FADE IN:

EXT. DARKWING'S ALLEY - NIGHT

DARKWING stands before the holographic images of the members of the Triumvirate.

DARKWING

What do you want this time?

FIGURE IN BLUE

We're here to talk about the recent failure of Spykor.

DARKWING

And this is my fault how?

FIGURE IN RED

You gave him some of your toys.

DARKWING

All I was trying to do was give him something to distract the Rangers, while the Ghoullex was terrorizing the planet. Once the product is out of my hands, it's entirely up to the buyer to do whatever they want with it. If they fail, then that's their problem, not mine.

FIGURE IN BLACK

Regardless, you had a hand in helping him in some way. And we don't overlook failure when you actually *give* people your toys, as opposed to selling.

DARKWING

If you gentlemen don't have an actual reason to be contacting me right now, then this conference is over.

FIGURE IN BLUE

We know about the second egg.

DARKWING

You do?

FIGURE IN RED

Of course, that's always been Spykor's M.O. Should the first Ghoullex fail on him, the second one rises up and finishes what his brother couldn't.

FIGURE IN BLACK

But should the first Ghoullex succeed, Spykor always dug up the second egg before the planet fell.

FIGURE IN BLUE

And since you were wondering about us, the reason why we contacted you is to oversee the growth of the next Ghoullex since Spykor is no longer around.

DARKWING

Fine, but I'm taking off the second it looks like the planet is going to be destroyed.

FIGURE IN BLACK

Very well.

FIGURE IN RED

After all we still need you for any future plans we may have.

DARKWING

Whatever.

FIGURE IN BLUE

But fail us this time, and the ship that we are currently traveling in, will be stopping at Earth.

FIGURE IN BLACK

And believe us when we say that you will not like it if we have to stop on Earth.

A small tremor is felt from underground, causing the holographic imaging to flicker a little.

DARKWING

I think it's best that we end this conference for now. The Ghoullex is causing a few tremors, which appears to be affecting the reception on the holographic imaging.

FIGURE IN BLUE

Agreed Darkwing. We will see you off for now, but remember what we talked about tonight.

DARKWING

Believe me; I'm not going to forget it.

FIGURE IN RED

Good.

FIGURE IN BLACK

And as always Darkwing we will be watching your every move.

DARKWING

Don't remind me.

The holographic imaging disappears, as another tremor is felt from below.

DARKWING

That thing had better destroy this planet soon enough.

INT. AN AREA UNDERGROUND - NIGHT

The new Ghoullex burrows its way through the ground, and after a while it lets out a cry.

FADE OUT.

FADE IN:

INT. A DINER - DAY

DEX, PATRICK, ALEXANDRA, JULIE, and RICK sit down at a table, wearing civilian clothes, with Rick still wearing his morpher. Dex takes a quick sip of cola from a glass in front of him. Patrick picks up a coffee cup, takes a quick sip, and notices a partial look of malaise on Dex's face.

PATRICK

You still hung up about what John said?

DEX

A little bit, yeah.

ALEXANDRA

I wouldn't take it too personally.

JULIE

Yeah, John's always had impossibly high standards when it comes to anything about being a cop.

RICK

I wouldn't really blame John for having high standards. The guy did pass the Special Ops test after all.

PATRICK

But even still, John was always hard on Dex since he became the Red Ranger.

DEX

Well John did say that he never really respected me because everything that's happened with me has come all too easy.

JULIE

Then he's just jealous that everything came easier to you than it did to him.

ALEXANDRA

That's not exactly a good thing Julie. After all how do we know that Captain Kruger didn't pull a few strings so that Dex could actually take the sergeant test?

PATRICK

When Dex took that test, Captain Kruger had something much more important to worry about, than making sure his brother got a promotion.

DEX

Besides it was Commander Falco who wanted me to take the sergeant test anyway.

RICK

But that doesn't explain John's opinion of Dex.

