIE  
So what are we going to do about this?

PATRICK  
How about the old switcheroo?

DORIAN  
Excellent idea Patrick.

JULIE  
Does this mean what I it does?

Dorian nods.

FADE OUT.

FADE IN:

INT. THE LOBBY OF A FANCY HOTEL - DAY

Dex, John, Patrick, Alexandra, and Rick walk into the hotel, soon followed by Julie in Mika's clothes and wearing a crystal sticker like Mika's crystal on her forehead, and Mika wearing Julie's uniform, two adhesive bandages over her forehead crystal, and a pair of sunglasses. Mika also has her hair somewhat covering her face. The Rangers and Mika walk into a lounge that is off to the side of the lobby, where the woman in the gray suit and red scarf from before, and an older man (dressed similarly) are sitting. The man and woman rise as the Rangers and Mika enter the room.

MAN

Welcome officers, I am Drealf. I would just like to thank all of you for returning the princess to us.

WOMAN

Yes thank you officers.

PATRICK

We're just glad to help.

DEX

Besides this kind of thing is our job.

ALEXANDRA

And I'm sure the princess is prepared to do whatever this ceremony is. Right princess?

JULIE

(enthusiastically) Right!

DREALF

Princess, you seem a little different. You are not your usual reserved self.

A concerned look starts to go over Julie's face.

JULIE

(INNER)

Can't sound too excited or they'll suspect me.

DREALF

Did something happen to you while you were away from us?

JULIE

Uh...no...it was just an off moment.

DREALF

Good. Now of the six of you do not mind, we must prepare for the ceremony.

PATRICK

No problem. I'm sure everything will be fine. Right princess?

JULIE

Right.

Dex, John, Patrick, Alexandra, Rick, and Mika leave the hotel. They all walk over to the squad cars and the cycles.

DEX

I don't get it. Neither one of them seemed like they wanted to take out the princess.

JOHN

Please rookie, if you had that kind of a plan, would you make it seem like it?

ALEXANDRA

John's got a point Dex.

RICK

Who was that woman princess?

MIKA

That was Aetrimn, an attendant.

PATRICK

What about that Drealf guy?

MIKA

He is also an attendant.

ALEXANDRA

So what's the plan?

JOHN

We should probably watch the ceremony, because whoever is after the princess would use that time to strike. Do you know where everything's going to take place?

MIKA

I do.

JOHN

Then show us.

INT. THE LOUNGE IN THE HOTEL - DAY

Drealf, and Aetrimn stand before Julie.

DREALF

Well princess this is going to be a long day, so please go get changed for the ceremony.

JULIE

Yes Drealf.

AETRIMN

I will go ahead to begin the preparations.

DREALF

Please do Aetrimn.

FADE OUT.

FADE IN:

EXT. A PARTIALLY FORESTED AREA - DAY

A tied up Julie (now in a white jumpsuit) kneels in a gazebo, with a vase on her head. Drealf and Aetrimn stand before her.

JULIE

So what is this?

DREALF

If you do not do this you will never become queen.

JULIE

But why do I have to kneel?

DREALF

It is tradition.

JULIE

Why am I tired up?

DREALF

That is also apart of the tradition.

JULIE

And the vase?

DREALF

Again, tradition. Princess if you must stay like this for four hours. Now we will begin.

JULIE

You mean we did not start all ready?

Julie moves her head back ever so slightly, which knocks the vase off of her head. Aetrimn picks up the vase and places it back on Julie's head.

DREALF

We will begin now.

In some far off bushes Dex, John, Patrick, Alexandra, Rick, and Mika hide and watch everything.

PATRICK

I can't believe she's actually going through with this.

JOHN

Drealf couldn't be the one behind the plot. It'd be too reckless.

DEX

But do you think Julie can do that for that long?

MIKA

It should actually be me doing it.  
(muttering) Thank goodness.

DEX

What'd you say?

MIKA

Nothing.

