"POWER RANGERS SPACE POLICE DEPARTMENT: EPISODE 29 - WINGS  
OF VICTORY"

FADE IN:

INT. PATRICK'S QUARTERS - NIGHT

PATRICK enters the room and sits down at his desk, where his laptop is resting. Patrick moves his laptop's cursor over to an icon for an Internet browser, and clicks on it. Once the browser loads, Patrick moves the cursor over to the address bar, and clicks on it. Patrick types an URL, and hits the enter key. The website for Diatech First National Bank loads up, and Patrick clicks on a link to check his account. The page loads, and Patrick enters his information into the right bars, and hits enter once again. A new page loads with Patrick's account information. A somewhat worried look goes over Patrick's face when he sees the balance.

PATRICK

At the very least it's not like you  
have to pay rent or anything. But still  
given what I've got to do, this job  
could pay just a little more.

An alarm goes off, and Patrick's morpher rings. He takes it out and opens it to phone mode.

DORIAN THROUGH THE COMMUNICATOR

All Rangers move out! Giant robots have  
appeared in the city.

Patrick gets up and leaves his quarters. As he runs through the hall DEX, JOHN, ALEXANDRA, JULIE, and RICK catch up with him.

EXT. DOWNTOWN DIATECH CITY - NIGHT

Three giant robots walk through the city. They all continue on their path until they stop, turn a little and all fire lasers at a single point in the city. The Mars Patrol Megazord walks up to the area.

JOHN

SPD! Hold it!

The Mars Patrol Megazord walks up behind a robot that has a satellite dish on its forehead, and grabs onto the robot with its right hand. The robot tosses the Mars Patrol Megazord's hand up, and strikes the Mars Patrol Megazord with his right hand. Another robot, that has two claw-like hands, comes up to the Mars Patrol Megazord and grabs onto it with the satellite head robot. The third robot that only has one eye comes up to the Mars Patrol Megazord and starts to strike it several times with its hands. The Mars Patrol Megazord breaks free of the grasps of the satellite-head, and claw-hand robots, and starts to punch the cycloptic robot a few times knocking it back. The cycloptic robot transforms into a jet and takes to the sky.

DEX

It can fly?

The cycloptic robot turns around to face the Mars Patrol Megazord and fires numerous missiles at it. The Mars Patrol Megazord takes all of the hits, and falls down. The cycloptic robot reverts back to its robot form, and lands.

PATRICK

We're toast if we get hit again like that.

The satellite-head, and claw-hand robots walk up behind the cycloptic robot. The cycloptic robot targets an area away from the Mars Patrol Megazord and fires a few blasts.

JOHN

What are they trying to do?

The three robots disappear.

PATRICK

What were these guys trying to pull?

On the ground, a small pink orb rests against the side of a building.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

DORIAN sits at his desk. ANITA stands before it looking at the screen. Dex, John, Patrick, Alexandra, Julie, and Rick line up in front of the desk. The screen behind the desk shows schematics for the Mars Patrol Megazord and all of the damage that it has taken.

ANITA

The Mars Patrol Megazord took quite a beating last night. But it's nothing that I can't fix. Although Dorian, if there's now a robot that can fly fast like that, maybe it's time to put my full attention, on finishing off that project you have me doing.

JULIE

What project?

DORIAN

Don't worry about it for now Julie. Anita...

ANITA

Yes Dorian?

DORIAN

I think you know what to do now.

ANITA

I know.

Anita leaves the room.

DORIAN

We've analyzed what happened last night, and it appears the area that the robots attacked wasn't of any importance. However, last night's outing did claim one victim, an alien who's currently in the ICU at Diotech General. Apparently he's now in a coma.

JOHN

So what about this guy?

DORIAN

He was no one of importance, just a civilian.

DEX

But who'd do that?

DORIAN

Wish I knew Dex, but here's where things start to get a little more interesting, last night after the robots disappeared a UFO was seen over Diatech Hills.

PATRICK

But why over the rich part of town?

DORIAN

We don't know, but what we do know is that the UFO matches the description of that plane form that one of the robots took last night.