DEX

Well John did say that he worked long and hard to get to where he's at.

PATRICK

So maybe he's just a little jealous that things have come so easy to you. After all don't you also come from a long line of cops?

DEX

Yeah pretty much, most of the Kruger men have been cops. I think the only exception is my great grandfather who did something else, but his wife was a cop.

JULIE

So maybe it's just a matter that law enforcement is in your blood, so that's why it comes a little easy to you.

ALEXANDRA

Could be, but as far as John's opinion goes, there is one way we could be absolutely sure. But I don't feel like reading any minds at the moment, especially after touching Craniex's skull yesterday.

DEX

Can we just drop this and try to enjoy the rest of our afternoon off?

RICK

Yes!

JULIE

I just remembered something Alexandra.

ALEXANDRA

What?

JULIE

My mom knows-

ALEXANDRA

I'm not going on any blind dates.

JULIE

I know how you feel, but could you just try to humor her, or I'll never hear the end of it.

ALEXANDRA

But what about everything we've talked about a while back.

PATRICK

What was that?

ALEXANDRA

Don't worry about it.

JULIE

Besides that thing doesn't really look like it's going to happen, so...

ALEXANDRA

Fine I'll do it.

FADE OUT.

FADE IN:

INT. A PRACTICE RANGE - DAY

JOHN holds his side arm, aiming it at three metallic orbs that are flying around. John bides his time with the orbs, waiting for them to line up. John fires just as two of the orbs line up. The blast hits the two orbs and John fires at the third. John looks over at a nearby screen and the word "AMAZING" appears on it.

JOHN

Still not good enough...

John starts up another practice session and the orbs fly around again. John aims his side arm, and waits as the orbs line up, and fires just as all three get into a straight line. John looks over at the screen again and the word "OUTSTANDING!" appears.

JOHN

You finally did it.

VOICE

I thought I gave you the afternoon off.

John turns around to see DORIAN enter the range.

JOHN

Crime doesn't take an afternoon off, sir.

DORIAN

That may be so, but you're forgetting one key thing about this job.

JOHN

What?

DORIAN

If you don't take an occasional day off, it can get to you really fast. And after everything you've been through since you became a Ranger, I'd almost expect you to have a psychotic episode or something.

JOHN

And what would you have me do?

DORIAN

I don't know. Maybe go out to lunch with a few friends?

JOHN

Did you hear that I said no to Patrick about lunch today?

DORIAN

Let's just say a little birdie told me. Why didn't you go?

JOHN

I told you, crime doesn't take an afternoon off.

DORIAN

John, you know I've always admired your dedication, right?

JOHN

Of course, sir.

DORIAN

And you know, I know, when someone's trying to give me the runaround, right?

JOHN

Yes.

DORIAN

Then what's the real reason you didn't go out with the others? It doesn't have something to do with Dex, does it?

JOHN

Believe me sir when I say that your brother has nothing to do with it.

DORIAN

Then why do I get the feeling that you're lying to me? What's the real problem you've always had with him?

JOHN

I don't know.

DORIAN

John...

JOHN

All right fine, I'm not sure if you know this or not, but I didn't exactly grow up in a good part of town, unlike some people.

DORIAN

Don't worry I'm not offended.

JOHN

Anyway, almost everyday it seemed like some sort of a crime was happening in my neighborhood, and then a relative of mine got arrested, when he fell in league with an alien crime lord.

DORIAN

So you joined the S.P.D. to make sure than nothing like that ever happens again, right?

JOHN

Right and nothing ever came easy to me when I joined up. Nothing has ever come easy to me in my life. I've had to work hard for everything, and then your brother comes in, and does so well within the little time that he's been on the force.

DORIAN

You're jealous of him, aren't you?

JOHN

Maybe just a little bit.

DORIAN

Look if I know my brother like I think I do, he's working almost as hard as you. But I think there's a key difference between the two of you.

JOHN

What?