DISSOLVE TO:

EXT. THE FORESTED AREA - DAY

After one hour, Julie is still tied up kneeling in the gazebo with the vase on her head. Drealf and Aetrimn watch over Julie.

JULIE

(INNER)

Why'd I actually agree to this? It's only been an hour and my legs are all ready asleep.

A partially concerned look goes over Aetrimn's face. Drealf notices.

DREALF

What is wrong Aetrimn?

AETRIMN

The princess looks like she is in pain, and it has only been an hour.

DREALF

Your sympathy is not welcome.

In the distant bushes Dex, John, Patrick, Alexandra, Rick, and Mika continue to watch everything.

RICK

Well so far so good, nothing's happened.

JOHN

It's only been an hour; just give it  
some more time.

DISSOLVE TO:

EXT. THE FORESTED AREA - DAY

After three more hours Julie is still in the gazebo, tied up and kneeling with the vase on her head. Julie is now also looking like she is completely out of it. In the bushes Dex, John, Patrick, Alexandra, Rick, and Mika still watch. Patrick yawns a little.

ALEXANDRA

Patrick!

PATRICK

Sorry.

JOHN

This is odd. The four hours are up, and  
nothing's happened.

RICK

You're right. If someone were to attack  
the princess this part of the ceremony  
would've been the best time.

At the gazebo, Drealf and Aetrimn walk over to Julie. Aetrimn takes the vase off of her head and Drealf unties her. Julie falls to the side.

DREALF

Time is up, but there is no time to  
rest.

FADE OUT.

FADE IN:

EXT. ANOTHER PART OF THE FORESTED AREA - DAY

Julie holds the vase in her right hand as her right arm is fully extended. She stretches out her left leg and tries to grab onto it with her left hand, while Drealf is banging on a drum. Aetrimn stands beside him. Julie continues to stretch out her left leg, and manages to grab it with her hand, but she loses her grip and spins around a little.

DISSOLVE TO:

EXT. A RIVER - DAY

Julie stands in the river holding the vase above her head bobbing up and down in the water. Drealf and Aetrimn stand watching her from one of the banks.

JULIE

It's so cold.

DISSOLVE TO:

EXT. ANOTHER PART OF THE FORESTED AREA - DAY

Julie stands holding the vase above her head, while a single apple rests on the top of her head. Drealf and Aetrimn stand before her, as Drealf pulls back an arrow with a bow, aims for the apple, and lets go of the arrow. The arrow flies from the bow, and hits the apple. Julie faints the second the apple leaves her head. Drealf and Aetrimn go over to her and wake her.

DISSOLVE TO:

EXT. A BRIDGE - DAY

Julie, Drealf, and Aetrimn stand on the bridge. Julie is still holding onto the vase.

DREALF

And now you will be jumping off of this bridge.

Julie walks up to the bridge's railing, and looks down.

JULIE

You have got to be kidding, right?

DREALF

Have I been kidding you all day? Also you need to have the vase with you during your jump.

JULIE

Why?

DREALF

Tradition. Although, I do not know what it is, but princess there really does seem to be something off about you today.

Julie stares off into space a little.

JULIE

(INNER)

Oh no, I almost got caught again.

DREALF

Do not worry about it. It is ready.

JULIE

What?

Julie looks down to see that a shackle is attached to her left ankle, which is attached to a rope. The other end of the rope is tied to the opposite side of the bridge.

JULIE

Are you sure about this?

DREALF

Absolutely. Everything is secure. You need not worry.

JULIE

But-

DrealF pushes Julie over the edge of the bridge. In the distance Dex, John, Patrick, Alexandra, Rick, and Mika watch Julie as she bounces up and down on the rope.

MIKA

I cannot believe that she has to do that.

DEX

Wait a minute, what if the rope breaks.

JOHN

As much as I hate to admit it, you're right rookie.

PATRICK

It'd probably only take one well aimed shot from a laser blaster to take out the rope.

MIKA

I am just glad that I did not have to do that.

Mika laughs a little.

DEX

What are you talking about? Julie's doing her best, and doesn't know when some sharpshooter might strike. She's risking her life for you.

