CHASE"

FADE IN:

INT. AN ABANDONED WAREHOUSE - NIGHT

DARKWING flies in. He lands and looks around. All he can see is the screen of a laptop that is sitting on a crate.

DARKWING
Just where is he?

VOICE
Over here!

Darkwing turns to the direction of the laptop where the voice was emanating from. Darkwing walks over to the laptop. Once he is close enough DR. CYBREX comes out of the laptop.

DARKWING
Cybrex, what do you want?

DR. CYBREX
I have an order that I need you to fill.

DARKWING
And why should I help an excommunicated scientist like you?

Dr. Cybrex pulls out three wads of cash, and waves them in front of Darkwing's face.

DR. CYBREX
Does this answer your question?

DARKWING
Very much so. So what are you planning?

DR. CYBREX
Just a little mayhem online.

DARKWING
You've come to the wrong place if you're attacking the Internet.

DR. CYBREX

My plan is to cause the mayhem online and while that's going on, attack the city.

DARKWING

This plan doesn't seem to have much of a structure. Are you sure you want to go through with it?

DR. CYBREX

Of course. Although I did fail to mention that I would be trapping the Rangers in cyberspace first and after that I'll attack the city.

DARKWING

Very well, so what do you need?

Dr. Cybrex pulls out a small white piece of paper. He hands it to Darkwing.

FADE OUT.

FADE IN:

INT. DEX'S QUARTERS - NIGHT

DEX sits at his desk in front of his laptop doing some typing. After a few minutes he stops and stretches a little bit.

DEX

Good, I'm now half a page away from finishing that report.

Dex stares at his laptop for a minute.

DEX

Hmmm...I don't think Dorian would mind too much if I checked my email before finally finishing the report.

Dex places his right index finger on the touch pad and moves his finger to move the cursor on screen over to the web browser icon. Dex double clicks on the icon and the browser pops up. However instead of an actual page showing up, the browser displays an animated super deformed-style Green Ranger that walks around on a white background on screen. Occasionally the words "GET BACK TO WORK ROOKIE", written in red, pop up above the Green Ranger's head.

DEX

PATRICK!!

Somewhat angrily Dex flips the screen down and picks up his laptop. He walks out of his quarters and down the hall to a lounge area. PATRICK sits on one of the couches with his laptop on a coffee table. Patrick is laughing his head off. Dex comes up to Patrick and flips up his laptop screen. He shows it to Patrick.

DEX

Mind telling me what this is all about?

PATRICK

It's just a practical joke Dex. Relax.

Patrick hits few keys on his computer.

PATRICK

There it's gone.

Dex looks at his screen and the web browser is displaying an actual website. Patrick still looks amused with himself as he turns to look up at Dex's face, which is clearly not amused.

PATRICK

Okay, I'm sorry I shouldn't have done it. Although that look on your face almost makes you look like your brother.

DEX

Why?

PATRICK

Well you're brothers, and...

DEX

No I meant, "Why did you hack my system?"

PATRICK

It's just a little bit of hazing. Plus I figured you'd eventually try to slack off a little so...

DEX

You did this as a way to get me to get back to work.

PATRICK

Exactly. Besides you're lucky.

DEX

How?

PATRICK

When I was your age, whenever I hacked a computer I usually left some kind of virus.

Dex still does not look amused.

PATRICK

I said I was sorry, what more do you want?

Dex turns around and starts to walk way.

PATRICK

Dex. Dex!

Dex leaves the lounge.

FADE OUT.

FADE IN:

INT. THE TECH ROOM - NIGHT

ANITA works on an experiment as DORIAN hovers around behind her. The experiment finishes and Anita hands Dorian a vial of a red syrup-like liquid. Dorian holds the vial in his left hand as he raises his right hand to cough into it.

ANITA

Are you coming down with a cold?

DORIAN

I think I might have caught something from one of the cadets. What's this for?

ANITA

I think I may have found the cure to your mutation. But there's only one way to find out.

Dorian nods and places the vial to his lips. He drinks the contents of the vial.

DORIAN

It's cherry flavored?

ANITA

I thought that might help you drink it better. Feeling anything?