DORIAN

Did you ever have someone you tried to emulate in any way?

JOHN

No, why do you ask?

DORIAN

Dex always has. And I think if he seems like he's not as good a cop as you, it's that despite trying to do his best, he thinks that he can never be as great as his idol, so sometimes he doesn't really get things right. However, the one thing he has to realize is that he needs to find his own way, and not try to emulate someone else.

JOHN

Do I need to ask who your brother tries to emulate, or should it be obvious?

DORIAN

I think it should be fairly obvious.

JOHN

That's what I thought.

DORIAN

Now about your little training session here...

JOHN

You know how I'm one of the best shots here, right?

DORIAN

Of course.

JOHN

Well I'm nothing compared to an old friend of mine.

DORIAN

This friend of yours wouldn't happen to be the Janian, who tried to take me out, would it?

JOHN

(hesitantly) Yes.

Dorian smiles a little.

DORIAN

Well if you can get as good as he was, then there should be no stopping you.

Dorian starts to laugh a little, which John soon partakes in.

FADE OUT.

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DAY

Dex, Patrick, Alexandra, Julie, and Rick walk down a street. A small tremor is felt from underground.

JULIE

What's causing these tremors?

Several bats fly to the top of a nearby building, and combine taking the form of Darkwing. Dex, Patrick, Alexandra, Julie, and Rick look up at Darkwing.

ALEXANDRA

Darkwing.

DARKWING

How good of you to remember who I am.

RICK

What do you want?

DARKWING

I'm here to tell you where these tremors are coming from.

DEX

So where are they coming from?

DARKWING

First let me tell you a little proverb from the outermost reaches of the cosmos. It's said that if you want to slay a demon, make sure that he doesn't have a brother, because if you defeat the older brother the rage of the little brother will grow exponentially.

PATRICK

And this is supposed to mean?

The ground shakes. Dex, Patrick, Alexandra, Julie, and Rick turn around to see the new Ghoullex rise from the ground, and all ready in a gigantic size. The Ghoullex lets out its cry.

DEX

Another Ghoullex?

Sirens are heard as John rides up to the area on the Squad Cycle. John parks the vehicle, gets off, and goes over to Dex, Patrick, Alexandra, Julie, and Rick. John looks up at the Ghoullex.

JOHN

There's another one?

DARKWING

As you can see there's another Ghoullex. And its cries will do something that idiot Spykor always tried to replicate on every planet he took a Ghoullex to.

RICK

So the Grontium meteor is going to head back this way?

DARKWING

Exactly. And when the meteor hits Earth, the explosive energy will be enough to destroy this miserable planet, and there won't be a single thing any of you can do to stop it.

Darkwing turns back into bats, and the bats fly away. Dex, John, Patrick, Alexandra, and Julie take out their morphers, while Rick gets into position with his.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE  
AND RICK

Emergency, SPD!

Dex, John, Patrick, Alexandra, Julie and Rick morph. John takes out his morpher and opens it to phone mode.'

JOHN

Dr. Falco, we need the Zords.

ANITA THROUGH THE COMMUNICATOR

They're on their way.

The Patrol Zords, and the Mars Cyclezord make their way to the area, and Dex, John, Patrick, Alexandra, Julie and Rick jump up and into their respective Zords. All six Zords then combine.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE  
AND RICK

Mars Patrol Megazord, online!

The Ghoullex turns around to face the Mars Patrol Megazord.

DEX

Not letting another one of you destroy  
the city.

The Mars Patrol Megazord walks toward the Ghoullex, but the Ghoullex slashes at it with its arms. The Mars Patrol Megazord takes only one hit, dodges the Ghoullex's next swipe, and gets hit one more time. The Ghoullex then lifts its head up and lets out a loud cry.

JULIE

It's calling for the meteor.

DEX

Well too bad for it, but we all ready  
know how to defeat this thing.

