CLOSED PART 2"

FADE IN:

INT. THE HALLS OF S.P.D H.Q. ON KO-35 - DAY

Eleven years ago, YOUNG DORIAN and YOUNG GAVIN are walking through the halls.

YOUNG GAVIN

Look Dorian, I know what I heard.  
Commander Sirius is up to something  
that goes against protocol. I'm not  
sure what exactly it is, but it sounds  
like something big.

YOUNG DORIAN

Please Gavin, like Sirius would do  
anything illegal. You probably just  
imagined it.

YOUNG GAVIN

Sirius has got you wrapped around one  
of his fingers, hasn't he?

YOUNG DORIAN

No, don't be ridiculous. It's just that  
in the time that he and I have been  
spending together...I don't know it's  
like he's become a father to me or  
something. Anyway can we drop this? I  
need to get ready to go to Anubis.

YOUNG GAVIN

Fine.

DISSOLVE TO:

INT. THE HALLS OF S.P.D. H.Q. ON KO-35 - NIGHT

Days later, Young Gavin is walking through the halls, but stops when he reaches an office door with an inset window that reads "COMMANDER SHEP SIRIUS". The door is partially open, with only a couple inches separating the door from its frame, as voices can be heard from within.

INT. SIRIUS' OFFICE - NIGHT

SIRIUS (in his Commander overcoat) sits behind his desk, as MARI (also in his Commander overcoat) stands before him.

MARI

It appears as if the Anubian job is going to fail.

SIRIUS

Sadly yes. I trained Kruger too good, and the idiot Falco had to choose him for this mission.

MARI

Still should Kruger fail, we might finally have our replacement member to cover Rasalas' empty spot.

SIRIUS

Agreed. We obviously can't trust Darkwing enough to join our cabal. But even still he appears content enough to sell his shoddy merchandise to whoever is stupid enough to pay for it.

MARI

Now, now Shep, Darkwing's products have been getting better as of late.

SIRIUS

Either way let's keep our eyes open for potential new members, because after all we can't call ourselves the Triumvirate if there are only two of us.

The door is heard moving slightly, and the sound of someone running is heard from within the hall.

MARI

Someone's heard us.

SIRIUS

Well don't just stand there, go after whoever it is!

Sirius gets up from his desk, and he and Mari rush out of the officer. However, upon entering the hall there is no one around.

DISSOLVE TO:

EXT. S.P.D. H.Q. IN DIATECH CITY - DAY

A few years later, DORIAN and RASALAS (in an S.P.D. uniform) walk out of the building.

RASALAS

Wow, I can't tell you what an honor it is to get trained by you, sir.

DORIAN

Well out of all of the potential candidates that Commander Falco presented to me, you did seem to be the most promising. Especially since Commander Falco "strongly suggested" that I should take you under my wing. So tell me Leon, why did you want to become a cop?

RASALAS

Because of my father mostly.

DORIAN

I know all about that, but go on.

RASALAS

Several years ago he died, and there were rumors that some shadowy criminal organization was the cause of his death.

DORIAN

So you became a cop to hopefully bring the people who wronged your father to justice.

RASALAS

Is that a bad reason to become a cop?

DORIAN

I'll put it to you this way; I'd be a hypocrite I said it was.

DISSOLVE TO:

EXT. A WAREHOUSE DISTRICT - DAY

Dorian and Rasalas have their side arms drawn, as they stalk around the area.

DORIAN

Consider yourself lucky. It's not every day that a rookie officer gets this kind of training.

The sound of footsteps is heard, and Rasalas runs after it.

RASALAS

I'm on it.

DORIAN

Leon, wait you don't leave your partner alone!

Dorian chases after Rasalas, but Rasalas gets out of Dorian's sight. After a few moments, the sound of Rasalas screaming in agony is heard, and Dorian runs toward the sound. Dorian finds Rasalas lying on the ground, grasping one of his legs. Dorian takes out his morpher, and opens it to phone mode.

DORIAN

This is Kruger. I've got an officer down.

DISSOLVE TO:

INT. AN S.P.D. STORE ROOM - DAY

In the present, Dorian sits unconscious and tied to a chair. Rasalas (in his Triumvirate robe) walks up to Dorian and slaps him a couple of times.

RASALAS

Wake up!

Dorian regains consciousness and sees Rasalas.

RASALAS

Good it's almost time for our plan to be completed.

DORIAN

What are you planning?

Sirius and Mari (in their Triumvirate robes) walk into the room.

SIRIUS

The destruction of this building, and your demise. However Kruger, there is a way you can save yourself.

DORIAN

How?

SIRIUS

Join us. You don't know the pleasure and money you'll have being on the wrong side of the law.

DORIAN

But those gains will have been ill-gotten.

MARI

Forget him Shep, he'll never turn. You trained him WAY too good.

DORIAN

Now if I were to join you, who'd be getting kicked out of the Triumvirate? Surely between the three of you there's someone expendable.

Dorian turns his head toward Rasalas.

SIRIUS

Don't try that trick on me. I taught you that trick. But on second thought since if you're going to be conscious it may be better to finish you off now. Leon, stay here with Kruger while I go get my sword.