DORIAN

Well, I'm feeling my sinuses clearing up, and the coughing seems to be stopping.

ANITA

What about for your appearance?

DORIAN

Nothing. I think you just made some cough syrup from scratch.

ANITA

Great, just great! If only we had some better genetics equipment here. Are you sure there's no room in the budget for that kind of thing?

DORIAN

I could check, but I don't think your father would approve of something like that if it were only going to be used for me.

ANITA

You're probably right. He more than likely would send you to that DNA lab on Anubis.

Dex walks in.

DEX

Dr. Falco I need your help on something.

ANITA

What Dex?

DEX

I need you to install some kind of program that could prevent hackers from getting into my system.

ANITA

All of those laptops have the latest in anti-hacker programming. In fact there's only one person on Earth would could possibly get around that.

DEX

And that would be?

ANITA

Patrick. Why do you want some new anti-hacker software?

DEX

Because Patrick hacked into my system.

DORIAN

He what?

DEX

Yeah.

DORIAN

He didn't do anything bad did he?

DEX

He just brought up this anime Green Ranger that kept saying "get back to work rookie" when I tried to go onto the net. It wasn't a virus or anything. Why?

DORIAN

Because hacking into computers is what got Patrick arrested three years ago.

ANITA

I remember that. He hacked into our systems and you brought him in personally and gave him that ultimatum.

DEX

What was the ultimatum?

DORIAN

Either join the S.P.D. or go to prison.

ANITA

And I think you know what option he chose. From there he met up with me, and then his computer skills and scientific prowess has made him one of the best detectives we have.

DORIAN

I'll have a little talk with Patrick later Dex. For now just go back to your quarters and finish off that report. Remember I want it-

DEX

I know, I know, on your desk first thing in the morning.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - MORNING

Dorian paces around a little bit. Dex walks in, and shortly after JULIE comes in partially yawning. Patrick is the next to enter, then ALEXANDRA, and finally JOHN.

DORIAN

Rangers take your seats.

The Rangers sit down on the chairs around the central console.

PATRICK

So what's going on?

DORIAN

It appears that there are several reports of people vanishing into thin air.

JOHN

Impossible.

DORIAN

Exactly, which is why the five of you need to investigate.

ALEXANDRA

Is there anywhere specific that you want to look at?

DORIAN

Just scour the city. At the moment we don't have any leads other than the reports that have come in. Now move out!

The Rangers get up and salute Dorian.

ALL FIVE RANGERS

Roger!

The Rangers start to leave the command room.

DORIAN

Patrick, can I have a word?

Patrick walks up to Dorian.

PATRICK

Yes Captain?

DORIAN

What's this I hear about you hacking into Dex's laptop last night?

PATRICK

So he told you about that?

DORIAN

Why wouldn't he, but that's not the point. My point is you did exactly what got you in here in the first place again.

PATRICK

I was just hazing him a little. Welcoming him into the group using my own special skills.

DORIAN

I'd like to say that if I ever catch you hacking into another computer again that you'd be kicked off the force and thrown in jail, but we need you too much.

PATRICK

What are you trying to get at sir?

DORIAN

Don't screw up like this again. Remember there are people at the S.P.D. who are much less forgiving than I am. Got that?

PATRICK

Yes sir.

DORIAN

Now go to your investigation.

Patrick leaves the command room.

FADE OUT.

FADE IN:

EXT. A PARK IN DIATECH CITY - DAY

Dr. Cybrex's laptop rests on a park bench with the screen up. The screen is displaying nothing but white. Four people walk up to the laptop.

PERSON 1

What's a laptop doing just sitting out in the open?

PERSON 2

Who knows? Maybe someone left it here by accident?

PERSON 3

Maybe someone should bring this to the cops to report it lost.

PERSON 4

Not a bad idea.

Dr. Cybrex appears on the screen.

DR. CYBREX

That won't be necessary, because this is my laptop.

PERSON 1

Who are you?

DR. CYBREX

I'm Dr. Cybrex, and I'll be your captor today.

Dr. Cybrex presses a few buttons on his left arm control device. Blue waves emanate from the laptop's screen and hit the people. The people digitize and enter the laptop. They can be seen banging on the screen. Moments later, an X-droid comes by puts the screen down on the laptop and walks away with the laptop.