MIKA

She is safe. I can assure you of that.

ALEXANDRA

What do you mean?

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

Drealf, and Aetrimn stand before a series of flaming rings of barbed wire. Julie looks at the hoops.

JULIE

I have to pass through that?

DREALF

It is trad-

JULIE

I know. I know. It's tradition. But what if I mess up?

DREALF

We Mouke are resistant to fire. You should know that. All that would go wrong is your clothes burning. After all you cannot not do this and expect to become queen someday.

JULIE

(annoyed) Fine. Let's just get this over with. Do I need the vase?

DREALF

No, as per tradition dictates.

JULIE

Good, something to look forward to.

Julie walks out to face the rings.

JULIE

(INNER)

This isn't going to be easy.

EXT. THE AREA NEAR THE BRIDGE - DAY

Dex, John, Patrick, Alexandra, and Rick all face Mika.

JOHN

So you're life isn't in danger?

MIKA

No, that is just what you all assumed, and I guess I just went with it.

ALEXANDRA

So you switched places with Julie for the ceremonies?

RICK

Well we better tell the attendants about this.

EXT. THE QUARRY - DAY

Julie faces the rings, as Drealf, and Aetrimn watch on the opposite side of the rings from her. Aetrimn takes out a compact from one of her pockets, opens it up and touches up her make up a little. After touching up her make up, Aetrimn uses the mirror on the compact to flash some sunlight, followed by a quick flash, then a series of three flashes, then another quick flash, and finally two more flashes. Four flashes, a quick flash, and one more flash can be seen from a ledge surrounding the quarry. Julie notices Aetrimn, and a confused look goes over her face.

DREALF

Now!

DEX'S VOICE

Julie!

Dex, John, Patrick, Alexandra, Rick, and Mika run up to the area.

JULIE

What are you guys doing here?

DREALF

Yes why are you people here?

Aetrimn puts the compact away.

JOHN

Well-

From out of nowhere a single yellow laser is fired, and hits Julie. Surprised looks go over Dex, John, Patrick, Alexandra, Rick, and Mika's faces as Julie falls to the ground.

DREALF

Princess!

Drealf runs over to Julie.

DEX AND PATRICK

Julie!

Dex, and Patrick run over to Julie as John, Alexandra, and Rick draw their side arms.

ALEXANDRA  
So she wasn't lying?

JOHN  
So there really is someone after the princess.

Rick looks up to see the flashing on the ledge.

RICK  
There's something hiding.

JOHN  
Okay let's go. Alexandra, take care of the princess and Julie.

Dex, John, Patrick, and Rick run off.

MIKA  
This is all my fault.

ALEXANDRA  
It's only a coincidence.

EXT. A FIELD - DAY

Dex, John, Patrick, and Rick (all morphed) appear before DWALOS, who is holding his blaster.

DWALOS  
Great, S.P.D.

RICK  
You're the sharpshooter Dwalos, aren't you? Who hired you?

DWALOS  
Can't tell, my clients aren't your business.

DEX  
Let's get him.

Dex draws both of his Blasters and fires at Dwalos, but Dwalos dodges the shots. Dex fires more shots, only to have them dodged by Dwalos. Dwalos jumps up and fires four precise shots that hit Dex, John, Patrick, and Rick.

EXT. THE QUARRY - DAY

Drealf holds Julie in his arms, while Alexandra, Mika, and Aetrimn look over her.

DREALF  
Princess! Princess!

MIKA  
I am sorry about this. It is my fault.  
This should not have happened to Julie.

Mika takes off the sunglasses. Drealf looks at Mika, then Julie, and then Mika again.

MIKA  
I'm the real princess Drealf.

Mika takes the bandages off of her forehead.

DREALF  
Thank goodness, the princess is safe.  
Everything is okay.

Drealf goes over to Mika.

JULIE  
No it's not!

Julie gets to her feet. Surprised looks go over Drealf and Aetrimn's faces.

JULIE  
I'm wearing a laser proof vest.