ALEXANDRA

But there's no way that any of us could investigate that area. The super wealthy live there, and they all have intergalactic government ties.

RICK

Which means they could easily have our badges if they really wanted to.

JULIE

So we can't touch them?

DORIAN

Frankly I don't care who any of these people think they are. No one is above the law. We will investigate this matter. Find out why these people needed three robots to do what they did last night, and if there's anyone who's guilty bring them to justice. And if anyone has a problem with that I'll take full responsibility.

PATRICK

Captain, let me do the investigation.

DORIAN

Go ahead Patrick. Anyone want to help him?

ALEXANDRA

I'll go.

JULIE

Me too.

DORIAN

Very well.

JOHN

What about the rest of us?

DORIAN

I was doing some thinking, and it might be a good idea to try to track down Darkwing. Just try to get some leads, and see if maybe you can find any former clients of his. Understood?

DEX, JOHN, AND RICK

Yes sir.

DORIAN

Good. The six of you have your assignments, so go.

Dex, John, Patrick, Alexandra, Julie, and Rick leave the command room.

FADE OUT.

FADE IN:

EXT. THE STREETS OF THE DIATECH HILLS DISTRICT - DAY

The Night Beat squad car drives down the street and up to a small estate. The car parks, and Patrick, Alexandra, and Julie get out.

EXT. THE BACKYARD OF THE ESTATE - DAY

THOLIN, PRUMT, and ROCKOFELLEX sit at a garden table. An espresso maker, and three full espresso cups rest on the table. Tholin picks one of the cups up and takes a sip. Patrick, Alexandra, and Julie walk up to the three of them. Tholin notices the S.P.D. insignia on their uniforms.

THOLIN

What are you doing here?

Patrick takes out his morpher, and flashes Tholin his badge quickly.

PATRICK

I'm detective Patrick Caine of the S.P.D. I'm just here with Detective Holmes and Sergeant Benson, to ask you a couple questions?

THOLIN

What kind of questions?

ALEXANDRA

A UFO was seen in this area last night.

PRUMT

Please numerous ships are seen in this area all the time. Why should we care?

PATRICK

The UFO matches a description of one, the three of us fought against last night.

ROCKOFELLEX

And we care because...

PATRICK

It was apart of a small bit of destruction that happened downtown last night. All we want to know is if you know anything about it.

THOLIN

Sorry can't help you. We don't know anything about any of that. Is that all?

PATRICK

Quick question.

THOLIN

What?

PATRICK

What are the three of you here for?

PRUMT

This is just a leisure trip.

ROCKOFELLEX

Besides it's not like this backwoods planet has anything good to offer.

THOLIN

But at the very least the coffee here is good. Anything else?

PATRICK

So what do three wealthy young aliens such as you, do on a leisure trip to Earth?

THOLIN

We're in the middle of a little treasure hunting game.

Tholin takes out three wads of cash, and sets them down on the table.

THOLIN

This is for your trouble today. Sorry we couldn't help.

PATRICK

Sorry we can't accept that.

JULIE

Why not?

ALEXANDRA

I don't know about you Julie, but there are people out there who'd consider that a bribe.

THOLIN

Please take it. I know S.P.D. officers don't make that much, and I'm sure you could all use the cash.

PATRICK

Sorry we can't accept. C'mon guys let's go.

Patrick, Alexandra, and Julie turn to leave the yard.

THOLIN

Fine have it your way. I don't care.

Patrick, Alexandra, and Julie continue on their way out of the yard. Once they are out of sight, DARKWING comes out of one of the trees in the yard. Darkwing walks up to Tholin.

THOLIN

Good you're here. I'm not paying you to do nothing.

DARKWING

Sorry about that Tholin, but given the nature of my business the less the S.P.D. knows the better.

THOLIN

What do you have for me?

Darkwing takes out a metal briefcase that has his insignia on it. He sets it down on the table, and opens it revealing a small computer system.

DARKWING

As you can see this device has been programmed to track wherever your orb is and can also make the orb chose its next host, as the indicator for the next target in your game.

THOLIN

Excellent, you're equipment is well worth the cash. Even if may be a little overpriced.