EXT. A CROWED PLAZA IN DIATECH CITY - DAY

Dr. Cybrex's laptop rests on a bench displaying the white screen again. Numerous people walk past the laptop not even caring that it is there. Blue waves emanate from the laptop again and all of the people disappear. The Night Beat and Night Chaser squad cars pull up to the plaza, as does John on the Squad Cycle. The Rangers walk around the plaza. Eventually Alexandra finds the laptop.

ALEXANDRA

Guys, get over here!

Dex, John, Patrick, and Julie come up to the laptop.

DEX

What's a laptop doing just sitting here?

JOHN

Nobody in their right mind would ever leave a laptop out like this on its own.

JULIE

Yeah, it's just too weird.

PATRICK

Maybe someone left it here on purpose.

Dr. Cybrex appears on screen.

DR. CYBREX

Right you are Ranger!

Dr. Cybrex comes out of the laptop. Alexandra takes out her morpher and opens it up to phone mode.

ALEXANDRA

He's from Kevakier, and his name is Cybrex.

DR. CYBREX

That's Dr. Cybrex to you. I am after all a great scientist.

ALEXANDRA

Says here you were excommunicated from the Galactic Scientists' Council for unusual experimentation.

DR. CYBREX

Those fools at the Council were too suspicious of my genius.

ALEXANDRA

It also says here that you've been given criminal charges for your experiments.

DR. CYBREX

Enough!

Dr. Cybrex pulls out a Mechadroid containment unit and tosses it in the air. The unit unleashes a platoon of Mechadroids.

JOHN

Let's go!

The Rangers break off and start to fight the Mechadroids. Dex begins by unleashing a barrage of punches on a few Mechadroids, which does some damage. However the Mechadroids eventually get the better of him and give Dex a hard hit. The hit causes Dex to go flying back near the laptop. John is having the same luck with the Mechadroids and eventually gets a hard hit that also sends him flying back near the laptop. Seeing an opportunity, Dr. Cybrex hits a few of the buttons on his left arm control device. Blue waves emanate from the laptop and Dex and John get digitized and enter the laptop. Patrick, Alexandra, and Julie stop fighting the Mechadroids.

JULIE

Where'd Dex and John go?

DR. CYBREX

I've digitized them, and they're now trapped within cyberspace.

ALEXANDRA

We've go to get them out of there!

DR. CYBREX

I'm afraid that won't be possible.

Dr. Cybrex hits a few of the buttons on his left arm and enters the laptop again, taking the Mechadroids with him. An X-droid comes by, picks up the laptop, and quickly vanishes.

FADE OUT.

FADE IN:

INT. THE COMMOND ROOM - DAY

Patrick, Alexandra, Julie enter. Dorian and Anita are standing around.

DORIAN
So how is it going?

JULIE
Dex and John have been captured.

DORIAN
What?

ALEXANDRA
The suspect is digitizing people and sending them into cyberspace, and Dex and John got caught up in it.

ANITA
Who's the suspect?

PATRICK
He called himself "Dr. Cybrex".

ANITA
That's what I was thinking.

DORIAN
What do you mean?

Anita walks over to one of the computer terminals at the side of the room and hits a few buttons. A holographic image of Dr. Cybrex appears above the center console.

ANITA
Four Earth years ago Cybrex was experimenting with digitizing people, and it appears that he succeeded. However the Galactic Scientists' Council became a little wary of his experiments out of fear that the galactic wide web could fall should people actually be able to enter cyberspace. So Cybrex was ordered to stop his experiments. Unfortunately he refused and was kicked out of the Council. Cybrex apparently continued his experiments but he was found out and brought up on criminal charges for these experiments.

PATRICK
Why was he charged?

ANITA
Apparently his first few experiments
didn't exactly go too well, and the
subjects were...

PATRICK
I see.

ANITA
I think he also stole some money, and
some supplies from a few tech companies
to try to continue his research.

Alexandra takes out her morpher, and opens it up to phone
mode.