DORIAN

You don't-

SIRIUS

Of course I mean *that* sword. It'd be a fitting end to you.

DORIAN

You don't deserve to hold that sword.

SIRIUS

Like an Earthling is really the best judge of who should deserve the highest honor from my home planet.

Sirius and Mari leave the room.

RASALAS

How's it feel to come close to your end Kruger?

DORIAN

I just want to know one thing Leon.

RASALAS

What?

DORIAN

Did you ever figure out what happened to your father?

RASALAS

He was a member of the Triumvirate back when you were just a rookie.

DORIAN

Like father, like son. But it's not too late for you. I know you blame me for what happened, but there are other ways you can do things. There's more to being a cop than going out on patrol. You could've had a desk job.

RASALAS

That wouldn't have been acceptable. Besides, how would I have found the people who did what they did to my father? Not that it matters because they ended up finding me. Sirius knew I had an axe to grind with you and offered me this position.

DORIAN

Then it's too late for you.

RASALAS

No it's too late for you.

DORIAN

My Rangers will defeat Darkwing, and the Triumvirate will be deleted.

FADE OUT.

FADE IN:

INT. AN S.P.D. CELL BLOCK - DAY

DEX, JOHN, PATRICK, ALEXANDRA, and JULIE are all locked away in separate cells. Dex and Julie sit on the beds in their respective cells, while John and Alexandra pace around in their cells. Patrick on the other hand, is doing a handstand against one of the walls in his cell.

ALEXANDRA

There's got to be something we can do to take back H.Q.

Patrick gets to his feet.

PATRICK

There is.

DEX

What?

PATRICK

Dr. Falco has to have some sort of override control for H.Q. in the tech room. But finding it is going to be tricky.

JOHN

If it exists. And even then we still need to get out of these cells.

The sound of a dog barking can be heard from outside of the cell block, as the disembodied head of a Mehadroid rolls up to Julie's cell. Scout comes running into the cell block holding a key ring in his mouth.

JULIE

Scout!

Scout walks over to Julie's cell, and drops the key ring.

JULIE

Good boy.

Julie picks up the key ring, and starts to go through the keys.

PATRICK

Well that at least solves how we're going to get out of here.

Julie finds the right key for her cell, and opens it. Julie then walks out of her cell, and goes over to Alexandra's. Julie once again goes through the keys until finding the right one, which she then uses to open Alexandra's cell. Alexandra walks out of her cell, and Julie gives her a few keys.

DEX

But how are we going to get to the tech room now. There's got to be some tough security going on in the halls.

Alexandra goes over to Patrick's cells and goes through the keys, until she finds the right one, and opens the cell. Julie goes over to John's cell, goes through the keys, finds the right one, and opens the cell.

ALEXANDRA

It's probably best that we stick together.

JOHN

Yeah, we'll be a little stronger as a larger group than smaller ones.

Julie goes over to Dex's cell, goes through the keys, but is unable to find the right one. Alexandra then goes over to Dex's cell, finds the right one in her pile and opens the cell. Julie crouches down, and faces Scout.

JULIE

Scout, do you know if there's an override control for HQ?

Scout lets out a couple loud, dutiful barks.

JULIE

Do you know where it is?

Scout starts to leave the cell block. He pauses for a moment at the entrance, turns around to look at Dex, John, Patrick, Alexandra, and Julie and starts to bark a few times.

PATRICK

I guess he wants us to follow him.

FADE OUT.

FADE IN:

EXT. DOWNTOWN DIATECH CITY - DAY

The S.W.A.T. Wing Megazord flies forward. Inside of S.W.A.T. Wing 1, RICK (powered down) sits at the controls.

RICK

Can't give up now. There's no telling what's happening with the others inside of H.Q.

Outside, the S.W.A.T. Wing Megazord gives the H.Q. Megazord a flying kick with its right foot. The impact of the kick causes a small explosion to occur on the H.Q. Megazord's body. Inside of the H.Q. Megazord, DARKWING sits at the desk.

DARKWING

Time to swat away this little fly.

Outside, the H.Q. Megazord fires numerous missiles from its fingers. However the S.W.A.T. Wing Megazord performs a roundhouse kick, destroying the missiles.

RICK

Either Darkwing's starting to slow down, or I'm really just getting started.

DARKWING

You're not going to win too easily Mars Ranger.

EXT. A RIVERBANK - DAY

Two S.P.D. escape pods lie on the side of the river. One of the pods opens up and GAVIN climbs out of it.

GAVIN

I think I need to have a little talk with Kruger later.

Gavin walks over to the other pod, and opens it up, finding ANITA still lying unconscious.

GAVIN

C'mon Anita, wake up.

Anita's eyes twitch a little, and she sits up.

ANITA

Gavin? What happened?

GAVIN  
HQ's been taken over by the  
Triumvirate.

Gavin looks up at the city.

GAVIN  
And by the looks of things half the  
city is destroyed.

The sound of a weapon being fired is heard, and Gavin and Anita look to their right to see the S.W.A.T. Wing Megazord firing numerous shots at the H.Q. Megazord with the S.W.A.T. Blasters.

