"POWER RANGERS SPACE POLICE DEPARTMENT: EPISODE 38 - GREEN  
JEALOUSY"

FADE IN:

EXT. A WAREHOUSE - NIGHT

Several bats fly up to the area, combine, and take the form of DARKWING. Darkwing walks up to the door to the warehouse, and enters.

INT. THE WAREHOUSE - NIGHT

Darkwing walks through the warehouse, and looks around a little, noting the black, blue, and red (in that order) carpeting that leads to a platform, covered with the same carpet, where three thrones are located. A shadowy figure with an almost dog-like head steps up behind the throne over the blue carpet, and pulls a hood over his head. The figure then steps out of the shadows revealing he is wearing a blue cloak.

FIGURE IN BLUE

So you finally got here.

DARKWING

You just sent me that message about two minutes ago. So what do you want?

FIGURE IN BLUE

We did say that you wouldn't like it if we came to Earth.

DARKWING

And?

FIGURE IN BLUE

From here on in you're to only do business with the criminals we're bringing here to help destroy Earth.

DARKWING

What?!

FIGURE IN BLUE

You failed to make sure that the Rangers would be unable to defeat the Ghoullex.

DARKWING

How was I supposed to know that they were going to take one of their Megazords into space to destroy that meteor?

FIGURE IN BLUE

You could've sent one of your robots to intercept them.

DARKWING

The only robot I have available at the moment is being used for a smuggling ring.

FIGURE IN BLUE

And just what is this smuggling ring doing?

DARKWING

Bringing Mod Shrooms to Earth.

FIGURE IN BLUE

And just what are the Mod Shrooms being used for?

DARKWING

It's quite the racket, and that's all I'll tell you.

FIGURE IN BLUE

Fine, be that way.

DARKWING

So why exactly is the Triumvirate on Earth?

FIGURE IN BLUE

It's quite the plan, and that's all I'll tell you.

FADE OUT.

FADE IN:

INT. A COFFEE SHOP - DAY

ALEXANDRA (in civilian clothes) sits at a table, sipping a cup of coffee, and looking rather impatient.

ALEXANDRA

Where is this guy?

Alexandra takes another sip of coffee, and takes out her morpher. She opens the morpher to phone mode, and dials a number.

JULIE THROUGH THE COMMUNICATOR

Hello?

ALEXANDRA

So this guy's supposed to show up when?

JULIE THROUGH THE COMMUNICATOR

My mom said he'd be there at about quarter after twelve, why?

ALEXANDRA

He's late. But at least I'm only going to have to put up with the guy for about an hour. Why is that?

JULIE THROUGH THE COMMUNICATOR

From what my mom said, he's busy with his I.T. business and only really has a one hour window to do anything really.

ALEXANDRA

And how does your mom know this guy?

JULIE THROUGH THE COMMUNICATOR

He does the occasional thing for her office.

A man with dark hair, wearing a suit walks into the shop. He looks around, sees Alexandra, and walks over to her. Alexandra notices him.

ALEXANDRA

I think he's here, bye.

Alexandra closes her morpher, and puts it away.

MAN

Alexandra?

Alexandra gets up, and the man extends his right hand. The two of them shake hands for a quick second before sitting down at the table.

MAN

Wow, the picture Mrs. Benson gave me of you didn't do you any justice. Then again you were in your uniform. Did Mrs. Benson tell you anything about me?

ALEXANDRA

No not really. This was kind of a last minute thing that her daughter told me about.

MAN

I'm Mazzieu.

ALEXANDRA

Mazzieu?

MAZZIEU

I'm not originally from Earth. That's not going to be a problem with you considering your job and all, is it?

ALEXANDRA

No, unless of course you're planning some kind of a crime spree.

MAZZIEU

Then you're in luck, I've been nothing but an upstanding citizen since I came to Earth.

ALEXANDRA

Good to know.

MAZZIEU

Actually I have nothing but respect for what you do?

ALEXANDRA

Really?

MAZZIEU

Yeah. I think it's great that you're out there everyday apprehending the scum of the universe, and generally keeping the planet safe. I only wish that a branch of the S.P.D. had been on my planet when...well I think you can tell where that's going.

ALEXANDRA

Actually if I really wanted to I could  
just read your mind.

MAZZIEU

Read my mind?

ALEXANDRA

I have touch activated ESP.