ALEXANDRA
That's what his file says. He's robbed
several banks, tech companies on KO-35,
Miranoi, and Eltare, and of course
illegal experimentation.

JULIE
So what do you think his motives are?

PATRICK
Could be anything, but it's probably
revenge against the Galactic
Scientists' Council.

DORIAN
Could be, but for now we need to find
Dex and John. Alexandra, Julie, I want
the two of you to continue the
investigation.

PATRICK
What about me, sir?

DORIAN
I want you to try to hack into Cybrex's
computer.

PATRICK
Are you sure, sir?

DORIAN
I gave the order didn't I? Now all of
you move out!

FADE OUT.

FADE IN:

INT. AN ENTIRELY WHITE ROOM - UNKNOWN

Dex and John lie on the floor. Dex gets up and sees a large screen in front of him displaying a somewhat digitized image of his head. John gets up.

JOHN

Where are we?

DEX

No idea.

DR. CYBREX'S VOICE

You're in my home.

Dr. Cybrex appears.

DEX

What do you want?

DR. CYBREX

I want all of you Rangers out of my way so I can destroy the city.

JOHN

Why?

DR. CYBREX

Simple Blue Ranger, revenge.

JOHN

Against who?

DR. CYBREX

The Galactic Scientists' Council for kicking me out of their little club, and that pesky Dorian Kruger for being the one to bring my experiments to the SPD's attention.

JOHN

Captain Kruger brought you in?

DEX

Why doesn't that surprise me?

DR. CYBREX

Silence! The both of you will perish in this digital domain that I have created.

JOHN
I don't think so.

DEX
You thinking what I'm thinking John?

John nods. Dex and John take out their morphers.

DEX AND JOHN
Emergency, S.P.D.!

Dex and John both morph. Dr. Cybrex comes charging at the both of them. He swings his arms a little bit at Dex, but Dex jumps over the attack. He tries to attack John, but John kicks at Dr. Cybrex with his left foot. Dr. Cybrex then turns to Dex. Dr. Cybrex tries to punch at Dex, but Dex catches the punch and in turn punches Dr. Cybrex in the gut. An explosion goes off of Dr. Cybrex's body, as Dex gives Dr. Cybrex a roundhouse kick with his right foot. Dr. Cybrex falls to the ground. John comes up beside Dex.

JOHN
Not bad rookie, now let's finish him.

DEX
All right!

Dr. Cybrex gets while holding his gut with his left hand. Dr. Cybrex kneels with his left knee up.

DR. CYBREX
Curse you!

Dr. Cybrex holds up his left arm.

JOHN
Let us out of here!

Dex and John rush up to Dr. Cybrex, but before they can get near him, Dr. Cybrex touches the blue button on his control device, which teleports all three of them out of the white room.

EXT. A ROOFTOP - DAY

Dex falls, but grabs onto a grate that is on the edge of a building.

DEX
Where am I?

Dr. Cybrex starts to come toward Dex with a staff.

DR. CYBREX
Fall Red Ranger!

Before Dr. Cybrex can get near Dex, John comes in and takes the attack Dr. Cybrex meant for Dex.

JOHN
Oh no you don't!

Dr. Cybrex holds the staff on John's left shoulder until John manages to break free of the hold. John turns around, and elbows Dr. Cybrex in the gut.

JOHN
One!

John turns around and strikes Dr. Cybrex with the back of his right hand.

JOHN
Two!

John then kicks Dr. Cybrex with his left foot. Dr. Cybrex falls back. John rushes over to the edge of the building.

JOHN
Let me give you a hand there rookie.

John reaches down and helps Dex up to the roof. Dex flies up a little, does a forward flip, and lands a flying kick on Dr. Cybrex (now standing) with his right foot. Dr. Cybrex rolls back a little, and Dex lands. John comes up beside Dex.

DR. CYBREX
You're gonna pay for that!

DEX
This guy's mine!

Dex rushes up to Dr. Cybrex.

JOHN
Hey wait...oh never mind.

John follows Dex.

FADE OUT.

FADE IN:

INT. THE TECH ROOM - DAY

Patrick sits in front of his laptop banging at the keyboard. Anita comes in. Patrick stops.

ANITA

Found anything yet?