ANITA  
Do you have a communicator on you?

Gavin takes out his communicator, and gives it to Anita.

ANITA  
Dex, John, Patrick, anyone come in.

No response comes from the communicator.

GAVIN  
Communication with H.Q. must be down.

Anita hands Gavin the communicator, and notices the white envelope.

ANITA  
What's this?

GAVIN  
I don't know. Dorian slipped it in your  
pod before we sent you out.

Anita opens the envelope, and finds a folded piece of paper inside. She takes out the paper, unfolds it to find a handwritten letter, and starts to read.

DORIAN  
(V/O)

Anita, if you're reading this letter, then it's probably too late for me. Ever since my mission on Anubis all those years ago, I was always a little afraid that someone somewhere would come for me, and well you probably don't want to know what I'm thinking right now. Regardless, I want you to know how much your friendship has meant to me over the years. But most importantly of I want you to know that I loved you. I never did anything about it, because I was worried about how it'd affect the friendship. But if I really am on my last legs because of some criminal, then I feel as if I have to tell you this, because I'm sure you feel the same way-

Anita crumples up the letter as tears start to roll down her cheeks.

GAVIN

Don't worry; I'm sure Dorian's going to make it. We just need to believe that Dex and the other Rangers are going to take back H.Q.

EXT. DOWNTOWN DIATECH CITY - DAY

The S.W.A.T. Wing Megazord stands holding the S.W.A.T. Blasters, only to receive a massive blast from the H.Q. Megazord's chest blaster. The force of the blast causes the S.W.A.T. Wing Megazord to go flying back through several buildings, until it ultimately falls on its back.

DARKWING

Give it up Mars Ranger. You're through. And there's nothing you can do about it.

The S.W.A.T. Wing Megazord sits up a little.

RICK

Just watch me.

FADE OUT.

FADE IN:

INT. THE BASEMENT OF S.P.D. H.Q. - DAY

Dex, John, Patrick, Alexandra, and Julie all have their side arms drawn, as Scout leads them through the basement. Dex looks around and sees that everything appears to be fairly quiet.

DEX

This might be a little easy.

JOHN

There's got to be something that's going to be coming around soon.

A slight mechanical sound is heard, as the silhouette of a Mechadroid appears on a wall. A Mechadroid starts to approach Dex, John, Patrick, Alexandra, Julie and Scout. Dex, John, Patrick, Alexandra, and Julie aim their side arms at the Mechadroid and fire. The Mechadroid takes the hit and falls to the ground.

PATRICK

We need to go. If there's one robot there's probably an entire army more coming our way.

Dex, John, Patrick, Alexandra, and Julie run out of their current room, and Scout follows them.

INT. THE LOBBY OF S.P.D. H.Q. - DAY

Scout leads Dex, John, Patrick, Alexandra, and Julie into the lobby, only to be ambushed by a platoon of Mechadroids, four X-droids, and NASLOSA, who is holding her blaster.

NASLOSA

I heard that you Rangers escaped your imprisonment. Too bad this is as far as you're going to get.

Alexandra and Julie draw their side arms and start to fire at Naslosa.

NASLOSA

What do you think you're doing?

Julie starts to fire at the platoon of Mechadroids.

ALEXANDRA

Nothing much.

Alexandra fires at the X-droids.

JULIE

It's just a little something that we  
like to call a diversion.

NASLOSA

What do you mean?

ALEXANDRA

Just look.

Naslosa looks around the lobby, as Alexandra and Julie finish off the remaining Mechadroids. Naslosa keeps looking only to find that the only ones remaining in the lobby are her, Alexandra, and Julie.

NASLOSA

You little girls are going to pay for  
this little insult. Even it's the last  
thing I do.

JULIE

Then it's good that you're preapproved  
for deletion.

NASLOSA

We'll see about that.

Naslosa fires a few shots from her blaster, but Alexandra and Julie dodge them. Alexandra and Julie then fire a few shots from their side arms. Naslosa takes the hits and falls back a few inches. Naslosa charges at Alexandra and Julie and tries to strike them with her blaster, but once again Alexandra and Julie dodge the attack, and then give Naslosa simultaneous punches. Naslosa falls back a couple of feet, and she and Alexandra and Julie continue to fight.

FADE OUT.

FADE IN:

INT. THE 4<sup>TH</sup> FLOOR HALL IN S.P.D. H.Q. - DAY

Scout leads Dex, John, and Patrick into the hall.

DEX

Are we sure that we should've left Julie and Alexandra alone to fight what's-her-face?

JOHN

They were the ones who started shooting at her, and egged us on to go further.

PATRICK

Besides Alexandra and Julie can take care of themselves.

Scout continues to lead Dex, John, and Patrick down the hall.

DEX

Well at least we only have a few of floors left to go before we reach the tech room.

JOHN

Either way we need to keep our eyes peeled-

CLAWFUL and a massive platoon of Mechadroids appears before Dex, John, Patrick and Scout.

CLAWFUL

For people like me.

Scout growls as Dex, John, and Patrick draw their side arms. Dex, John, and Patrick fire numerous shots at the Mechadroids, and the Mechadroids take the hits and fall down destroyed.