MAZZIEU

I was wondering why you were wearing  
those gloves. Now when you say touch...

ALEXANDRA

Just through my hands.

A waitress comes over to Alexandra and Mazzieu's table.

WAITRESS

(to Mazzieu) Can I get you anything?

MAZZIEU

I'll have what she's having.

The waitress leaves the table, and returns moments later  
with a similar cup of coffee as Alexandra's. Mazzieu takes  
a sip of his coffee, and he and Alexandra start to talk a  
little more as the waitress leaves. As Alexandra and  
Mazzieu talk, they both appear to be enjoying each other's  
company.

FADE OUT.

INT. THE COMMAND ROOM - DAY

Three weeks later, DORIAN sits at his desk doing some paperwork, as DEX, JOHN, PATRICK, and JULIE sit at the center console also doing some work. RICK walks into the room looking like he is in a bit of a hurry. Dorian notices.

DORIAN

What's wrong Rick?

RICK

I think I may have found the break in that smuggling case you assigned me to a couple weeks ago.

DEX

What smuggling case?

DORIAN

There have been reports that shipments of Mod Shrooms have been coming to Earth recently.

JULIE

Mod Shrooms?

PATRICK

They're a mushroom like plant that apparently allows you to take on a different shape. But the effects of the plant only last for about an hour.

DORIAN

And that's why they've been declared illegal, due to the fact that anyone can use these things to commit any sort of fraud they want.

RICK

Apparently there's some criminal here in Diotech City who supposedly has been using Mod Shrooms to get young women to give him all sorts of things, whether it's money, or their very existence.

JOHN

So let me guess there's some kind of connection to Darkwing or the Triumvirate about all of this?

RICK

As far as I can tell there's no Triumvirate connection, but there have been sightings of a giant robot landing in certain areas of the city.

DEX

And that'd mean Darkwing.

JULIE

But wouldn't the Triumvirate be involved anyway because Darkwing works for them?

DORIAN

Not necessarily. Darkwing is only really a hired gun, who helps out the occasional criminal the Triumvirate sends our way. Which reminds me, John has there been any news on the unauthorized landing that happened a few weeks ago?

JOHN

Not that I can tell. The best Dex and I can figure about this is that it must've happened just after we destroyed the Ghoullex a few weeks ago.

DEX

Plus there haven't been any sightings of the ship since then.

DORIAN

Well it couldn't have just disappeared.

PATRICK

Maybe this ship has some sort of holographic projector that's making it blend in with the rest of the city.

JOHN

But then why haven't we picked up an energy reading with our scanners?

PATRICK

Maybe it can also jam signals. But this is assuming that the ship is still in the city. For all we know it could be long gone by now.

DORIAN

And as always that'll be your job to figure out. Also has anyone seen Alexandra?

JULIE

She's getting ready for her lunch date.

DORIAN

Right, right, I almost forgot about that.

PATRICK

Alexandra has a lunch date?

JULIE

She's been seeing this guy practically everyday for the last three weeks.

PATRICK

She's been seeing someone?

JULIE

Yeah, and it looks like she's really into him. Why do you ask?

PATRICK

Just curious.

JULIE

You're not jealous are you?

PATRICK

Jealous of what?

JULIE

I don't know, maybe some people might say that someone is trying to horn in on someone else's territory.

PATRICK

What people?

JULIE

Never mind.

PATRICK

No, I want to know, what people?

JULIE

Just never mind, okay? It's something that just kinda slipped off of my tongue.

PATRICK

Fine.

DORIAN

(sarcastically) Could the two of you wait to discuss all this after third period, and get back to work?

PATRICK AND JULIE

Yes captain.

DORIAN

Good.

Dorian, Dex, John, Patrick, and Julie get back to their work, as Rick sits down at the center console.

FADE OUT.

FADE IN:

INT. ALEXANDRA'S QUARTERS - DAY

Alexandra (civilian clothes) stands in front of a mirror brushing her hair a little, and applying some make-up. A nearby cell phone beeps a couple of times. Alexandra picks up her phone, flips it open, and sees that she has a new text message. Alexandra opens the message from a sender marked "MAZZ", with the message itself reading "where do you want to meet?" Alexandra hits the reply button, types the message "diatech city aquarium", and presses send. Alexandra then puts her phone down, as a knocking is heard at the door.

ALEXANDRA

It's open.