PATRICK

Well I was able to find where in cyberspace Dex, John, and Cybrex are, but beyond that nothing.

ANITA

You found Dex and John?

Patrick shows Anita the screen, which is showing Dex and John fighting Dr. Cybrex, and losing. The image starts to cut out a little.

ANITA

What's going on?

PATRICK

I think Cybrex's computer may be trying to overturn all that I'm doing.

ANITA

Is there anything you can do?

Patrick bangs at the keyboard again. Eventually the screen goes blank.

PATRICK

Great! Lost it.

ANITA

Maybe you should try to figure out where his computer is.

PATRICK

Good idea. I think I still have his IP address, and using that I could then hack into the GPS system in his drive.

ANITA

Well there's only one way to find out.

Patrick goes back to banging at the keyboard again. He goes through numerous web pages until finally getting to the one he needs. The page displays a map of the city with a red dot indicating the location of Dr. Cybrex's laptop.

PATRICK

There got it.

ANITA

So where is it?

PATRICK

It appears to actually be an abandoned building downtown.

Patrick takes out his morpher and opens it to phone mode. He points the screen of phone mode at his laptop screen and hits the top button. The screen displays the map from the computer. Patrick then dials a number.

PATRICK

Alexandra, I'm sending you a map. I want you and Julie to meet me at that location.

ALEXANDRA

(OVER THE COMMUNICATOR)

See you there.

Patrick closes his morpher, gets up and leaves the tech room.

FADE OUT.

FADE IN:

EXT. THE ROOFTOP FROM BEFORE - DAY

Dex and John (still morphed) jump up and extend their legs to land a flying kick on Dr. Cybrex. Dr. Cybrex falls down, and Dex and John land. Dr. Cybrex gets up and as Dex and John are about to run at him Dr. Cybrex hits the blue button on his control device teleporting Dex and John into another part of cyberspace.

EXT. A TRAIN TRACK - DAY

Dex and John appear on the track, as a train is about to come near them.

DEX AND JOHN

What?!

The train comes by and seemingly hits the two of them.

INT. THE TRAIN - DAY

Dr. Cybrex stares out of a window and laughs a little. He turns his head to his left.

DR. CYBREX

What?

Dex and John enter the compartment of the train that Dr. Cybrex is in.

DEX

So you thought you could use a train to get rid of us?

EXT. THE TRAIN - DAY

The train rides down the track. Dex and John can be seen fighting Dr. Cybrex in the train. Dex rushes past Dr. Cybrex, and he tries to hit Dex with his to no avail. Dr. Cybrex then tries to strike John with his staff, but John ducks out of the way. Dex then comes in giving Dr. Cybrex a kick with his right foot. Dr. Cybrex blocks the attack with his staff.

INT. THE TRAIN - DAY

Dr. Cybrex pushes Dex onto one of the passenger seats. John tries to come in but gets hit by Dr. Cybrex's staff. Dex then gets up off of the seat, but Dr. Cybrex hits Dex with his staff, and holds it there for a few minutes. Dex breaks free of the grip, jumps up, and grabs onto one of the railings that hang from the ceiling. John summersaults under Dex, and the two of them land kicks on Dr. Cybrex, knocking him down. Dex and John start to come after Dr. Cybrex again, but Dr. Cybrex hits the blue button on his control device again teleporting them to another location.

EXT. THE TOP OF A CAR CARRIER TRUCK - DAY

Dex and John land on it after being teleported. They look around and find Dr. Cybrex in front of them. Dr. Cybrex holds out his staff and fires a light blue energy blast at John and Dex. John and Dex take the hit and fall down. As John and Dex get up Dr. Cybrex comes over to them and tries to hit them with his staff. The first swings at the both of them are ducked, but the next attempts make contact with the both of them. Dr. Cybrex continues to hit them until knocking them off of the side of the truck. Dex and John hold onto the edge of the truck. Dr. Cybrex looks down on them.

DR. CYBREX

Time to finish you off!

DEX

Hey John, I think that device might-

JOHN

Be how he's able to take us from place to place? I know, when we get the chance let's get him!

Dex nods. Dr. Cybrex starts to close in on the two of them.