The Mars Patrol Megazord's hyper jets flip out, and it speeds over to the Ghoullex.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,  
AND RICK

Mega Punch!

The Mars Patrol Megazord performs the Mega Punch attack, and the Ghoullex takes the hit. The Mars Patrol Megazord then gives the Ghoullex an uppercut with its left first, but the Ghoullex blocks the attack.

DEX

What?

The Ghoullex pushes the Mars Patrol Megazord back, before going on to slash at it several time with its arms. The Mars Patrol Megazord takes the hits and falls down. The Ghoullex lets out another cry, before digging into the ground.

EXT. SPACE - TIME UNKNOWN

The Grontium meteor travels through space.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

Dorian and ANITA stand in front of Dorian's desk, with a map of Earth's orbit on it. The map displays the location of the meteor in space. After a few moments the word "DANGER" flashes on the screen a few times.

ANITA

Well looks like this time it's going to happen.

DORIAN

I was afraid of this.

John walks into the room, soon followed by Dex, Patrick, Alexandra, Julie and Rick, who are now wearing their uniforms.

JOHN

Well?

ANITA

It's going to hit Earth.

PATRICK

Are you sure about this?

ANITA

I've done the calculations several times, and this time the meteor's going to hit Earth. I really wish I was wrong about this, but it's going to happen. And according to my calculations, the meteor will strike right in the heart of the city.

JULIE

So even if we defeat the Ghoullex, it'll be too late.

ALEXANDRA

There's got to be something we can do.

JOHN

What about if one of us took the S.W.A.T. Wing into space?

RICK

That'd practically be suicide.

ANITA

Actually I think John might be on to something. I supposed if I put all but one of the S.W.A.T. Wing Zords on autopilot, one of you could be able to pilot the Megazord, and use the Judgment Cannon to blast the meteor.

PATRICK

So then who's going to go?

DORIAN

It should be obvious, right John?

JOHN

Yes sir.

RICK

Why John?

DORIAN

He's always been the best shot between the six of you, and has always been refining his skill. He's the best man for the job.

DEX

Let me go too.

JOHN

There's no need for anymore than one of us to risk our lives to destroy this meteor, rookie.

DORIAN

He has a point Dex.

ANITA

John you better come with me, and we'll talk about the game plan for all of this.

Anita and John leave the room.

DORIAN

As for the rest of you, go out with the other Megazords, and try to look for the Ghoullex.

FADE OUT.

FADE IN:

INT. THE TECH ROOM - DAY

Anita sits before the computer terminal, as John stands behind her. A map of the meteor's trajectory in relation to Earth is displayed on the screen. Anita presses a few buttons, and a small depiction of the Judgment Cannon is shown on screen.

ANITA

Given the meteor's current position and its trajectory toward Earth, the only real way to destroy it will be to get in its center of gravity.

JOHN

But is a regular blast from the Judgment Cannon going to be enough?

ANITA

I'm not overly sure about it, which is why I've bumped up the energy output on the Judgment Cannon, to release a more powerful blast than normal.

JOHN

So what happens if I miss a little?

ANITA

Then we're doomed.

JOHN

So I only get one shot at this?

ANITA

Unfortunately the more powerful blast that you're going to fire will max out the S.W.A.T. Wing Megazord's weapons systems for at least half an hour. And if you don't destroy the meteor in one shot, you might not have that half hour to recharge. That is of course if my calculations about recharging in about half an hour are right. Anything else you want to know?

JOHN

Piloting the S.W.A.T. Wing on my own...

ANITA

Like I said, I've put the other S.W.A.T. Wing Zords on autopilot, so you don't have to do the work of five people. But with fewer actual people piloting the Megazord, when you reach the meteor, its gravity will make things a little bumpy. Just try your best to keep things steady, while still keeping the meteor's center of gravity in your sights. Anything else you want to know?

JOHN

I think that should do it.

ANITA

Well then all I can really do know is wish you the best of luck. And remember John, there's no room for mistakes on this.