DARKWING

I'll ignore that. But either way it is an honor to be in business with someone of your financial stature. Especially given the scum that I usually do business with.

THOLIN

Whatever. Just show me how to use this thing, or whatever deal we had is off.

DARKWING

I wouldn't dare dream of not giving a high paying client such as you a demo.

EXT. THOLIN'S ESTATE - DAY

Patrick, Alexandra, and Julie walk up to Night Beat.

JULIE

How many bathrooms do you think that place has?

PATRICK

Why, you want something like this? Not that it matters, because you'd never be able to afford it on a cop's salary.

ALEXANDRA

(sarcastically) But if you're a crooked cop...

JULIE

Maybe I'll get a rich guy to marry me.

PATRICK

Please.

ALEXANDRA

What's the plan now?

PATRICK

We'll go back to the city and see if we can find some leads.

Patrick, Alexandra, and Julie get into the car. Patrick starts it, and drives off.

FADE OUT.

FADE IN:

INT. AN HERBAL MEDICINE SHOP - DAY

A young boy walks into the shop, and the sound of a bell can be heard as the boy opens the door. The boy looks around for a while, until GRANNY AGATHA comes out from the back of the shop. Granny Agatha goes behind the counter, and notices the boy.

GRANNY AGATHA

Can I help you?

The boy turns around to see Granny Agatha. Granny Agatha notices who the boy is.

GRANNY AGATHA

(disappointed) Oh it's you.

BOY

Granny, my mom's sick, and I need medicine for her.

GRANNY AGATHA

Right. You're probably just going to buy the medicine and sell it at a higher price.

BOY

But my mom's really sick this time. Please granny you've got to help me.

GRANNY AGATHA

I don't have to give any help to a known shoplifter like you.

BOY

(partially angered) Fine.

The boy quickly grabs a wooden box that is on a shelf on the counter, and runs out of the shop.

GRANNY AGATHA

Stop you thief!

EXT. THE STREETS OF DIATECH CITY, NEAR THE SHOP - DAY

The boy runs, as Granny Agatha follows him as fast as she can. The boy turns into an alley, and Granny Agatha follows. Patrick, Alexandra, and Julie are standing with an alien citizen, who looks reptilian, talking. Granny Agatha notices Patrick, just as the boy is nearing him.

GRANNY AGATHA

Patrick help! That boy stole something from me.

Patrick, Alexandra, and Julie stand side by side. The boy runs into Patrick, and falls to the ground. Patrick grabs onto one of the shoulders of the boy's shirt, and picks him up. As Granny Agatha catches up to everyone, Patrick notices the boy's clothes, and sees that they are a little tattered.

GRANNY AGATHA

Thank you Patrick for catching this shoplifter.

PATRICK

(to the boy) Is it true that you stole something from her?

BOY

I need it for my mom. She's sick.

GRANNY AGATHA

He's probably just going to resell whatever he took.

ALEXANDRA

Agatha, if you don't mind...

Alexandra takes off her right hand glove, and touches the boy's head.

ALEXANDRA

I see this boy standing beside a small bed, where his mother is lying partially asleep. He's telling the truth.

Alexandra picks her hand up, and puts her glove back on.

BOY

How'd you do that?

ALEXANDRA

I have ESP.

The boy looks at Patrick, Alexandra, and Julie and sees the S.P.D. insignia on their uniforms.

BOY

You guys are SPD?

JULIE

Not only that, but we're also Power Rangers.

BOY

Could you please let me go now?

Patrick lets go of the boy. The boy turns to Granny Agatha.

BOY

Do you believe me now?

PATRICK

Please Agatha, this boy looks like he's from a poor family, and he could use the medicine.

GRANNY AGATHA

I don't know. He's stolen from me a few times before.

PATRICK

Then do it as a favor to me.

GRANNY AGATHA

Okay for you Patrick. C'mon let's go.

Granny Agatha, and the boy start to walk away.

PATRICK

Question for you Agatha.

Granny Agatha turns around to face Patrick.

GRANNY AGATHA

Yes Patrick?

PATRICK

I thought you went back into space.

GRANNY

I came back to open my shop, and for you.