FADE OUT.

FADE IN:

EXT. AN ABANDONED BUILDING - DAY

Patrick arrives as Julie and Alexandra look around. They both come up to Patrick.

JULIE

So what now?

PATRICK

Julie, come with me inside. Alexandra, stay out here and stand guard.

Patrick, and Julie walk into the building. The building is an old bar and Dr. Cybrex's laptop sits with the screen flipped up. An X-droid and two Mechadroids have all ready come up to the laptop and are about to grab it.

PATRICK

Hold it right there!

The X-droid and Mechadroids stop.

JULIE

You're not getting that computer!

The X-droid signals at the two Mechadroids, and they go after Patrick and Julie. They start to fight the two Mechadroids until getting a little overpowered. Patrick and Julie look at each other, nod, and take out their morphers.

PATRICK AND JULIE

Emergency, S.P.D.!

Patrick and Julie morph. They start to fight the Mechadroids again. A Mechadroid comes after Julie, but she ducks out of the way of it and starts to punch and kick it, eventually flipping it over her head. Patrick does a roundhouse kick on the Mechadroid he is fighting, which does some damage. Patrick then gives the Mechadroid a hard kick with his left foot, which knocks it down. The X-droid quickly picks up the laptop and heads outside.

EXT. THE TOP OF A CAR CARRIER TRUCK - DAY

Dex and John continue to hang on as Dr. Cybrex continues to close in on them. As Dr. Cybrex starts to raise his staff, John quickly draws his Knuckle Grip and fires a few shots at Dr. Cybrex. Dex and John propel themselves up to the top of the truck. John draws his D-Baton and combines it with his Knuckle Grip.

JOHN
Snipe Blaster!

John fires a shot at Dr. Cybrex's control device. Dex draws his Blasters.

DEX
Magnum Blasters!

Dex fires a bunch of shots at Dr. Cybrex, which knock him off of the truck. As Dr. Cybrex falls, the location in cyberspace changes back to the white room with the big screen.

EXT. THE ABANDONED BUILDING - DAY

Patrick and Julie chase after the X-droid, but it turns around and fires a shot at the both of them. The shot hits them and they fall down. Alexandra rushes up to the two of them morphed.

ALEXANDRA
You guys okay?

PATRICK
Just fine.

Alexandra helps Patrick and Julie up. They all draw their D-Batons and Knuckle Grips, and combine them.

PATRICK
Smash Blaster!

ALEXANDRA AND JULIE
Strike Blaster!

PATRICK
Try to hit the robot, but don't damage the computer.

ALEXANDRA
Got it.

Alexandra aims carefully at the X-droid and fires a shot. The shot causes the laptop to fly up in the air. Patrick jumps up and catches it. Upon landing, Patrick starts to bang at the keyboard until he brings the white room with Dex, John, and Dr. Cybrex on screen.

PATRICK
Dex, John, you guys okay?

DEX
Never better.

JOHN

Mind getting us out of here?

PATRICK

Certainly, and I'll bring Cybrex out as well.

Patrick bangs away at the keyboard again, and points the screen away from him. John and Dex come out of the laptop holding onto Dr. Cybrex, who eventually frees himself of the grip. Dr. Cybrex turns to the Rangers with his staff.

DR. CYBREX

The five of you will never get me!

PATRICK

Wanna make a bet? Let's do it guys!

Dex draws his Blasters again. John draws his Grip and Baton and combines them again. All of the Rangers aim their weapons at Dr. Cybrex and start firing. Dr. Cybrex takes all of the shots. Patrick draws his morpher and holds it out.

PATRICK

Dr. Cybrex, for illegal experimentation, capturing numerous people within your computer including two S.P.D. officers, and robbing banks and tech companies JUDGMENT!

Patrick opens up his morpher to judge mode. The one-minute judgment cycle works until finally registering an "X" verdict.

ALL FIVE RANGERS

Delete approved.

Dex combines his Blasters and aims at Dr. Cybrex. The other Rangers do the same. The Rangers' weapons power up, and then fire at Dr. Cybrex. The shots hit Dr. Cybrex, and he falls down and explodes.

DEX

Looks like the case is closed.