FADE OUT.

FADE IN:

EXT. DOWNTOWN DIATECH CITY - DAY

The Ghoullex rises from underground.

EXT. S.P.D. H.Q. - DAY

Sections of the building open up revealing the S.W.A.T. Wing Zords. Inside of S.W.A.T. Wing 2, John (morphed in S.W.A.T. Mode) straps himself in.

JOHN

Fly out, S.W.A.T. Wing Zords!

Outside the S.W.A.T. Wing Zords take off. They fly for a little while, until ultimately combining.

JOHN

S.W.A.T. Wing Megazord, online!

The S.W.A.T. Wing Megazord continues to fly until it reaches space.

EXT. DOWNTOWN DIATECH CITY - DAY

The Patrol Megazord rides on the Mars Cyclezord. Inside of P-Zord 4, Alexandra (morphed) looks over to her right.

ALEXANDRA

Is anyone else thinking that there could be a chance that John doesn't make it?

Inside of P-Zord 5, Julie (morphed) looks over to her left.

JULIE

Yeah, even though John's the best shot, there's no telling what could happen.

Inside of the Cyclezord, Rick (morphed) looks to his left.

RICK

Don't worry about it. John's going to make it, just don't lose hope.

Inside of P-Zord 3, Patrick (morphed) looks forward.

PATRICK

All we can really do now is just keep hope, right Dex? Dex? Dex are you even on board?

DEX'S VOICE

Of course I'm on board.

Inside of S.W.A.T. Wing 2, Dex (morphed in S.W.A.T. Mode) appears on the monitor.

DEX

But I'm on the S.W.A.T. Wing.

JOHN

What?! What do you think you're trying to pull?

DEX

Didn't Dr. Falco say that things were going to get bumpy once you got near the meteor? If I'm on board I can help guide the Megazord so you have a better shot. But it's not like you can turn back now since we're all ready in space.

JOHN

You have absolutely no idea what you're getting yourself into rookie.

Inside of P-Zord 4, Alexandra puts her right hand over her mouth plate for a moment.

ALEXANDRA

Oh my, but I wouldn't worry about it John.

Inside of P-Zord 5, Julie puts her right hand over her mouth plate, and giggles a little.

RICK

Besides Dex does have a point John.

PATRICK

So leave Earth to us.

Outside in Diotech City the Patrol Megazord on the Mars Cyclezord speeds toward the Ghoullex. The Ghoullex fires a beam from its mouth toward the Patrol Megazord. However the Patrol Megazord, maneuvers the Cyclezord to dodge blasts, causing explosions on the ground. The Patrol Megazord then aims the Signal Blaster at the Ghoullex, and fires a few shots. The Ghoullex takes the hits, and fires a beam from its arms. The Patrol Megazord jumps over the beam on the Cyclezord, as the beam hits the ground, causing an explosion. The Patrol Megazord then jumps off of the Cyclezord and the Cyclezord transforms.

RICK  
Mars Racer Megazord, online!

The Patrol and Mars Racer Megazords land and face the Ghoullex. The Megazords and the Ghoullex charge at each other. The Mars Racer Megazord tries to punch the Ghoullex, but the attack is blocked. The Ghoullex then tries to strike the Patrol Megazord, but the Patrol Megazord blocks the attack, only to receive a second strike from the Ghoullex. The Patrol Megazord falls back, as the Ghoullex slashes the Mars Racer Megazord. The Mars Racer Megazord falls back.

RICK  
Arm Blades!

The Mars Racer Megazord draws the Arm Blades, combines its legs, and flips its visor down. The Mars Racer Megazord then falls onto its wheels, and goes over the Ghoullex.

RICK  
Cyclone Slash!