DREALF  
Then you are...

JULIE  
Sergeant Julie Benson, of S.P.D. Earth  
branch.

Julie takes the fake crystal off of her forehead. She then turns to Aetrimn and points.

JULIE  
And you're under arrest!

AETRIMN  
On what grounds?

JULIE

Using your compact to signal a sharpshooter, which means you're guilty of an attempt on the princess' life.

Alexandra walks over to Aetrimn, and places her handcuff on her.

DREALF

What?

MIKA

Is this true Aetrimn?

JULIE

You didn't expect to get away with it, did you?

AETRIMN

If you had not survived, my family would have taken the throne.

Julie turns to Drealf.

JULIE

And you! What is with those ridiculous ceremonies?

DREALF

It is tradition.

JULIE

Will you knock it off with the tradition thing? There's no point in doing them if you don't know why you're doing it. So you might want to rethink these traditions.

DREALF

I will consider it.

MIKA

She told off Drealf?

Julie turns to Mika.

JULIE

And don't even get me started on you. You might want to rethink your life.

ALEXANDRA

Feeling better now?

JULIE

Much.

ALEXANDRA

Good. I think the guys could use our help right now.

JULIE

Drealf take care of the princess.

Alexandra and Julie run off.

EXT. THE FIELD - DAY

Patrick is tossed to the ground, as Dex, and Rick try to attack Dwalos only to get hit by Dwalos' blaster. John comes in and tries to kick Dwalos, but Dwalos blocks the attack with his blaster. Dex gets up, but Dwalos strikes him, knocking Dex down again. John tries to punch Dwalos, but Dwalos smacks the attack away and slashes John with his blaster.

DEX

Why you!

Dex gets back up, aims his Blasters, and fires at Dwalos, but Dwalos swats the shots away with his blaster, and jumps up and over to Dex. Dwalos tries to strike Dex with his blaster, but Dex ducks under the attack. Rick comes in and tries to kick Dwalos, but Dwalos' blaster blocks the attack. Dwalos strikes Rick with the end of his blaster, knocking Rick back. Dex comes in and tries to attack, but Dwalos also hits him with the end of his blaster. Dwalos then slashes at Dex and Rick with his blaster knocking both of them down. John and Patrick go over to Dex and Rick.

JOHN

Rick!

DEX

This isn't going to work. We can't hit him directly.

DWALOS

Good then I'll finish you off now.

JULIE'S VOICE

No so fast!

Alexandra and Julie (both morphed) come in, and land simultaneous flying kicks on Dwalos, knocking him down. Alexandra and Julie land and the other Rangers come up to them.

JULIE

You're not going anywhere.

Dwalos gets up and aims his blaster.

DWALOS

Take this pinky!

Dwalos fires a few shots, which the Rangers dodge. Julie jumps up through the kicked up dirt, and scissor kicks Dwalos, knocking him down. Dwalos gets back up and tries to strike Julie, but she dodges the attack. Dwalos swings his blaster at Julie a few times, but Julie dodges every swipe. Julie then gives Dwalos a kick, which knocks him back. Dwalos tries to attack, but Julie strikes him with both of her hands. Dwalos falls back, and tries to slash at Julie, but she jumps over his blaster.

JULIE

Time to finish you.

Julie charges at Dwalos, jumps up and lands a double foot kick on him, which knocks him down. Julie lands, and the other Rangers come up to her. Dwalos gets back to his feet.

JULIE

Let's get him.

The Rangers charge at Dwalos. Rick jumps up, and lands a flying punch with his left fist on Dwalos. John, and Patrick land simultaneous strikes from their D-Batons on Dwalos. Dex fires numerous shots at Dwalos, all of which hit him and cause his blaster to fly up in the air. Dex lands, and extends his arms. Alexandra and Julie then jump up, use Dex's shoulders to spring board themselves toward Dwalos, and simultaneously thrust their D-Batons at him. Dwalos falls to the ground, and the Rangers regroup. Dwalos gets back to his feet.

DWALOS

This isn't over!