Granny Agatha turns around and starts to walk away with the boy. As she walks, Granny Agatha laughs a little.

ALIEN CITIZEN

Anyway, I wish I could be more of a help to you guys, but I honestly haven't seen anything like that.

PATRICK

Well thanks anyway.

Patrick, Alexandra, and Julie start to walk away from the alien. As they walk the sound of Julie's stomach can be heard rumbling.

JULIE

Can we get lunch somewhere?

Alexandra takes out her morpher, and opens it to phone mode. The clock on the display reads "12:00 PM".

ALEXANDRA

Well it is time. What do you say Patrick?

PATRICK

Okay, but nowhere too expensive.

JULIE

Why not?

PATRICK

I just don't want to spend that much.

Patrick, Alexandra, and Julie continue on their way. Alexandra closes her morpher, and puts it away. As the three of them near Night Beat, Patrick pauses for a moment, seeing a small pink orb. He reaches down, and picks it up.

ALEXANDRA

What is it?

PATRICK

No idea.

FADE OUT.

FADE IN:

INT. A DINER - DAY

Patrick, Alexandra, and Julie sit in a booth. An empty bowl of soup sits in front of Julie, as she takes a sip from a glass that has cola in it. Alexandra picks up a coffee cup and takes a sip, before going onto taking a bite from her Caesar salad. A plate with some fries and a club sandwich sits in front of Patrick, as well as a cup of coffee, but Patrick seems more interested in the pink orb than anything else.

ALEXANDRA

Will you put that away all ready?

PATRICK

What do you think it is?

ALEXANDRA

It's junk you found on the street.

JULIE

Besides we're eating right now.

PATRICK

I guess you're both right.

Patrick puts the orb in one of his pockets, picks up one of the quarters of his sandwich, and takes a bite. Patrick puts the sandwich down quickly and takes the orb and his morpher out. Patrick opens his morpher to phone mode, and does a scan on the orb.

ALEXANDRA

I thought we just talked about this.

PATRICK

I'm sorry, but curiosity's gotten the better of me.

The scan finishes and Patrick looks at the read out on the screen.

PATRICK

That's odd it looks like it's just a piece of glass. Although I'm wondering what the scan means by "electronic transference properties".

Patrick closes his morpher and puts it away.

PATRICK

Although, there is another type of scan that we could do right now.

Alexandra rolls her eyes, as she takes off her right hand glove. She sticks her right hand out.

ALEXANDRA

Fine. Just give it here.

Patrick places the orb on Alexandra's hand.

PATRICK

So what do you see?

ALEXANDRA

It's night. The orb is in some kind of a bracelet that an alien is wearing. The alien seems like he's running for his life. He stops, and turns around and sees...

Alexandra drops the orb. Patrick picks the orb up, as Alexandra puts her glove back on.

PATRICK

What'd he see?

ALEXANDRA

The robots from last night, they fired a blast at him. Wait a minute.

Alexandra takes out her morpher, and opens it to phone mode. She dials a number.

ALEXANDRA

Captain Kruger, could I get a picture of the alien you mentioned this morning.

DORIAN THROUGH THE COMMUNICATOR

I'm sending it now.

A picture of an alien appears on the screen on Alexandra's morpher.

ALEXANDRA

It's him.

The orb starts to glow and turns into energy, before becoming a bracelet on Patrick's right wrist.

EXT. THE BACKYARD OF THOLIN'S ESTATE - DAY

Tholin, Rockofellex, and Prumt continue to sit at the table drinking espresso. The computer device is still resting on the table. Darkwing is off to the side. A beeping sound starts to come from the computer. Tholin looks at the screen.

THOLIN

Looks like the next game has started.  
Let's go boys.

Tholin, Rockofellex, and Prumt get up, and start to walk away from the table.

INT. THE DINER - DAY

Patrick, Alexandra, and Julie still sit in the booth, as Patrick struggles to try to take the bracelet off. The ground starts to shake a little.

JULIE

What was that?

ALEXANDRA

You don't think...

PATRICK

We've got to go.