Patrick and Julie walk into the room.

JULIE

So this has got to be a big one for you. It's like what your sixteenth date?

ALEXANDRA

Seventeenth.

PATRICK

Seventeen dates all ready?

ALEXANDRA

Mazzieu only really has time for an hour every so often, which is why we've seen each other practically everyday.

PATRICK

So what's the deal with this guy?

ALEXANDRA

He's from another planet, has some kind of I.T. company, and looks like he's a year or so older than you, why?

PATRICK

Just curious. So you're dating an alien?

ALEXANDRA

There's nothing wrong with dating an alien. Besides you looked like you wanted to date an android a while back.

PATRICK

Nothing like that was going on with me and Steph. Besides how would me dating an android even work?

JULIE

What do you mean?

PATRICK

Oh, I think you know.

A partly confused look goes over Julie's face for a moment, until it appears as if she has come to a sudden realization.

JULIE

(partially disgusted) You perv!

ALEXANDRA

Besides this guy looks human anyway.

PATRICK

What about John's old friend Xam, or his ex-girlfriend Razine? They both looked human but had an alien form. Or even Dr. Falco, she may look human, but her father doesn't.

ALEXANDRA

All I know is that Mazzieu looks human and that's good enough for now. Besides I'm not the only one in this building who has feelings for someone that's not from her planet.

Patrick looks over at Julie.

JULIE

It's not me.

ALEXANDRA

Anyway I've got to go. (to Julie) We'll talk when I get back.

Patrick, Alexandra, and Julie leave the room. Alexandra walks away from Patrick and Julie, as the two of them walk in a different direction from Alexandra.

JULIE

There's one thing I've got to know.

PATRICK

Is it something along the lines of "are all these questions about this guy because you're jealous of him"?

JULIE

How'd you know?

PATRICK

You asked me that back in the command room.

JULIE

Well are they?

PATRICK

Maybe a little. I did kinda have a thing for Alexandra, after working on that case with her, before we became Rangers. But-

JULIE

You had to let that slide because the two of you are working so close together, right?

PATRICK

Exactly.

JULIE

I'll let you in on something.

PATRICK

What?

JULIE

Alexandra's probably going to kill me for telling you this, but she read Dr. Falco's mind right before Captain Kruger reverted back to normal. And because of that, she realized that she had feelings for you.

PATRICK

She did? And what do you mean by "had"?

JULIE

It was right around the time of the Dr. Nocturna thing. I guess after you didn't really seem to pick up on anything, she just kinda gave up on it all. And this is despite the fact that I made her pinky swear.

PATRICK

What, are you still in kindergarten or something?

JULIE

You know, Alexandra said the exact same thing that day too.

PATRICK

Now where does your mom fit in with all of this?

JULIE

What do you mean?

PATRICK

Didn't your mom set this whole thing up?

JULIE

Oh yeah, Mazzieu does some I.T. work for my mom's office, and she thought he'd be great for Alexandra.

PATRICK

You a little mad that your mom did this for Alexandra and not you?

JULIE

Not really. Besides she's always trying to set me up with someone anyway.

FADE OUT.

FADE IN:

EXT. THE DIATECH CITY AQUARIUM - DAY

Mazzieu stands outside of the aquarium. Alexandra walks up to him.

MAZZIEU

Hey.

ALEXANDRA

Hey.

Mazzieu and Alexandra kiss quickly, before heading toward the entrance of the aquarium, holding hands.

INT. THE AQUARIUM - DAY

Mazzieu and Alexandra walk into one of the aquarium's displays marked "GREAT BARRIER REEF", and take in some of the contents of the display including several anemones and several schools of clownfish, a few sea turtles, several seahorses, and a giant clam. Mazzieu laughs a little.

MAZZIEU

You're kidding, right?

ALEXANDRA

No, Patrick was kinda giving me the third degree before I took off to meet up with you.

MAZZIEU

What is he jealous or something?

ALEXANDRA

I don't know.

MAZZIEU

You don't know? I thought you could read minds.

ALEXANDRA

Well it's not like I read his mind before I left.

INT. A DIFFERENT PART OF THE AQUARIUM - DAY

Mazzieu and Alexandra walk into a penguin exhibit.

MAZZIEU

I don't know about that.

ALEXANDRA

C'mon why not? You're going to have to meet them eventually.