Dwalos presses a button on his left wrist and jumps up. A giant robot appears in downtown Diotech City, and Dwalos enters it. Julie takes out her morpher, and opens it to phone mode.

JULIE

Dr. Falco, the Zords!

INT. THE TECH ROOM - DAY

Anita sits at the controls.

ANITA  
 Launching the Patrol Zords, and the  
 Mars Cyclezord.

EXT. DOWNTOWN DIATECH CITY - DAY

Dwalos' robot walks around, but stops when the sound of sirens is heard. The robot turns around to see the Patrol Megazord riding on the Mars Cyclezord.

JULIE  
 You're not going anywhere!

The Patrol Megazord fires a shot from the Signal Blaster, but the robot dodges it. The robot then fires a few blasts from its shield, but the Patrol Megazord dodges the shots.

JULIE  
 Time to combine.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,  
 AND RICK  
 Mars Patrol formation!

The Patrol Megazord combines with the Mars Cyclezord.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,  
 AND RICK  
 Mars Patrol Megazord, online!

DWALOS  
 Take this!

The robot fires a few shots, but the Mars Patrol Megazord jumps up and dodges the attack. The Mars Patrol Megazord then lands a flying punch with its right fist on the robot.

JULIE  
 You're not good at surrendering, are  
 you?

The Mars Patrol Megazord starts to strike the robot a few times, which knocks the robot down. Inside of P-Zord 5 Julie takes out her morpher.

JULIE  
 Dwalos, for sharp shooting jobs on  
 thousands of planets, as well as  
 attempting a job on a princess and an  
 S.P.D. officer...JUDGMENT!

Julie opens her morpher to judge mode. The one-minute judgment cycle works its way to an "X" verdict.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,  
AND RICK

Delete approved!

The hyper jets on the Mars Patrol Megazord flip out.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,  
AND RICK

Mega Punch!

The Mars Patrol Megazord speeds toward the robot, and does the Mega Punch attack on it. The robot takes the hits, and falls down and explodes.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,  
AND RICK

Got you!

JULIE

And that should take care of that.  
Although, everything from today has  
tired me out.

ALEXANDRA

Well you did do a lot.

FADE OUT.

FADE IN:

EXT. THE QUARRY - DAY

The Rangers (now unmorphed) come up to Drealf and Mika.

DREALF

I would just like to apologize for all of the troubles that we gave you today.

JULIE

It was nothing, especially since there was someone after the princess.

Dex, John, Patrick, Alexandra, and Rick step back and gather around.

DEX

Should someone tell Julie?

PATRICK

Nah, I think it's best that she doesn't know the princess lied about her life being in danger.

ALEXANDRA

Besides Julie's bound to go on some kind of a rampage if she were to find out.

Dex, John, Patrick, Alexandra, and Rick go back over to Julie.

MIKA

And I would like to apologize to you Julie. I had no right to make you do the ceremony, especially since there was no real danger.

JULIE

What do you mean there was no real danger?

MIKA

Did the others not tell you?

JULIE

Tell me what?

RICK

Nothing.

JULIE

Guys!

PATRICK

Don't get too mad, but the princess  
lied about having someone after her.

DEX

But as it turned out someone actually  
was after her, so it worked out in the  
end.

JULIE

So you mean to tell me that I risked my  
neck with those ridiculous ceremonies  
for nothing?

JOHN

I wouldn't say "nothing", because had  
the two of you not switched places, the  
princess wouldn't be standing here.

ALEXANDRA

The man's got a point.

Julie starts to breathe a little heavily, before she starts  
to charge at the other Rangers.

JULIE

I'm going to get you all for this!

The other Rangers run away from Julie trying to avoid her.  
Drealf and Mika watch the Rangers and laugh.

MIKA

You know we are going to have to have a  
talk about these traditions when we get  
home.

DREALF

But these are traditions; no one has  
authority to change them.

MIKA

Not even the princess and future queen?

DREALF

I see what you are getting at. Then we  
will discuss this when we get home.

END