Patrick, Alexandra, and Julie all get up. They all take out their wallets and leave some money on the table. They then rush out of the diner, only to see the three robots walk up to the area. The robots all fire blasts in Patrick's direction, which causes a massive explosion that sends Patrick, Alexandra, and Julie flying back many feet. They all fall to the ground, and quickly get back to their feet.

PATRICK

You guys go get Dex, John, and Rick.  
I'll try to lead them off.

ALEXANDRA

I'm staying with you.

PATRICK

It's too dangerous to be around me  
right now.

ALEXANDRA

But someone's got to stay with you to  
make sure you'll be okay.

PATRICK

Fine, you stay.

JULIE

I'll take the car, and get the others.

PATRICK

Okay.

Julie heads toward Night Beat, as Patrick and Alexandra run into an alley. Alexandra peeks her head around the corner of a building to see the robots making their way closer to them. Patrick comes up behind her. The claw-hand robot fires a beam at the two of them, and they run away deeper into the alley before the beam hits the ground. The satellite-head robot fires a beam of its own at them, but misses. Patrick and Alexandra stop running when they come up to a chain link fence in between two buildings. They turn around, and see a manhole cover.

PATRICK

Looks like the sewer's our only way out.

Patrick and Alexandra go over to the manhole cover, and lift it up. As they both go through the manhole, the cycloptic robot fires a blast. The blast hits the ground and causes some dust to be kicked up. When the dust clears, Patrick and Alexandra are nowhere to be found. The robots stand up straight and look around.

FADE OUT.

FADE IN:

INT. THE SEWERS OF DIATECH CITY - DAY

Patrick and Alexandra run through a tunnel. After a while they stop running and start to walk.

ALEXANDRA

That orb you picked up must be some kind of homing device.

PATRICK

That's what my scan must've meant by "electronic transference properties".

ALEXANDRA

But who could be doing this?

Patrick walks up to one of the walls, and does a handstand to get into his thinking pose. Patrick closes his for a minute. Patrick stays like this for a while until getting back to his feet, and opening his eyes again.

PATRICK

It's obviously some kind of a hunting game.

ALEXANDRA

And the orb must be part it. Mostly likely the game is to take it back, and do as much bodily harm to whomever finds it.

PATRICK

That's what I was thinking.

ALEXANDRA

But who would do something like that?

PATRICK

It'd have to be someone who has a lot of time on their hands right now, and someone who could shell out the cash for three robots like that.

ALEXANDRA

Especially considering that we've seen two of those robots before.

PATRICK

Yeah, I was thinking that two of them looked familiar.

ALEXNADRA

And the flying one must be a new model or something. But still who could have that kind of cash?

Patrick and Alexandra pause for a minute.

PATRICK AND ALEXANDRA

THOLIN!

PATRICK

It all adds up, the UFO in Diatech Hills last night...

ALEXANDRA

That treasure hunting game he mentioned.

PATRICK

And he certainly has the cash to buy three robots like that. It almost makes you wonder how many times he and his friends have done this before they got here.

VOICE

Hundreds of times before we got to you Ranger!

A laser is fired from seemingly nowhere. It hits Patrick in the back, causing him to fall to the ground.

ALEXANDRA

PATRICK!

Alexandra kneels over Patrick, as Tholin, Rockofellex, and Prumt walk out of a shadowy area, all holding blasters. Tholin looks down at Patrick as the bracelet turns back into just the orb, and starts to roll toward Tholin.

THOLIN

Looks like I win this one guys. So let's see that makes four hundred fifty-seven wins for me, and only sixteen losses. Not a bad track record.

PRUMT

I'm definitely going to win the next one.

ROCKOFELLEX

Not if I do first.

Alexandra looks over at Tholin, Rockofellex, and Prumt.

ALEXANDRA

This is sick, hunting down innocent people like this.

THOLIN

Relax; it's just a game.

ALEXANDRA

You put an innocent alien civilian in a coma last night, and now it looks like you almost...

PATRICK

Did nothing to me.

Patrick gets to his feet, as does Alexandra.

ALEXANDRA

How?

PATRICK

Let's just be glad that I actually decided to wear my Kevlar today. Now let's see...