MAZZIEU

But all of your friends are cops, I just don't know.

ALEXANDRA

Remember what I said when you told me you weren't from Earth, on our first date?

MAZZIEU

You're fine with me, as long as I'm not planning some kind of crime spree, right?

ALEXANDRA

Then why are you being a little apprehensive about meeting my friends?

MAZZIEU

I don't know. Tell you what, how about we make our date tomorrow me meeting your friends?

INT. ANOTHER PART OF THE AQUARIUM - DAY

Mazzieu and Alexandra walk into a shark exhibit. After a few moments, Mazzieu stops.

ALEXANDRA

What?

MAZZIEU

I almost forgot about this.

Mazzieu reaches underneath his jacket, and pulls out a yellow rose. He then holds the rose out toward Alexandra, and the rose blooms, revealing a diamond ring. Mazzieu picks the ring up and hands it to Alexandra.

ALEXANDRA

What's this about?

MAZZIEU

I know we haven't been seeing each other for too long, but ever since the moment I met you, I haven't been able to get you out of my mind. I love you Alexandra, and I want to spend the rest of my life with you. So will you marry me?

ALEXANDRA  
I...I...don't know what to say.

MAZZIEU  
Here, give me your left hand.

Alexandra extends her left hand, and Mazzieu takes it, slipping the ring over her left ring finger.

ALEXANDRA  
It actually fits over my glove?

MAZZIEU  
I had it made specifically for that purpose. So what do you say? Will you?

ALEXANDRA  
I don't know. Aren't we a little young for this?

MAZZIEU  
I can tell you're not too sure about this, so you don't have to give me your answer right away. Keep the ring and think about it, okay?

ALEXANDRA  
Okay.

Mazzieu checks his watch.

MAZZIEU  
Has it been an hour all ready? Anyway, I've got to go.

Mazzieu gives Alexandra a quick peck on the cheek.

MAZZIEU  
I'll see you later.

Mazzieu walks off.

FADE OUT.

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DAY

Mazzieu walks down the street, hand in hand with a young woman. The woman holds up a diamond ring.

MAZZIEU

Have you given any thought about what I asked?

YOUNG WOMAN

I...I...I don't know?

MAZZIEU

(angered) You don't know? I've given you nearly two weeks to think about this and you still don't have an answer for me?

Mazzieu lets go of the young woman's hand, and grabs onto her arm. He then pulls her toward an alley.

MAZZIEU

Look I need an answer now, will you marry me?

YOUNG WOMAN

Okay, I guess.

A strange red mark goes over the young woman's forehead, and she turns to sand.

MAZZIEU

Another one bites the dust.

Mazzieu bends over, sifts through the sand a little, and picks up the ring.

MAZZIEU

Can't let a precious jewel go to waste.

Mazzieu turns to the direction of the street, but turns into a cat-like alien. Mazzieu looks at his form.

MAZZIEU

And the effect of the Mod Shroom is gone.

Mazzieu feels around his waist, and takes out two mushroom-like plants that have blue caps.

MAZZIEU

And I'm nearly out. Darkwing!

Darkwing steps out of the shadows of the alley.

DARKWING

So you're here.

MAZZIEU

I need more Mod Shrooms.

DARKWING

I've got another shipment coming in later this afternoon.

MAZZIEU

How much later?

DARKWING

In another two or three hours, why?

MAZZIEU

I've got a date with an S.P.D. officer.

DARKWING

If she finds-

MAZZIEU

She's also one of the Rangers, and I think she's fallen for me hook, line, and sinker.

DARKWING

Interesting. If you're successful the Triumvirate will be pleased with this freelance gig I've got going with you.

MAZZIEU

So where's the shipment going to land?

DARKWING

I'll send you the coordinates when the time comes.

FADE OUT.

FADE IN:

INT. A LOUNGE IN S.P.D. H.Q. - DAY

Dex, John, Patrick, Julie, and Rick all sit around a couple of the couches in the lounge. Alexandra (in her uniform) and Mazzieu (human form) walk into the lounge and up to Dex, John, Patrick, Julie, and Rick.

PATRICK

So this is the infamous Mazzieu.

ALEXANDRA

Mazzieu, this is Dex, John, Patrick, Julie, and Rick.

MAZZIEU

Okay, so let the character assassination begin.

JULIE

What do you mean?