The Mars Racer Megazord performs the Cyclone Slash attack, but the Ghoullex repels the attack, and the Mars Racer Megazord goes over to the Patrol Megazord. The Patrol Megazord aims the Signal Blaster at the Ghoullex, and fires a few high powered shots at it. The Ghoullex takes the hits, and falls back a little.

RICK  
Did we get it?

The Ghoullex grows even larger than it all ready is.

JULIE  
No way.

RICK  
It can't be.

INT. THE COMMAND ROOM - DAY

Dorian sits at his desk, while Anita stands beside him, as they both watch the Ghoullex grow on the screen.

DORIAN  
How is this happening?

ANITA  
It's the meteor. The Grontium in it is causing the Ghoullex to grow larger.

Dorian takes out his morpher, and opens it to phone mode.

DORIAN

Everyone hold on. I'm coming over in  
the H.Q. Megazord.

Dorian, closes his morpher, and puts the mode selector on  
change.

DORIAN

Emergency, SPD!

Dorian morphs in a quick flash of light, and places his  
morpher within his desk.

EXT. S.P.D. H.Q. - DAY

S.P.D. H.Q. transforms into the H.Q. Megazord.

EXT. SPACE - TIME UNKNOWN

Dex watches the meteor traveling down its path from within  
S.W.A.T. Wing 1.

DEX

So this is it, looks kinda creepy.

JOHN

Let's just do this.

DEX AND JOHN

Mode change! Judgment Cannon!

Outside the S.W.A.T. Wing Megazord transforms into the  
Judgment Cannon. Inside of S.W.A.T. Wing 2 John targets the  
meteor on his screen.

JOHN

There's only one shot at this.

The Judgment Cannon starts to shake.

DEX

We're all ready starting to shake?

JOHN

Don't worry about it. Just take care of  
the controls, rookie.

DEX

I'm on it.

Outside the Judgment Cannon steadies itself a little, as  
the meteor heads toward it. Inside of S.W.A.T. Wing 2, John  
continues to target the meteor.

DEX  
Just a little more John.

The Judgment Cannon's targeting locks onto the meteor.

JOHN  
FIRE!

Outside the Judgment Cannon fires a high powered shot at the meteor. Dex and John's cockpits display "HIT" on their screens, as the explosion from the blast appears on them.

DEX  
We did it.

Dex and John power down, and relax a little. However the relaxation is short lived, as the cockpit screens display the meteor now with a gaping hole in it, which shows its core.

JOHN  
What the-?

DEX  
What's that light?

JOHN  
This is more than we expected.

DEX  
What are we going to do?

JOHN  
Just calm down. We've got to think of a way to destroy that thing, and we don't have enough weapons power to do it with the Judgment Cannon.

The meteor starts to get closer and closer, as Dex notices the light in the middle of the meteor.

DEX  
The light it's...

JOHN  
The core of the meteor. That's it.  
Detach your S.W.A.T. Wing, rookie.

DEX  
What are you talking about?

JOHN

If the glowing core of the meteor is destroyed, then the rest of it should go with it. I'll use the rest of the S.W.A.T. Wing Megazord to ram the core.

DEX

What are you saying?

JOHN

I'm going to sacrifice myself to save the planet.

DEX

No.

JOHN

As the most superior officer here, I'm giving you an order, is that understood?

DEX

Yes John, goodbye.

Inside of S.W.A.T. Wing 1, Dex presses a button on his controls. A small alarm goes off.

JOHN

What are you doing?

DEX

As the Red Ranger, I've decided that I'm going to do this myself.

JOHN

Are you insane, rookie?

DEX

Just once I'd actually like to here you call me by my actual name.

JOHN

I gave you an order.

Inside of S.W.A.T. Wing 2 John frantically presses every button he can, but nothing seems to have an effect.

JOHN

What'd you do?

DEX

Switched the controls to me. Goodbye John, it was nice working with you while it lasted.

Inside of S.W.A.T. Wing 1, Dex morphs back into S.W.A.T. Mode. Outside S.W.A.T. Wing 2 detaches from the rest of the Judgment Cannon, and flies away as the remainder of the combo flies into the center of the meteor.