Patrick draws his side arm, aims at the orb, and fires. A laser hits the orb, destroying it. Patrick puts the side arm away.

THOLIN

Like that really matters. I'll just get Darkwing to make me a new one.

PATRICK

This is perfect, you're going down, and you've even named your supplier.

THOLIN

Do you realize how powerful my father is? All I have to do is make one call to him, and he could have your badge. Face it I'm untouchable.

PATRICK

No one is above the law. No matter who you think you are. Let's do it.

ALEXANDRA

Right.

Patrick and Alexandra take out their morphers.

PATRICK

Emergency, SPD!

Patrick and Alexandra both morph.

THOLIN

Don't get in our way Rangers.

Patrick takes out his morpher.

PATRICK

Tholin, Rockofellex, Prumt, for harming several innocent lives, including an S.P.D. officer's, in the guise of a game, as well as mass destruction...JUDGMENT!

Patrick opens his morpher to judge mode. The one-minute judgment cycle works its way to an "X" verdict.

THOLIN

Doesn't matter. The Galactic High Court can't touch me. I'll just get my father to reverse the decision.

PATRICK

Delete approved.

THOLIN

Like I said the Galactic High Court can't touch us. Our fathers will just have the verdict reversed.

ALEXANDRA

Don't give either of us that.

PATRICK

We're bringing you all to justice.

Patrick and Alexandra charge at Tholin, Rockofellex, and Prumt.

THOLIN

Don't just stand there get them!

Tholin pushes Rockofellex, and Prumt in front of himself. However, both Patrick, and Alexandra give them hard punches, which knock them down. Patrick then goes over to Tholin and grabs onto his shirt. Tholin starts to panic.

THOLIN

Stop it. I'll tell my father!

PRUMT

Looks like that cop's being serious.

ROCKOFELLEX

We better run.

Rockofellex and Prumt start to run, but Alexandra quickly combines her D-Baton and Knuckle Grip, and fires a shot in front of them. They both stop as she runs up to them.

THOLIN

Please stop this.

A Spikedroid appears and slashes Patrick on the back, which causes Patrick to let go of Tholin. An X-droid appears and fires at shot at Alexandra that makes contact.

THOLIN

You take care of them.

Tholin, Rockofellex, and Prumt run away as more Spikedroids and X-droids appear and surround Patrick and Alexandra. One Spikedroid tries to slash at Patrick, but gets hit by numerous shots, and falls down. Patrick turns around to see Dex (morphed) appear. John, and Julie (also both morphed) appear as well.

JULIE

I told you I'd get the others.

PATRICK

It's not like I didn't believe you.

JOHN

Can we just finish these guys off?

PATRICK

What about Rick?

DEX

Dorian didn't think we'd need him right now, and told him to continue the investigation on Darkwing.

PATRICK

Either way, let's finish these guys.

Dex, John, Patrick, Alexandra, and Julie all take their morphers out.

PATRICK

S.W.A.T. Mode, power on!

The Rangers raise their morphers up, and open them. The S.W.A.T. Mode armor forms onto them. They all then place their morphers in their vests, and their S.W.A.T. Defenders appear in their hands.

PATRICK

Let's go!

Dex, John, Patrick, Alexandra, and Julie all charge at the Spikedroids, and X-droids. They all fire lasers from their S.W.A.T. Defenders, and the Spikedroids, and X-droids take the hits, fall down and explode.

EXT. THE STREETS OF DIATECH CITY - DAY

Tholin, Rockofellex, and Prumt continue to run. They jump up and into their robots, Prumt into the claw-hand robot, Rockofellex into the satellite-head robot, and Tholin into the cycloptic robot. The robots start to walk.

INT. THE TECH ROOM - DAY

Anita stands before the computer terminal, and grabs onto a microphone.

ANITA

Guys, I've got some good news. The S.W.A.T. Wing Zords are online and ready for you.

INT. THE SEWER - DAY

Dex, John, Patrick, Alexandra, and Julie (all still morphed in S.W.A.T. Mode) stand in the sewer. They all touch the microphones on their helmets.

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE

Roger!

Dex, John, Patrick, Alexandra, and Julie run off into another part of the sewer.