PATRICK

You guys go on ahead; I'll take care of crab meat.

DEX

Are you sure?

PATRICK

Someone's gotta stay here and hold off this guy. And between the two of you, we should be fine.

JOHN

Are you real-?

PATRICK

Just GO!!

Dex and John charge forward at Clawful and simultaneously body check him. The force of the body check knocks Clawful out of the way, and clears enough of a path for Dex and John to get to the other end of the hall.

DEX

C'mon Scout!

Scout runs toward Dex and John, and with Scout Dex and John run toward a stairwell that is at the end of the hall. Clawful faces Patrick and charges. Upon approaching Patrick, Clawful swipes his left arm at him, but Patrick dodges the attack.

CLAWFUL

You're pretty good, but you're never going to escape the clamps.

PATRICK

(partially laughing) The clamps? Is that honestly what you call that oversized forearm of yours?

CLAWFUL

You'll pay for that insult Ranger!

FADE OUT.

FADE IN:

INT. THE 8<sup>TH</sup> FLOOR HALL OF S.P.D. H.Q. - DAY

Scout leads Dex and John into the hall, and Dex and John pause for a moment, breathing somewhat heavily.

DEX  
You getting tired too?

JOHN  
A little bit. I just need a minute to catch my breath.

DEX  
Is it just me or are you getting tired of running up four flights of stairs at a time?

JOHN  
I am, but it's not like we can help Scout's olfactory sensors.

Scout lets out a couple barks in agreement with John.

DEX  
At least we only have three more floors to go.

UURCHYN appears before Dex and John.

UURCHYN  
Too bad this is where your little mission will fail.

Uurchyn drops a Mechadroid containment unit, and it unleashes a platoon of Mechadroids. Dex and John draw their side arms and start to fire at the Mechadroids. The Mechadroids take the hits and fall down destroyed.

UURCHYN  
I thought I told you that you guys weren't going to go any farther than this floor. But either way...

Uurchyn takes out his sword and unleashes a powered slash on Dex, and John. However, Dex and John manage to dodge the attack, but just barely causing John to fall to the ground, while causing Dex to fly toward the door to the stairwell. John and Dex get back to their feet, and look at where each other are at.

JOHN

Dex, you've got a better shot at making it to the tech room than me. Go for it.

DEX

But-

JOHN

As a superior officer that's an order. But please Dex, do it for a friend and partner.

Dex and John smile at each other quickly.

DEX

C'mon Scout.

Scout lets out a dutiful bark, before he runs toward Dex. John holds Uurchyn off just enough to let Scout finally approach Dex. Dex opens the stairwell door, and Scout enters, followed by Dex.

UURCHYN

Your friend may have gotten past me, but you're going to meet your end here.

JOHN

We'll see about that.

John throws a punch at Uurchyn, and the two of them start to fight.

FADE OUT.

FADE IN:

INT. THE 11<sup>TH</sup> FLOOR HALL OF S.P.D. H.Q. - DAY

Scout leads Dex into the hall, and they pause for a moment. Scout points his head toward the end of the hall and barks a couple of times.

DEX

At the end of the hall?

Scout barks again, and starts to run toward the end of the hall. A small platoon of Mechadroids appears before Dex.

DEX

I don't have time for this.

Dex draws his side arm and starts to fire at the Mechadroids. The Mechadroids fall down defeated and Dex and Scout run toward the end of the end of the hall. Dex opens the door to the tech room.

INT. THE TECH ROOM - DAY

Scout leads Dex toward his dog house, and barks a couple of times.

DEX

In here?

Scout barks again. Dex gets down, and looks inside of the dog house, finding a small switch. Dex flips the switch and a wall in the tech room slides open revealing a control console. Dex gets up, walks over to the control, and presses a button on it.

INT. THE H.Q. MEGAZORD'S COCKPIT.

Darkwing sits at the desk.

DARKWING

Now to finish off this Ranger.

The lights in the cockpit turn off.

EXT. DOWNTOWN DIATECH CITY - DAY

The H.Q. Megazord looks as if it is about to prepare a blast from its chest blaster, but it abruptly stops. Inside of the S.W.A.T. Wing Megazord, Rick looks up in bewilderment.

RICK

It stopped?

INT. THE TECH ROOM - DAY

Dex holds his morpher in phone mode.

DEX

Guys, I made it. H.Q. is out of Darkwing's control.

INT. THE LOBBY IN S.P.D. H.Q. - DAY

Alexandra and Julie stand facing Naslosa, before looking at each other quickly. They both nod, and take out their morphers.

NASLOSA

Oh no.

ALEXANDRA AND JULIE

Emergency, SPD!

INT. THE 4<sup>TH</sup> FLOOR HALL IN S.P.D. H.Q. - DAY

A somewhat sinister smile goes over Patrick's face as he stands before Clawful. Patrick then takes out his morpher.

PATRICK

Emergency, SPD!

INT. THE 8<sup>TH</sup> FLOOR HALL IN S.P.D. H.Q. - DAY

John and Uurchyn face each other.

JOHN

He did it.

John takes out his morpher.

JOHN

Emergency, SPD!