JOHN

Stop it rookie! Just stop it! That's an order! Come back here now!

S.W.A.T. Wing 2 continues to fly away as the meteor explodes. Inside of S.W.A.T. Wing 2 John watches the explosion, and does not see anything coming out of it.

JOHN

Rookie? Rookie! C'mon respond. Come in now! (quivering) Dex...you idiot! Why'd you do it? (angered) Why didn't you let me take the fall?!

Outside S.W.A.T. Wing 2 continues on its path, heading toward Earth.

JOHN

Why Dex? Why didn't you let me do it? Why throw away whatever potential you had when your career is just starting? We could've always replaced me, but it's going to be tough finding someone to fill in for you. You were so much better than I ever gave you credit for.

John tilts his head forward, and closes his eyes. A couple tears fall off of his face, before he morphs back into S.W.A.T. Mode. Outside S.W.A.T. Wing 2 speeds up.

EXT. DOWNTOWN DIATECH CITY - DAY

The Ghoullex fires a high-powered beam at the H.Q. Megazord. The H.Q. Megazord takes the hit, protecting the Patrol and Mars Racer Megazords from the blast. However, the Ghoullex then fires another blast at all three Megazords, and they take the hits.

DORIAN

Its power is incredible.

PATRICK, ALEXANDRA, JULIE, AND RICK

Captain?

DORIAN

Don't worry about it. I'm fine. Knee Lasers!

The H.Q. Megazord fires a couple Knee Lasers at the Ghoullex, and it takes the shot.

DORIAN  
Finger Missiles!

The H.Q. Megazord fires several Finger Missiles, and the Ghoullex takes the hits and falls down. Inside of the H.Q. Megazord, Dorian sits at his controls, and Anita stands beside him. The communicator goes off.

JOHN THROUGH THE COMMUNICATOR  
Destruction of the meteor was a success. The danger of it impacting is gone.

DORIAN  
I see.

ANITA  
Thank goodness.

JOHN  
But Dex...Dex...didn't make it.

DORIAN  
What?

JULIE  
No way.

RICK  
This can't be.

PATRICK  
You've got to be joking.

ALEXANDRA  
Please tell us you're joking.

ANITA  
Why?

Outside the Ghoullex gets back to its feet, but receives a few shots from S.W.A.T. Wing 2. The Ghoullex turns around, and S.W.A.T. Wing 2 continues to fire at it.

JOHN  
Whatever we do today, we're doing it for Dex, a great officer who fell in the line of duty.

S.W.A.T. Wing 2 continues to fire at the Ghoullex, and the Ghoullex takes all of the shots. S.W.A.T. Wing 2 flies by the Ghoullex. The Ghoullex tries to swipe at S.W.A.T. Wing 2, but misses. S.W.A.T. Wing 2 then flies around the Ghoullex, before flying past the H.Q. Megazord. The Ghoullex fires a beam at S.W.A.T. Wing 2, but it misses, and S.W.A.T. Wing 2 turns around and fires numerous shots at the Ghoullex. The Ghoullex falls back a little.

DORIAN

John get out of the way, we'll finish it off.

JOHN

Roger!

DORIAN

H.Q. Megazord, full power!

The H.Q. Megazord charges up, and fires a high powered beam at the Ghoullex. However, the beam has no effect on it.

DORIAN

What?!

The Ghoullex fires a beam at the Patrol, Mars Racer, and H.Q. Megazords.

DORIAN

You're really making me mad.

JULIE

What's happening?

PATRICK

This thing's too strong.

ALEXANDRA

What are we going to do?

RICK

And we can't let this thing destroy Earth after Dex risked it all.

ANITA

Don't give up. We've got the combine the power of the three Megazords.

DEX THROUGH THE COMMUNICATOR

Then let's do it!

JOHN

Dex?