MAZZIEU

In my experience whenever a girl who I've been dating brings me to meet her friends, they almost always try to pick apart every little detail about me.

RICK

I hear you. But then again the girl I dated, whose friends did that to me, also happened to be my friends.

MAZZIEU

That bad?

RICK

More like they took every chance they got to make their little jokes.

JOHN

So what do you do?

MAZZIEU

I'm sort of an independent I.T. specialist for offices that need to have someone to look after their systems, but aren't big enough for their own I.T. department. Julie's mom's office is one of the ones I do.

PATRICK

I've heard that you're actually pretty busy with all of this.

MAZZIEU

Well when you've got several clients that need you, there isn't enough time in the day. And more often than not my weekends are pretty much shot. So my time's extremely limited.

DEX

Then how do you manage with Alexandra?

ALEXANDRA

We've got a one hour date thing going. Patrick and Julie know about it.

PATRICK

But don't you find that gets a little annoying?

MAZZIEU

Not really. Most people usually go on one long date on either Friday or Saturday, but this way we can make up for it with several small dates throughout the week. It may not be a perfect system, but it works.

RICK

Well anyway, it was nice meeting you Mazzieu, but I've got to get back out on patrol.

JOHN

Actually I think most of us need to get going too.

MAZZIEU

(to Alexandra) What about you?

ALEXANDRA

I need to get back out there too.

Alexandra gives Mazzieu a quick kiss, as she Dex, John, Julie, and Rick leave the lounge, leaving Patrick and Mazzieu alone.

MAZZIEU

Don't you need to go out on patrol, or something?

PATRICK

Nah, I'm helping out our chief scientist with something today, so it's a pretty relaxed day for me.

Mazieu checks his watch.

MAZZIEU

I've really got to be going.

PATRICK

I'll walk you out.

Patrick gets up and walks out of the lounge with Mazzieu. The two of them walk through the halls, and the ringing of a cell phone is heard. Mazzieu takes out his phone, and answers.

MAZZIEU

Hello? (pause) I'll be there in a few minutes.

Mazieu continues to talk on his phone, completely forgetting Patrick is beside him.

MAZZIEU

I can't thank you enough for this Dark...

Mazzieu notices Patrick.

MAZZIEU

One. (pause) I'll be there in a few minutes, relax.

Mazzieu ends the call.

PATRICK

Who's this Dark One?

MAZZIEU

A guy I know who prefers to be called by his screen name. Anyway, I gotta go. See you later.

Mazzieu walks off in a rush. A confused look goes over Patrick's face. He then takes out his morpher, opens it to phone mode, and dials a number.

PATRICK

Alexandra, when you get back to H.Q. I need to talk to you.

FADE OUT.

FADE IN:

INT. THE TECH ROOM - DAY

Patrick stands before the computer terminal. ANITA walks in.

ANITA

What are you doing?

PATRICK

I don't know what it is, but when I was walking Alexandra's boyfriend out, I could've sworn I heard him partially saying Darkwing.

ANITA

You don't think...

PATRICK

That's why I'm trying to figure out what Darkwing might have going on right now. And if this guy does have some kind of a connection to Darkwing, then there's a theory as to why he only sees Alexandra for an hour at a time.

ANITA

Mod Shrooms?

PATRICK

Yeah pretty much. How'd you know?

ANITA

Dorian mentioned that you guys were looking into a Mod Shroom smuggling ring.

Alexandra walks into the room.

ALEXANDRA

What'd you want to talk to me about Patrick?

ANITA

I'll leave you two alone.

Anita leaves the room.

PATRICK

It's about Mazzieu. I think there's something he's not telling you.

ALEXANDRA

And what makes you say that?

PATRICK

After everyone left the lounge earlier, he had to take off, so I walked him out.

ALEXANDRA

That's nice.

PATRICK

Anyway, he answered a call on his cell phone, and before he ended it, I swear he sounded like he was about to say Darkwing.

ALEXANDRA

I knew it. You're jealous of him.

PATRICK

I'm not jealous of him.

ALEXANDRA

Julie told me that you said you were a little jealous of him.

PATRICK

That's before I got this suspicion that he might be a criminal. Did you even read his mind when you first started seeing each other?

ALEXANDRA

I only do that when I really need to. Besides he seemed like someone I could trust.

PATRICK

Well that's the way every con artist works. You're a cop, you should know better than that.