INT. THE TECH ROOM - DAY

Dex is still holding his morpher in phone mode.

DEX

Commander Falco, come in.

COMMANDER FALCO

(THROUGH THE COMMUNICATOR)

Yes Kruger?

DEX

I've taken control of H.Q. back from Darkwing. Call off the fleet.

COMMANDER FALCO

(THROUGH THE COMMUNICATOR)

Excellent. You know, you almost remind me of your brother. Now give it all you've got to Darkwing.

DEX

Yes sir.

INT. THE COMMAND ROOM - DAY

The desk turns around to its normal position with Darkwing still sitting at it. Dex runs into the room, and takes out his morpher.

DARKWING

Don't do anything rash, Kruger.

DEX

There's nothing rash in taking out the likes of you. Emergency, SPD!

In a flash of red light, Dex morphs. Dex draws his Magnum Blasters and fires a few shots at Darkwing. He then runs toward Darkwing, jumps up, extends his right leg, and gives Darkwing a hard kick.

EXT. S.P.D. H.Q. - DAY

Darkwing goes flying out of one of the windows on S.P.D. H.Q. and falls to the ground in a nearby plaza. Dex lands in front of him.

INT. THE STORE ROOM - DAY

Dorian is now untied, but has his hands held behind his back by Rasalas. Sirius storms into the room holding Dorian's morpher, and Mari soon follows Sirius.

SIRIUS

It appears as if that brother of yours is as much a nuisance as you. It'll give me much pleasure to finish him off before ultimately giving you the final blow.

DORIAN

I don't think so.

Dorian breaks free from Rasalas' grasp, and lunges at Sirius. Dorian and Sirius struggle for a moment, but ultimately Dorian reclaims his morpher, and runs out of the room. Sirius takes out a communication device, and presses a button on it.

SIRIUS

We lost Kruger. Leave whoever you're fighting and get him!

EXT. A PLAZA IN DIATECH CITY - DAY

Dex (still morphed) stands before Darkwing. John, Patrick, Alexandra, Julie, and Rick (all morphed) run up to Dex.

DEX

Whatever else you've got planned Darkwing ends now.

DARKWING

Really? Who's going to stop me? You? I don't know who you think you are.

PATRICK

Then let's tell him.

DEX

One! I see red when evil is done to people!

JOHN

Two! Giving criminals what's coming to them!

PATRICK

Three! To investigate with futuristic science!

ALEXANDRA

Four! To bring justice to criminals!

JULIE

Five! To end this now!

RICK

Six! And rise up like the morning sun!

DEX

SPD! Red Ranger!

JOHN

Blue Ranger!

PATRICK  
Green Ranger!

ALEXANDRA  
Yellow Ranger!

JULIE  
Pink Ranger!

RICK  
Mars Ranger!

DEX, JOHN, PATRICK, ALEXANDRA, JULIE  
AND RICK  
Power Rangers...

The sirens on Dex, John, Patrick, Alexandra, Julie and Rick's helmets go off.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE  
AND RICK  
Space Police Department!

Dex takes out his morpher, and puts the mode selector on judge.

DEX  
Darkwing, for supplying dangerous criminals with deadly arms, causing destruction on numerous planets, and ties to organized crime...

Dex presses the top button on his morpher.

DEX  
JUDGMENT!

The judgment cycle works its way to an "X" verdict.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE  
AND RICK  
Delete approved!

Scout runs up to the area. Dex takes out the key bone.

DEX  
Scout fetch!

Dex tosses the key bone, and Scout catches it transforming into the K-9 Blaster. Dex, John, Patrick, Alexandra, Julie and Rick get into position around the K-9 Cannon.

DEX, JOHN, PATRICK, ALEXANDRA, JULIE  
AND RICK

FIRE!

A blast is fired from the K-9 Blaster. The blast hits Darkwing, and he falls down, and explodes. Dex, John, Patrick, Alexandra, Julie, and Rick stand up and power down. AMY, SWANN, and MINA walk up to the six of them. Rick notices Amy.

RICK

It's about time you guys got here.

AMY

We just landed two minutes ago.

SWANN

So what needs to be done?

ALEXANDRA

We've all ready taken back H.Q.

JULIE

And we just deleted Darkwing.

MINA

So there's nothing left for us to do?

PATRICK

Looks like it.

JOHN

What about the Triumvirate and the other criminals?

DEX

Dorian's probably got them deleted by now.

AMY

Maybe we should just go back to H.Q. then.

FADE OUT.

FADE IN:

EXT. S.P.D. H.Q. - DAY

Dex, John, Patrick, Alexandra, Julie, Rick, Amy, Swann, and Mina walk up to the building. Dorian (morphed) flies out of the building, falls on his back near the others, and powers down. Sirius, Mari, Rasalas, Uurchyn, Naslosa, and Clawful walk out of the building.

SIRIUS

It's over Kruger.

Dorian gets to his feet, and notices Dex, John, Patrick, Alexandra, Julie, Rick, Amy, Swann, and Mina.

KRUGER

Not quite. (to Amy, Swann, and Mina) So you're that all female Ranger team Commander Falco told me about.