INT. THE ZORD BAY - DAY

Dex, John, Patrick, Alexandra, and Julie make their way toward the S.W.A.T. Wing Zords. Dex gets into S.W.A.T. Wing 1, John gets into S.W.A.T. Wing 2, Patrick into S.W.A.T. Wing 3, Alexandra into S.W.A.T. Wing 4, and Julie into S.W.A.T. Wing 5.

INT. THE TECH ROOM - DAY

Anita is still standing at the computer terminal.

ANITA

Fly out, S.W.A.T. Wing Zords!

Anita presses a few controls on the terminal.

EXT. S.P.D. H.Q. - DAY

Panels on the building open up to reveal the S.W.A.T. Wing Zords. The S.W.A.T. Wing Zords start up and take off. The S.W.A.T. Wing Zords fly toward where the robots are now located. Tholin's robot turns around.

PRUMT

What's that?

ROCKOFELLEX

They can fly too?

THOLIN

Doesn't matter. We just need to take them out. And then we can move onto another planet to continue the game. How's that sound?

PRUMT AND ROCKOFELLEX

SWEET!

Tholin's robot fires numerous missiles at the S.W.A.T. Wing Zords.

DEX

Oh no you don't!

The S.W.A.T. Wing Zords fire lasers destroying all but five of the missiles before they pull up. The missiles then start to target each S.W.A.T. Wing Zord.

DEX

I've got one on my tail!

JOHN

What?

PATRICK

They must be homing missiles.

DEX

Guys, fly toward each other and pull up.

JOHN, PATRICK, ALEXANDRA, AND JULIE

Got it!

The S.W.A.T. Wing Zords fly toward each other, and pull up, dodging the missiles, which hit each other and explode.

THOLIN

They're going to pay for that!

PATRICK

Well you're going to pay for what the  
three of you have done.

INT. THE TECH ROOM - DAY

Anita stands before the terminal.

ANITA

Form the Megazord.

EXT. THE S.W.A.T. WING ZORDS' AREA - DAY

Dex, John, Patrick, Alexandra, and Julie all sit in their  
S.W.A.T. Wing Zords.

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE

Roger! Megazord formation!

The S.W.A.T. Wing Zords combine.

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE

S.W.A.T. Wing Megazord, online!

The S.W.A.T. Wing Megazord flies a little before landing.

DEX

S.W.A.T. Blasters!

The S.W.A.T. Wing Megazord pulls out the S.W.A.T. Blasters.

ROCKOFELLEX

I'm definitely going to win the next  
game no matter what!

PRUMT

Not unless I do.

Rockofellex and Prumt's robots attempt to fire beams, but  
the S.W.A.T. Wing Megazord aims its Blasters and fires at  
both of the robots. The S.W.A.T. Wing Megazord then turns  
around and fires a few blasts at Tholin's robot.

THOLIN

Rockofellex, Prumt, get them!

Rockofellex and Prumt's robots come up to the S.W.A.T. Wing  
Megazord, but it fires numerous shots at both of the  
robots. The S.W.A.T. Wing Megazord then hits both robots  
with its Blasters, before firing even more shots at the  
robots. The robots take the hits, and explode taking  
Rockofellex, and Prumt with them.

THOLIN

Rockofellex! Prumt! This is just a game. This shouldn't be happening.

Tholin's robot transforms into its flight mode.

PATRICK

He's trying to run.

The S.W.A.T. Wing Megazord takes to the sky and follows Tholin.

THOLIN

Impossible! How can they be keeping up with me?

PATRICK

When are you going to realize that this is no game Tholin?

DEX

Hold it!

Tholin's robot continues on its path and the S.W.A.T. Wing Megazord follows it.

THOLIN

You're not going to get me!

Tholin's robot turns around, and fires numerous missiles. The S.W.A.T. Wing Megazord does a roundhouse kick, destroying the missiles. The S.W.A.T. Wing Megazord then back flips, and hits Tholin's robot, which turns it back into its robot mode. The robot falls to the ground, as the S.W.A.T. Wing Megazord lands.

DEX

Time to finish him.