ALEXANDRA

He's not a con artist. Look why don't you just admit that you're only doing this because you're jealous of him.

PATRICK

I'm only trying to look out for you, why can't you see that?

ALEXANDRA

Because you're making some pretty big accusations, that are complete and utterly false. Look I've gotten to know him fairly well over the past few weeks that we've been dating. There's nothing going on with him, other than the fact that we're an interplanetary couple. Has this job started to make you suspicious of every alien that comes your way?

PATRICK

Don't be ridiculous. As a scientist and a detective, I know better than to make any false accusations, if I didn't have some reason to believe it true.

ALEXANDRA

Well you're wrong about this one.

An angered look starts to go over Alexandra's face. Patrick notices.

PATRICK

Fine. It looks like I'm not getting through to you so I'll stop.

ALEXANDRA

Good.

PATRICK

But don't come crying to me if I'm right.

ALEXANDRA

You know, now that I think about it, maybe I will say yes to something Maziieu asked me.

PATRICK

And that'd be?

ALEXANDRA

A marriage proposal. I wasn't sure if I was going to say yes, but I think I will partially to spite you.

PATRICK

(sarcastically) Because that's always a great reason to get married.

ALEXANDRA

I don't want to hear anything else out of you. I've thrown myself at you a few times since we became Rangers, and not once did you ever pick up on anything.

PATRICK

Why can't you see that I'm only trying to look out for your best interests?

ALEXANDRA

And why can't you see that you're probably wrong about this one?

PATRICK

Because I can't help but think that I'm right about this one. I want to think otherwise, really I do, but I just can't shake this feeling.

ALEXANDRA

This conversation's over.

PATRICK

But-

ALEXANDRA

I said over!

A strange mark appears on Alexandra's forehead for a brief moment, before she runs out of the room practically in tears. Patrick goes back to the computer terminal, and loads up a drawing function of the search program he is using. Patrick draws the mark that appeared on Alexandra's head, and enters it into the search, and a picture of a cat-like alien criminal appears on screen.

PATRICK

A Felinian?

FADE OUT.

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DUSK

Alexandra walks down a sidewalk, somewhat crying, as she takes out her cell phone. Alexandra opens her phone and dials a number.

ALEXANDRA

Mazzieu, it's me. I need to talk to you if you have a minute. (pause) Okay I'll meet you there. (pause) I think I have an answer for that question you asked on our last date.

In the distance, a loud noise can be heard, as a giant robot is seen flying.

EXT. ANOTHER PART OF THE CITY - DUSK

Mazzieu (alien form) eats a Mod Shroom and turns into his human form. The noise of the robot is heard overhead and he looks up to see it.

MAZZIEU

Good, Darkwing's actually delivering on this.

EXT. A PART OF THE CITY NEAR A RIVER - DUSK

The robot lands on the ground, and Mazzieu walks up to the area. Part of the robot's chest opens up and fires a beam, which drops off a crate on the ground. The robot is heard flying away, as Patrick walks up to the crate.

MAZZIEU

What are you doing here?

PATRICK

I know all about your little game Mazzieu.

MAZZIEU

And what game would that be?

PATRICK

Eating Mod Shrooms to turn yourself human, and then preying upon innocent women for whatever sick plans you may have.

MAZZIEU

So you found me out. But is everything I've done really all that bad? After all didn't I give those girls some happiness?

PATRICK

But it was under false pretenses. Did you even work any I.T. jobs?

MAZZIEU

Had to keep some kind of a legitimate face, which is why I went through so many Mod Shrooms.

Alexandra walks up to the area in the distance. She sees Patrick and Mazzieu, and keeps herself hidden.

ALEXANDRA

What are they talking about?

MAZZIEU

You know I've got to admit, no other S.P.D. officers have ever found me out before.

PATRICK

That's because if they did you would've been deleted.

MAZZIEU

Even so, I still can't believe that friend of yours could've been so stupid. And she's psychic for crying out loud! She should've read my mind the minute she met me, and would've known the truth.

Patrick takes out his morpher and puts the mode selector on judge.

PATRICK

Before I do this, I want to know one thing.

MAZZIEU

What?

PATRICK

Did you love her?

MAZZIEU

What do you think?

PATRICK

That's what I thought. Mazzieu, for ingesting illegal substances, which you used for marriage fraud, resulting in the destruction of numerous lives...JUDGMENT!