AMY

Yes sir, Captain Kruger.

KRUGER

Good, then you're just in time to help us. Rangers!

Dex, John, Patrick, Alexandra, Julie, Dorian, Swann, and Mina take out their morphers. Rick and Amy get into position with their morphers.

DORIAN, DEX, JOHN, PATRICK,  
ALEXANDRA, JULIE, RICK, AMY, SWANN  
AND MINA

Emergency, SPD!

Dorian, Dex, John, Patrick, Alexandra, Julie, Rick, Amy, Swann, and Mina all morph.

DEX

Red Ranger!

JOHN

Blue Ranger!

PATRICK

Green Ranger!

ALEXANDRA

Yellow Ranger!

JULIE

Pink Ranger!

DORIAN

Captain Ranger!

RICK

Mars Ranger!

AMY

Mercury Ranger!

SWANN

Cygnus Ranger!

MINA

Venus Ranger!

SIRIUS

You could have all the help in the world Kruger, but that isn't going to stop us.

DORIAN

We'll just see about that.

Patrick looks around a little.

PATRICK

You know, you can almost call us the "Deca Rangers" now.

MINA

Deca Rangers?

PATRICK

There are ten us.

ALEXANDRA

You just had to say that, didn't you?

DORIAN

At any rate with our group of ten, we'll finish off the Triumvirate. Group up and take whoever you want, but Sirius is mine.

All ten Rangers charge at Sirius, Mari, Rasalas, Uurchyn, Naslosa, and Clawful. Dorian takes on Sirius alone. Dex draws his Blasters and heads toward Uurchyn, which prompts Mina to draw her Venus Blasters, and follow Dex. John heads toward Mari alone. Patrick and Alexandra charge toward Clawful. Julie and Swann run toward Naslosa. Finally Rick and Amy team up to fight Rasalas. In their area, Dex and Mina fire numerous shots at Uurchyn. Uurchyn takes the hits and falls back a little. Dex and Mina then charge and strike Uurchyn repeatedly with their respective Blasters, jump back and fire more shots at Uurchyn. Dex and Mina land.

MINA

(flirtatiously) You know, I like a man who knows how to handle his blasters.

DEX

(interested) Really?

MINA

Maybe a little later, you could show me that big blaster that I heard you Earth branch Rangers have.

DEX

Maybe.

Dex and Mina turn their attention to Uurchyn again, and fire numerous shots again. The force of Dex and Mina's shots causes Uurchyn to fall down and explode. In their area, Julie and Swann land numerous punches and kicks on Naslosa. Naslosa takes the hits, and falls back a little.

JULIE

Did you-

SWANN

Don't worry, Commander Falco, fully briefed the three of us on these criminals before we got to Earth.

JULIE

Good to know.

NASLOSA

Then you should know that I'm an excellent shot.

Naslosa takes out her blaster, and starts to fire at Julie and Swann. Julie dodges the shots, while Swann jumps up into the air.

SWANN

You can't hit what you can't see.

Swann spreads her arms out like wings.

SWANN

Cygnus Illusion!

Numerous energy feathers come out of Swann's arms, and hit Naslosa. The feathers impair Naslosa's vision causing her to misfire with every shot that she makes with her blaster. Julie takes out and combines her D-Baton and Knuckle Grip. Julie then starts to fire numerous shots at Naslosa, and Naslosa takes the hits and falls back a little. Swann lands, and pauses for a moment, before jumping up with her right arm and leg extended. Swann starts to spin around creating a multicolored burst of energy.

SWANN

Cygnus Prism!

The energy hits Naslosa, causing her to fall back, and appear to be weakened. Swann lands and turns to Julie.

SWANN

Give her the finishing blow, Julie.

JULIE

You got it.

Julie aims her Strike Blaster at Naslosa and fires numerous shots. Naslosa takes the hits, and falls down and explodes. In their area, Patrick and Alexandra have their D-Batons drawn, and are giving Clawful numerous slashes.

PATRICK

So about our first date, I was thinking of taking you to this one jazz club I know.

Patrick gives Clawful a hard slash with his Baton.

ALEXANDRA

How's the food there?

Alexandra gives Clawful a hard slash with her Baton.

PATRICK

Pretty good actually.

CLAWFUL

Are you two going to discuss some date, or are you going to put up a serious fight?

Patrick and Alexandra take out their Knuckle Grips and combine them with their Batons. They then aim their respective Blasters at Clawful, and fire numerous shots. Clawful takes the full force of the shots, and falls down and explodes. In his area, John has his D-Baton out and uses it to give Mari numerous slashes.

MARI

Is that all the great Lieutenant John Friday has to offer?

JOHN

I'm just getting started.

John takes out his Knuckle Grip, and holds it in his left hand. John starts to alternate between slashing at Mari with the Baton, and striking him with the Grip. In their area, Rick and Amy have the throttles on their morphers out, and are revving them until the meters on their morphers are full.

RICK AND AMY

Electro Blast!

Rick and Amy place their throttles back into their original positions on their morphers, and place their left hands on the ground. Jolts of electricity travel on the ground, going over to Rasalas. Rasalas takes the hits, and falls back a little. Rick and Amy stand back, flip out their throttles, and rev them again.