The remainder of the Judgment Cannon combo flies to the area.

JULIE

Dex!

JOHN

It really is you.

DEX

Who else would it be?

JOHN

But...how?

DEX

I got the idea when I saw the core of the meteor.

DISSOLVE TO:

EXT. SPACE - TIME UNKNOWN

The remainder of the Judgment Cannon combo flies into the center of the meteor.

DEX

(V/O)

I thought if I got close enough to the core, a blast from my S.W.A.T. Defender, would be enough to take it out.

Dex comes out of S.W.A.T. Wing 1 with his S.W.A.T. Defender in hand. He aims at the meteor's core, and fires a few shots. The shots hit, and the core explodes, just as Dex goes back into S.W.A.T. Wing 1. The remainder of the Judgment Cannon combo flies out of the meteor, just as the whole thing explodes.

DISSOLVE TO:

EXT. DOWNTOWN DIATECH CITY - DAY

Dex sits in S.W.A.T. Wing 1's cockpit.

DEX

I though if I just blasted the core then there'd be no need to ram it.

JOHN

Only you would run head first into something like that.

DEX

It was kinda hot escaping the meteor, but with an idea like that then I might be a better cop than you John.

JOHN

You idiot, don't say that.

Outside S.W.A.T. Wing 2 flies beside the remainder of the Judgment Cannon combo.

DEX

You missed me, didn't you?

JOHN

Of course I didn't. And next time follow my orders, rookie.

DEX

(sarcastically) Hearing you say that makes coming back to Earth worthwhile.

JOHN

Let's do it!

DEX

Roger!

S.W.A.T. Wing 2 combines with the rest of the Judgment Cannon, and the Judgment Cannon lowers itself, so that the H.Q. Megazord can grab onto it, as the Patrol and Mars Racer Megazords prop it up.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE,  
DORIAN, AND RICK

All Megazords, full power!

The sirens on all of the Megazords go off. A high powered blast is fired from the Judgment Cannon. It hits the Ghoullex, causing it to explode.

FADE OUT.

FADE IN:

INT. A RESTAURANT - NIGHT

Dex, John, Patrick, Alexandra, Julie and Rick (all wearing civilian clothes) sit at a rectangular table, with three people on each side. A waiter comes up to the table with a few appetizers, as two more waiters add another table to the end of the current one, and bring over two more chairs.

JULIE

What are they doing?

Dorian and Anita (both in civilian clothes) walk up to the table, and sit down at the two empty chairs.

RICK

Captain?

DORIAN

Tonight, we're all civilians. And this whole thing's on me.

ALEXANDRA

So how come you're here, Dorian?

ANITA

When we heard you guys were going out to celebrate our victory, Dorian made the suggestion that we should join you.

DORIAN

And Dex, next time, don't even think about doing something that stupid again.

DEX

Why, you don't want to have an awkward conversation with mom about it?

DORIAN

I think you know the answer to that. But on the other hand, your actions today with the meteor probably do prove that the line between bravery and stupidity is a little blurred.

JOHN

Speaking of which Dex-

Looks of shock go over the faces of Dex, Patrick, Alexandra, Julie, and Rick.

PATRICK

Did John just say what I think he said?

RICK

(a little unsure) I think so.

JOHN

Anyway Dex, I just want to say that what you did today either proved that you were some kind of an idiot, a little crazy, or showed that you were willing to risk it all to save the planet. And I don't think you're an idiot.

DEX

What about the craziness?

John hems and haws a little.

DEX

So now that it looks like you've got some respect for me, does that-

JOHN

We are still in no way partners, Dex. And why does it feel weird to say that?

EXT. DARKWING'S ALLEY - NIGHT

Darkwing paces around a little.

DARKWING

Those blasted Rangers! What will it take to finally defeat them?

Some writing appears on the glass of Darkwing's atmospheric protector.

DARKWING

Oh no, they're here.