The ground starts to shake as a giant robot appears behind the Rangers. Dr. Cybrex's maniacal laughter can be heard coming out of the robot.

DR. CYBREX

I may be gone but this A.I. program of me is in the robot. Prepare to meet oblivion Rangers!

Patrick takes out his morpher, and opens it up to phone mode.

PATRICK

Dr. Falco we need the zords.

INT. THE TECH ROOM - DAY

Anita sits at one of the computer terminals.

ANITA

Launching Patrol Zords.

INT. THE ZORD BAY - DAY

The Patrol Zords start to take off one by one.

EXT. S.P.D. H.Q. - DAY

The Patrol Zords exit the building through the open side. They drive up to where the Rangers are, and the Rangers jump into them.

DEX

Activating Megazord formation.

The Patrol Zords combine into the Patrol Megazord.

ALL FIVE RANGERS

Patrol Megazord online!

The Megazord aims the Signal Blaster at the robot. The robot then charges at the Megazord, and the Megazord in turn charges at the robot. Once near the Megazord, the robot hits the Megazord with its right hand, then its left arm, and finally kicks the Megazord with its right foot. The robot hits the Megazord a couple of times with its hands again, which knocks the Megazord down. Once on the ground, the robot grabs the Megazord by the head with its right hand and lifts the Megazord up. The robot starts to push the Megazord back a little while hitting it with its left hand. Dr. Cybrex's AI program can be heard laughing maniacally from within the robot. Inside of P-Zord 2's cockpit, John sits at the controls.

JOHN

We've got to do something about this.
Wait a minute...

John hits a button in front of him. Outside the Justice Sword forms in the Megazord's right hand.

JOHN

Justice Sword!

The Megazord uses the Sword to break free of the robot's grip, and then slashes at the robot once. The robot falls back a little. The Megazord holds the Sword in its right hand while holding the Blaster in its left, as the robot starts to charge at the Megazord. Before the robot can get near the Megazord, the Megazord slashes at it, which chops off the robot's right hand.

DEX AND JOHN

Let's finish him off!

The Megazord holds up the Blaster in its right hand, and aims it at the robot.

ALL FIVE RANGERS

Full power!

The Signal Blaster powers up.

JULIE

Five!

ALEXANDRA

Four!

PATRICK

Three!

JOHN

Two!

DEX

One!

ALL FIVE RANGERS

Justice Blast!

The Megazord fires numerous shots at the robot. The robot takes the shots, falls down and explodes.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

The Rangers enter as Dorian rises from his desk.

DORIAN

Good work Rangers, all of the people
Cybrex captured have been set free.
Also, great job on hacking your way
into Cybrex's computer Patrick.

PATRICK

It was nothing.

DORIAN

However, what you did last night with
Dex's computer will not go unpunished.

PATRICK

WHAT?!

DORIAN

You knew that there were going to be
repercussions if you ever got caught
hacking into another computer. Dex,
John, Alexandra, Julie, you are all
dismissed.

Dex, John, Alexandra, and Julie start to leave the command
room.

DEX

Have fun doing whatever menial task the
captain has you doing.

ALEXANDRA

I'm sure it'll be excruciating.

JULIE

I'd hate to be you right now.

JOHN

Serves you right.

Dex, John, Alexandra, and Julie have now completely left
the command room.

PATRICK

Okay so what is it sir?

DORIAN

It's something that'll be right up your alley, and it's not a menial task like Dex said.

PATRICK

Then what is it?

DORIAN

You're giving Dr. Falco some assistance. Go to the tech room to find out what you're doing.

INT. THE TECH ROOM - DAY

Anita can be seen working on something that uses quite a few white and black parts. Patrick enters. Anita stops working, and sees Patrick.

ANITA

Patrick glad you could do this for me.

PATRICK

It's not like I had a choice in the matter. So what are we doing?

ANITA

You're going to help with this new weapon I'm working on.

PATRICK

Really? Captain Kruger was right; this is up my alley.

ANITA

Good now come over here and give me a hand.

Patrick walks over to Anita and starts to help with the weapon. He hands her a piece of the weapon that somewhat resembles a dog's head.