Patrick presses the top button on his morpher, and begins the judgment cycle, which works its way to an "X" verdict.

PATRICK

Delete approved.

MAZZIEU

Do you really think she'll forgive you when she finds out you're the one who deleted me? I meant the world to Alexandra when we were dating, and she'll never forgive you for deleting me. Or perhaps you're only doing this to get me out of the way so you can have her for yourself. But if that's your angle, then there's no way you'd ever be together.

PATRICK

I want to know one thing before we go any further. Why date her for three weeks?

MAZZIEU

She had to fall for me. My racket is to drain women of their hearts, and I found that most Earth women fall all too easily. And before you go on about me hurting them, it doesn't matter. When they accept the proposal they turn to sand and go away. But none of that matters now.

Mazzieu turns back into his alien form, and charges at Patrick. Patrick then closes his morpher, and puts the selector on change.

PATRICK

Emergency, SPD!

Patrick morphs in a flash of green light. He jumps up, extends his right leg, and kicks Mazzieu a few times. Mazzieu takes the hit and falls back. Patrick lands, and then starts to strike Mazzieu several times, punching and kicking Mazzieu, until he falls to the ground. Patrick takes out his morpher again.

PATRICK  
S.W.A.T. Mode, power on!

Patrick morphs to S.W.A.T. Mode.

PATRICK  
I'm going to finish this before  
Alexandra knows anything.

Patrick aims his S.W.A.T. Defender at Mazzieu, but  
Alexandra walks up in front of him.

PATRICK  
Alexandra?

Alexandra takes out her morpher.

ALEXANDRA  
Emergency, SPD!

Alexandra quickly morphs to S.W.A.T. Mode.

MAZZIEU  
Alexandra I can explain everything.

ALEXANDRA  
Too bad I heard everything you and  
Patrick were saying.

Mazzieu draws a sword, and charges at Alexandra. Alexandra  
however strikes Mazzieu with her S.W.A.T. Defender a few  
times, knocking Mazzieu to the ground. Mazzieu gets back to  
his feet, and Alexandra aims her S.W.A.T. Defender at him.

ALEXANDRA  
You know you were right about one thing.

MAZZIEU  
And what's that?

ALEXANDRA  
There would be someone I wouldn't be  
able to forgive if Patrick deleted you.

MAZZIEU  
And who's that?

ALEXANDRA  
Me. Goodbye, Mazzieu.

Alexandra fires numerous shots at Mazzieu, and he takes the  
hits. Alexandra continues to fire until Mazzieu falls down  
and explodes. Patrick and Alexandra power down and  
Alexandra looks as if she is practically in tears.

PATRICK

Alexandra?

ALEXANDRA

Just say it. I know you want to.

PATRICK

Say what?

ALEXANDRA

I told you so. And then you're going to tell me that I've been so stupid, for falling for this guy and that, as a cop, I should've known better.

PATRICK

I'm not going to say any of that.

Alexandra goes over to Patrick, and wraps her arms around him. She places her head against his chest, as she starts to cry, and he starts to wrap his arms around her.

PATRICK

Alexandra, I'm sure even the smartest women in the galaxy probably would've fallen for Mazzeiu's story hook, line, and sinker. He was a con artist, that's what they do. So for now just let it out.

Alexandra lifts her head up.

ALEXANDRA

I should've just told you sooner how I felt about you. Maybe I could've avoided all of this.

PATRICK

Julie said that you used to have some feelings for me-

ALEXANDRA

They never really went away, just subsided a little.

PATRICK

So you wanting to go with me on certain cases like the Tholin thing...

ALEXANDRA

...was because of my feelings for you.

Patrick wipes away some of the tears under Alexandra's right eye with his left thumb.

PATRICK

I'm not sure if Julie mentioned this to you or not, but I did kinda develop a thing for you before we became Rangers.

ALEXANDRA

Why didn't you do anything about it?

PATRICK

Because I didn't want to spoil anything, since we were going to be working so close together.

ALEXANDRA

So then there won't be a chance of us ever getting together.

PATRICK

I wouldn't say that.

Patrick wipes a few more of Alexandra's tears off of her face with his thumbs. A smile starts to go over his face. A smile goes over Alexandra's face, as she and Patrick tilt their heads to bring their lips together. Patrick and Alexandra stand kissing each other, as the sun can be seen setting behind them.