ALEXANDRA

Wait Dex. It's flying with a powerful energy source.

JULIE

So if we blow it up here, we blow the city?

JOHN

Then we'll just take it into space.

DEX, PATRICK, ALEXANDR, AND JULIE

Roger!

The S.W.A.T. Wing Megazord flies toward Tholin's robot and grabs onto it, and then takes it upward and into Earth's orbit.

THOLIN

What are you doing?

Once in space, the S.W.A.T. Wing Megazord lets go of Tholin's robot.

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE

Mode change!

The S.W.A.T. Wing Megazord changes its form into a giant blaster.

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE

Judgment Cannon!

PATRICK

It's time to finish this Tholin.

Inside of S.W.A.T. Wing 3, Patrick takes his morpher out of his vest, and takes out his S.W.A.T. Defender. Patrick opens his S.W.A.T. Defender and places his morpher in it.

PATRICK

Badge Morpher set!

Patrick aims his S.W.A.T. Defender out, as do the others in their respective Zords. Outside the Judgment Cannon powers up.

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE

FIRE!

The Judgment Cannon fires a blast at Tholin's robot. The blast hits the robot, causing it to explode taking Tholin with it.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

Dorian sits at his desk. Anita stands off to the side. Dex, John, Patrick, Alexandra, and Julie enter the room.

PATRICK

So Dr. Falco, what was with those new Zords?

ANITA

Ever since you guys got S.W.A.T. Mode, Dorian wanted me to build a set of Zords that could work with it, and the result was the S.W.A.T. Wing Zords, powerful new Zords, for your powerful new form.

DORIAN

And it appears that the result was a success. Not that I doubted you or anything. However, after today's case we've hit a small snag.

JOHN

What happened?

DORIAN

Tholin's father wants all of your badges.

PATRICK

Let me guess, because we deleted his son, right?

DORIAN

Exactly. But as I told you before I said that I'd take full responsibility for whatever happened today, and I'm going to live with that consequence.

ANITA

Dorian you're not actually-

Commander FALCO appears on the screen behind Dorian's desk.

FALCO

Relax Anita. Kruger is not going anywhere.

Dorian gets up, walks over to the front of his desk, and faces the screen.

DORIAN

But sir how-

FALCO

I simply reminded the elder Tholin of the contents of the file that the S.P.D. has on him.

ANITA

Father!

FALCO

Well the elder Tholin does have a track record that is much worse than his son's. However we do not have sufficient evidence to fully convict him. Once I reminded him of that he backed down.

DORIAN

Thank you sir.

FALCO

Do not mention it. Besides I cannot have one of, if not my best officer leave like that.

DORIAN

Well thanks again sir. Anything else?

FALCO

Yes, I just want to extend a little bit of congratulations to your Rangers for reaching S.W.A.T. Mode. And I trust that someone has all ready taken the liberty of adding onto the S.W.A.T. arsenal for this branch.

ANITA

You know me all too well father.

FALCO

Either way, I need to get back to my usual duties, and congratulations again Rangers on reaching S.W.A.T. Mode.

The screen goes blank, just as Rick enters the room.

DORIAN

How has the investigation on Darkwing turned out?

RICK

We need more time with this, because I think we might've deleted all of the clients that Darkwing has had that could give us help.

DORIAN

Just give it some time. I'm sure we'll find something. However in the meantime there's no reason why the six of you can't continue on with this investigation. So move out.

Dex, John, Patrick, Alexandra, Julie, and Rick all leave the room.

ANITA

I'm a little surprised that you're having them investigate Darkwing as opposed to the Triumvirate. Especially given who's supposed to be apart of that group.

DORIAN

My focus right now is whoever could be on Earth. When any one of the members of the Triumvirate shows up then I'll have the Rangers investigate. Then again if you're talking about, who I think you're talking about, then I have my doubts that he'd actually be apart of that group.

ANITA

Is it that you have your doubts, or that you just refuse to believe it?

DORIAN

Maybe a little of column A, and a little of column B. Either way we've both got some work to do. Not to mention everything that you still need to do on the Patrol Zords, and the Mars Cyclezord.