RICK AND AMY

Flame Throw!

Rick and Amy place the throttles on their morphers back in their original position, and extend their left hands. Bursts of fire come out of their left palms, which hits Rasalas, causing to fall back even more.

RASALAS

No fair, I'm up against two Special Ops Rangers!

In their area, Dorian and Sirius have their Anubian Swords out, and clash them against each other's.

SIRIUS

I see your skills have improved greatly since I last taught you.

DORIAN

And it looks like you're getting a little rusty.

SIRIUS

I'm just getting warmed up. By the way, were you aware that I personally ordered Darkwing to hire Rustrax to inject that mutagen into your body?

DORIAN

Once I found out that you were a part of all of this, I pretty much figured. After all, why else would I have looked like an Anubian? Is there anything else you want to tell me?

SIRIUS

I was also the one who allowed Rustrax to do what he did to Anubis.

Dorian and Sirius clash their Swords a few more times.

DORIAN

How could you honestly allow that to happen to your own planet?

SIRIUS

There was more money in it for me with the Anubis' destruction. The kickbacks that would have come from that job were too great. But then Falco had to ruin it all by sending you to thwart Rustrax.

Dorian pauses for a moment.

SIRIUS

Had I continued on with this organization, you could've been the third member of the Triumvirate we were looking for. You could've had it all.

DORIAN

But you forget one thing, Sirius.

SIRIUS

What?

DORIAN

I come from a long line of cops. Upholding the law is in my blood. And it would've been an insult to my father's memory if I had become the kind of scum that he always despised. I do however, should thank you for something.

SIRIUS

What?

DORIAN

Confessing everything you did to me. I  
now have enough evidence to bust you.

Sirius pauses for a moment, and drops his Sword.

SIRIUS

WHAT?!

Dorian charges at Sirius, and gives him a hard slash. Sirius takes the hit, and falls back. Mari comes stumbling toward Sirius under the combined efforts of Dex, John, Patrick, Alexandra, and Mina. Rasalas also stumbles toward Sirius from the combined efforts of Julie, Rick, Amy, and Swann. The ten Rangers regroup, and Dorian takes out his morpher, and puts the mode selector on judge.

DORIAN

Shep Sirius, Kal Mari, Leon Rasalas,  
for organized crime, causing the  
destruction of several planets  
including Sirius' home world of Anubis,  
and causing an S.P.D. officer to  
mutate...

Dorian presses the top button on his morpher.

DORIAN

JUDGMENT!

The judgment cycle works its way to an "X" verdict. Dorian puts his morpher away, and grasps his Sword tight.

DORIAN

Time to give them everything we've got.

Dex, John, Patrick, Alexandra, and Julie take out their morphers, and raise them above their heads.

DEX, JOHN, PATRICK, ALEXANDRA, AND  
JULIE

S.W.A.T. Mode, power on!

In flashes of their respective colors, Dex, John, Patrick, Alexandra, and Julie morph to S.W.A.T. Mode. Dex, John, Patrick, Alexandra, and Julie then open their S.W.A.T. Defenders, and place their morphers in them. Mina draws her Blasters, and aims them at Sirius, Mari, and Rasalas. Rick and Amy flip out their throttles, rev them until the meter is full, and place the throttles back in their original positions. Dex, John, Patrick, Alexandra, and Julie charge their S.W.A.T. Defenders, and Mina charges her Blasters. Dex, John, Patrick, Alexandra, Julie and Mina fire high powered shots at Sirius, Mari, and Rasalas. Sirius, Mari, and Rasalas take the hits and start to appear weakened.

RICK AND AMY

War Hammer!

Rick and Amy launch a War Hammer attack on Mari and Rasalas, respectively.

SWANN

Cygnus Prism!

Swann launches a Cygnus Prism attack on Sirius, Mari, and Rasalas, and Mari and Rasalas fall down and explode.

DORIAN

Anubian Sword...FULL POWER!

Dorian charges up his Sword, and give Sirius a high-powered slash. Sirius takes the hit, and falls down and explodes. All ten Rangers power down, as Anita and Gavin come running up to the area. Anita immediately heads toward Dorian, and she wraps her arms around him, as tears start to swell up in Anita's eyes. Dorian wraps his arms around Anita.

ANITA

When I read your letter, I thought I might not be able to tell you this. I love you too.

Dorian and Anita position their heads ever so slightly, and kiss. Rick turns to Amy.

RICK

You going to stick around any longer?

AMY

Can't, Commander Falco's orders were to assist you here, and the take off again. Believe I'd like to stay a little longer and take a load off, but orders are orders.

Mina walks over to Dex, takes a small card out of one of her pockets, and gives it to him.

MINA

Call me sometime.

Mina winks her left eye, and walks over to Amy and Swann. Amy, Swann, and Mina then walk away from the area. Patrick walks over to Dex with a big smile on his face.

PATRICK

Nice!

Gavin walks over to Dex.

GAVIN

Well if I had any doubt about you with this team of mine, today got rid of it all.

DORIAN

Everyone, it's been a long day. So why don't we go back to H.Q. and relax for a while?

FADE OUT.

FADE IN:

INT. A JAZZ CLUB - NIGHT

Three weeks later, Patrick and Alexandra (both in civilian clothes) sit at a table in the jazz club, watching an alien band play. The band consists of a singer, a drummer, a guitarist, a bass player, and a trumpet player. A waitress walks up to Patrick and Alexandra's table carrying a tray with two glasses of water, and sets the glasses down on the table.

WAITRESS

(jokingly) Patrick, Alexandra, this is your third time here in three weeks. You're almost starting to become regulars.

Patrick, Alexandra, and the waitress laugh a little as the waitress walks away from the table.

ALEXANDRA

I hate to bring up work now, but do you think that rumor is true?

PATRICK

There's no way Kruger is retiring. But after everything with the Triumvirate, I wouldn't blame him.

Patrick's morpher rings, and he opens it up in phone mode.

JOHN THROUGH THE COMMUNICATOR

Guys, I hate to call you in on your night off, but you need to get back to H.Q. now.

INT. THE COMMAND ROOM - NIGHT

John sits at Dorian's desk, while Julie and Rick sit at the center console. Patrick and Alexandra walk in.

ALEXANDRA

So what's going on?

JULIE

No idea. Captain Kruger called John to tell all of us to come in here right now.

Dorian (wearing black pants and a white dress shirt) walks into the room.

DORIAN

Good, you're all here.

RICK

Well not all of us sir, but Dex is on Onyx with Gavin right now.

DORIAN

True. I'm assuming you're all wondering why I've called you in here.

PATRICK

The thought had crossed our minds.

DORIAN

Well it's about those rumors about me retiring. As you know I've been on vacation since we defeated the Triumvirate, and that has given me a lot of time to think.

JULIE

So the rumors are true?

DORIAN

Only partially. I'm still going to be a part of the S.P.D. but I'm retiring from active Ranger duty.

JOHN

So what's going to happen with the Captain Ranger?

DORIAN

My morpher is being decommissioned, and its powers will no longer be active. There is however, something else you need to know.

JOHN

What?

DORIAN

Effective immediately, Earth branch will now be the main branch of the S.P.D. The old main branch on KO-35 is going to be turned into a strictly Special Ops training facility. And Commander Falco has decided to retire.

RICK

So with Earth now being the main branch, and Falco retired, who's going to be Supreme Commander?

Anita walks into the room carrying a garment bag, and a small box.

ANITA

The new Supreme Commander will be someone who knows Earth well, and someone who my father knows is the best fit for the position.

PATRICK

Dr. Falco-

ANITA

Actually it's no longer Dr. Falco.

ALEXANDRA

Then what do we call you?

DORIAN

Dr. Kruger.

Smiles go over John, Patrick, Alexandra, Julie, and Rick's faces.

JULIE

So that means...

ANITA

Yes, the last two weeks of Dorian's vacation became a honeymoon. Why else do you think I'd go on sabbatical out of the blue?

ALEXANDRA

Congrats. But who's the new Supreme Commander?

Anita opens the garment bag, revealing a Supreme Commander overcoat. Anita takes the coat out of the bag, and hands it to Dorian. Dorian then puts the coat on.

DORIAN

From now on, it's Supreme Commander Kruger.

John, Patrick, Alexandra, Julie, and Rick line up in front of Dorian, and salute him.

JOHN, PATRICK, ALEXANDRA, JULIE, AND RICK

Yes, sir!

RICK

What's with the box, Anita?

ANITA

This is actually for you Rick.

Anita hands Rick the box, and he opens it revealing a red variation of the Throttle Morpher.

RICK

What's this about?

DORIAN

With Dex no longer here, you are now the new Red Ranger of Earth branch.

ANITA

My father wanted me to do this, so don't ask why.

Rick takes his current morpher off of his left wrist and straps on the new one.

DORIAN

That's all I have to say. Patrick, Alexandra, you can go back to enjoying your night off.

EXT. A DESERT ON ONYX - DAY

Gavin and Dex (dressed similarly to Gavin) ride on hover cycles.

GAVIN

Sorry that whole special team thing didn't pan out like I wanted it to.

DEX

At least you were able to make up for it.

GAVIN

So what do you say we finish up in town and call it a day?

DEX

Sounds good to me. Besides I'm expecting Mina any minute now.

Dex and Gavin continue to ride on their cycles, until riding into a small town. Dex and Gavin park their cycles, and get off. They then walk toward a nearby store.

INT. THE STORE - DAY

Several alien criminals are causing a stick up, as one criminal steals money out of the cash register.

CRIMINAL 1

Hurry it up!

CRIMINAL 2

I'm going as fast as I can.

Dex and Gavin walk up behind the criminals.

GAVIN

Sorry boys, but you're going to jail.

The criminals turn around to face Dex and Gavin.

CRIMINAL 1

Really sheriff?

GAVIN

Dex you want to handle this one?

DEX

With pleasure.

Dex takes out his morpher.

DEX

Emergency, SPD!

Dex opens his morpher to reveal that the standard silver badge is now replaced with a copper Space Sheriff badge.
